UNITING SOCCER CLUB
ANNUAL REPORT

2004

Guildford McCredie Uniting Soccer Club Office Bearers

President	David Wrightson	1999-2000
	Malcolm Hewitt	2001-2003
	Rodel Palma	2004-
Secretary	Greg Wark	1999-
Treasurer	Ken Nicholls	1999-2003
	Stephen Thomson	2003-
Assistant Secretary	Peter Warwick	2003-
Registrar	Carolynne Wark	1999-
Canteen Managers	Helen, Robert and Katherine French	2000-2002
	Dorothy Warwick	2003-
Fundraising Coordinators	Greg and Carolynne Wark	1999-2000
	Vacant	2001-2003
	Helen French	2004-
Councillors (2)	Greg Wark	1999-
	Joe Khoury-Geagea	1999-2001
	James Pal	2002
	Brendan Deppi	2003-
Coaches	Paul Elliott, Tom Beehag, Rene Sanabria, Carl Mower, Sam Eid, Ian Warwick, Musa Canli, Bobby Sugarevski, Philip Rafter, Greg Wark, Marco Olmos, Robert French, Peter Hession, Kojo Atta-Koomson.	
Managers	Frank Skiller, Carolynne Wark, Sean Barkley, David Arandale, Amele Sayhoun, Peter Dunbar, Lana Borg, William Naing, Miro Djordjev, Errol Henderson, Helen French, John Houlford, Meral Temel	
Associate Referees	Philip Rafter, Greg Wark, Carolynne Wark, Brendan Deppi, Gaven Biber, Ian Warwick, Darryl Verity, Wayne Goodwin, Ben Smith, Kari Bergsson, Iain Houlford, John Donnelly, Remzi Temel, Matthew Dixon, Matthew Verity, Michael Hession, Peter Hession, Bobby Sugarevski, Tito Jimenez, James McManus, Robert French, Wayne French, Bilal Ghoneim, Jameel Dean, Toby Jones, Emile Elcheikh, Sunil Mishra.	

President's Report

First of all, I would like to congratulate the Competition winners and the winners of the President's Cup. The competition winners were the under 11 Reds, under 13s and under 14s. These teams and the under 9s won The President's Cup. The under 10's and, of course, our under 15 Reds also competed the 15s being runners up.

I would also like to acknowledge the efforts of those who participated and fell short of these difficult goals. We all know you did your best and took a stab and do not despair as there is always another chance next year. I am personally amazed at the effort that everyone has put into our soccer club for 2004, since this is my first time to be part of the Soccer Club as president.

The burning passion that each team player exerted when playing contributed to the team performance as well as the players' individual growth. I must commend the brilliant show of enthusiasm by all office bearers; managers, coaches, referees, canteen managers and all the members for making this season meaningful to all the players. Your commitment and dedication is well and truly appreciated. Taking into account the responsibilities of each person, it surely is a big task and involves a lot of time. I am amazed of your devotion to give each player a chance compete and be part of the Soccer Club.

Looking back in 2002, there were 13 teams competing. The following year it increased to 16 teams. This year it increased further and added two more teams, having a massive growth to 14 junior teams from under 6 to under 15 and 4 senior teams. This is absolutely sensational! Let us encourage others to have not joined this year to have a go next season.

I really do hope everyone enjoyed coming to our games, even as spectators, having reached our primary aim in providing a safe and friendly environment for all players and their families.

See you all next season!

Rev. Rodel Palma

Secretary's Report

In Guildford McCredie Uniting Soccer Club's sixth season we were able to field ten junior teams: two in the under 15 and 11 age groups and one each in the Under 14, 13, 12, 10, 9 and 8 age groups, four mini teams, two in the under 6 and two in the under 7 age groups, and four senior teams two in Premier League and two in the Raahauge Cup competition – a total of 18 teams.

In a new development for our club this year we also expanded to create another club at Newington. The Newington Gunners fielded two teams (under 9 and under 6) and we know from our McCredie experience that from little things, big things grow!

After five years of negotiations with both the Association and Parramatta Council we secured the use of Granville Park for some of our home games. Each team played at least two home games at Granville. Financially this was costly, as we needed to pay for the ground to be marked and the canteen was less profitable at Granville. Another very timely development for our club was the contributions made by our new sponsors. There is a page further on in this report where they are further acknowledged and I would

encourage you to support these businesses. Make sure you mention McCredie Soccer when you do!!

2004 saw us have another spectacularly successful season results wise. On field success was not what we have always experienced at McCredie and I'm not naive enough to believe that at some time the wheel won't turn, but for now we will all enjoy the incredible success we had in 2004. Four premierships, four President's Cups, three knockouts, an undefeated mini team, a senior team minor premiers and six 6-a-side champions (including three clean sweeps!). And heaps of fun for everyone; the winners, the teams that fought hard each week to keep the opposition out and the teams that won some/lost some.

I would particularly like to record the club's appreciation of the work Peter Warwick (Assistant Secretary) does. Peter among many other things has coordinated the setting up and pulling down of our home game EVERY WEEK and printed the newsletters. It is also important to acknowledge the contributions of Dorothy Warwick stocking and manning our canteen (our major fundraiser), Carolynne Wark and Michelle & Stephen Thomson who take care of the club's finances, Helen French for organising fundraising and Craig Osland and Robert French who gained us our sponsors this year. I would like to raise our club members' awareness particularly to the number of guys from the All Age teams who coach their children. This is truly a wonderful commitment from young guys who have no children in the team but coach because they want to help out. This is not only incredibly generous, it's also what helps our teams to be so strong!

I would like to take this opportunity to commend all the coaches and managers who took on their responsibilities with enthusiasm and commitment. All too often these people are not only not appreciated but on occasions their good nature is frankly abused. I want to assure every coach and manager that certainly from where the management committee and I sit, you are well and truly valued and you are the true strength of the club. Last year I wrote the following : "Unfortunately many people don't notice that the canteen doesn't mysteriously run itself, that the nets don't stay up all week, that newsletters don't write themselves, and that more than a dozen adolescents are not easily handled on your own for three hours a week. This of course is a very small list of the work done by members of our club – and nobody is paid!!!" I couldn't think of a better way to write it this year.

Don't forget that the registration days are the first two Saturdays in February at Granville Park between 9am and 11am or on the first two Sundays in February at McCredie Uniting Church between 12pm and 2pm. Waiting until registration day though is not a guarantee, as some of our teams will be endeavouring to register their players today! This is the only way you can guarantee your place as after today new players are also welcome to register. You can register any time by seeing me but remember no registration will be accepted without a \$20.00 deposit. Please register early as I would hate anybody to miss out. Be aware however: registering with our club means you are making a commitment, you are in fact signing a contract to play soccer with our club. We will honour that contract by providing soccer, you by playing. This year we had some players whom mid season decided to break their end of the deal and leave their teams in the lurch. This is not on.

Every year our club grows and following this year's results there is little doubt that this will continue next year. This means that we will require even more coaches, managers and other helpers to support this, so please consider how you can assist the club. Volunteers are sought now to assist with the running of your club.

Thanks again for a terrific 2004 and I look forward to enjoying our fine community together with you again in 2005.

Greg Wark

Under 6 Red Team Report

This year saw a marked improvement in the way the Reds played throughout the season. We had a fantastic fore/against record losing only 2 games throughout the year (one of these to the Whites late in the season). Once again, thanks must go to Paul Elliott for the time he put in coaching and the patience he employed throughout some very close games. Unfortunately, it was difficult to get a full team to the ground each and every Saturday. It was a remarkable effort from the Coach and the Parents to ensure that the kids were available to play and build upon the teamwork that they started to employ last season.

Of the players that we had in the team this year a greater number will move up to the Under 7's next season ensuring that plays that were learnt this year can be improved on in 2005.

The Players:

Ahmed Dbouk: Ahmed played exceptionally well throughout the season. As one of our 2 main goal scorers his presence of mind to see openings in the defence ensured a large number of goals to his credit. Ahmed continually attacked the opposition and ensured that his teammates saw more of the ball in attack rather than defence.

Connor Barkley: Connor started the season sensationally in the first couple of games with a number of goals, settling down as the season continued. There was a marked improvement in his concentration and ball skills from last year. Connor spent a number of 2nd halves in goal focussing on stopping the other team, ensuring he will be a determined player in 2005.

Emily Pereira: Emily has the biggest heart for possibly the smallest player on the field. Throughout the season she took some heavy knocks but dusted herself off and continued to attack. She had a fantastic season as the first half goalie ensuring that our against record was kept as low as possible.

Harrison Lira: Harrison was probably one of the most improved players for 2004. He continually attacked the ball and it was a highlight 2/3 of the way through the season when he broke through to score his first goal. If Harrison continues in this vein, the under 7's will have a very good attacking mid field player next year.

James Elliott: James yet again showed great talent with the ball as he took to the field each week. His speed up the sideline and an impressive number of goals for the season ensured that the Reds were in control of most games throughout the season. It was a mark of James skills and determination that he was remembered by the teams that we played in first half of the season when we met for each of the second games.

Kellyann Jeffery: Kellyann joined the team this year and enjoyed her time on the field making an immediate impact in her first game scoring a goal helping the reds on their way to a 14-0 win. As Kellyann gets used to the games and with more practice, she will be a great asset to the Under 7's next season

Makeeta Sharwood: Makeeta (or Mak) continued the Sharwood soccer dynasty with her first season this year. With an incredible amount of coaching from mum Hendrika, Mak took to the field with great enthusiasm but had her sites firmly on the goal keeping spot (occasionally ending up in the black and blue jumper). As with most of the 4 year olds, this year will be a good introduction to the game and she will only improve next season

Manager

Paul Elliott
Coach

Under 6 White Team Report

REECE OSLAND Prolific goal scorer who was always tenacious in defence. It was his second year in 6's and the experience helped. Lifts his teammates with his effort. Always tried hard, at training and every game. Well deserved player of the year. 25 goals

AIDEN BEEHAG Strong and fast. Great clearing kicks and loves to take the ball forward. He was timid early on in the season but has become a real soccer player. Tries kicking with both feet. 2 goals

JOBBY WOTEAI Little champ. Always battles and was never scared of the bigger kids. Played a brilliant game when he should have been in bed sick. Won many games with his wonderful goals. 21 goals

WILLIAM ALDRED Missed a few opening games, but progressed very well. Will become a good goalkeeper with great saves. Scored a goal to cap off a good year. 1 goal

MATTHEW GOULD Started as first choice goalie, but has developed into a good defender. Big kicks regularly got us out of trouble. Scored a bomb goal against Newington. 1 goal

BILAL ABDUL HAMID The team's baby who is destined for stardom. Angelic looks and an eye for the goals. Another great Abdul-Hamid for the club. Will be great next year as he is only 5. 3 goals

JASON TRAN The team's big improver. Loves playing with his mates and chased hard every game. Scored a couple of memorable goals. 2 goals

CHAMATH FERNANDO Little champ who has come out of his shell. Has improved and will be a better player next year. Always tried his best.

KHALED EL DHAIBI Only turned 5 this year and is improving every week. Loves soccer and picks up the boys habits quickly. Tries his best and will keep improving.

SUMMARY

We started the year with clear intentions – having fun and participation. Our motto is to have fun. We sent a letter to all of the parents of our expectations and they were not high. The team were all beginners except for Reece. The boys were committed to training and trained hard and enjoyed our games. We struggled through the first round losing 4 games. All the boys had their chance in goals with 4 goalkeepers per game.

The Knockout Competition saw our fortunes change. We battled through the early rounds and won our way to the semis. The semi was the best Under 6 game we have seen with our little boys sneaking home 2-1. Unfortunately we lost the grand final but this week was the turning point. Every week after that we lifted our efforts winning 6 in a row. A draw at Carlingford on a postage stamp and a lost to Lidcombe halted our run but no one minded.

The boys have proven to be a great soccer team that played every game in the best spirit and we have wonderful supportive parents. The main highlights were the performance at the knockout, the improvement made by all team members and that 7 of the 9 boys scored goals.

We cannot wait for the 2005 season.

CRAIG OSLAND
Manager

Under 7 Red Team Report

Probably the most gratifying aspect of the whole season was the observed progress and improvement made by the team. Were one to assume the team's quality on the basis of the first few games, one might have despaired of ever succeeding with so motley a crew. Budding star strikers seemed to spend most of their time tackling their own team members, and those lads, who eventually became a virtually impregnable defence line, seemed more adept at daisy-chain construction than constructive play. Yet by season end, the team had come into its own, with each member making a valued contribution to many a satisfactory coordinated victory.

An exemplary case would be the series of matches with Baulkham Hills St Micks. Our first confrontation occurred early in the season and resulted in a six-nil trousers-down walkover. Our last was still a loss, but no caning, and on this occasion both the manager and coach of the opposition took the time to applaud the outstanding play demonstrated by our side, "you wouldn't know it was then same team" was phrased more than once.

So how did it evolve? Worthy of mention would be the gently persistent guidance of Rene, the coach. Week in, week out, the team was drilled in basic skills; for many it was the first time they had ever played. Further Rene proved expert in recognising and facilitating the natural strengths of each team member. Rongamai's goalkeeping skills, which saved so many a tight situation, was solidified early in the season. Avik's fearless tackling was a highly treasured revelation, and his reliable goal defence freed the strikers up for many an impressive set play. Marty's goal winning play, Eddie's turn of speed, the robust enthusiasm of the Maroun brothers, George and Fred, all these talents and skills were drawn out and put to work with devastating effect. Rocio and Isaac improved immeasurably into versatile players, and the sum total of the team's ability was ably assumed and steered weekly by Simon, whose all round excellence earned him the captain rank from day one.

Player of the year would have to go to Rongomai. As a goalkeeper he was unmatched, he proved excellent in the frontline, possessed of a great endurance and he was consistently present at games and training. A sportsman to the finish.

It was a thoroughly enjoyable season for all, and their performance as under 8s is a stimulating prospect.

David Arandale-Biolatti
Manager

Under 7 White Team Report

Wow! What a terrific year. The Under 7 Whites were a combination of players from the 6 Reds and 6 Whites from last season. The team has developed very well and during the season were undefeated, winning 14 matches and drawing 3, whilst also winning the six a side competition. The statistics are even more impressive as this team scored 126 goals and conceded just 18 during the year.

Alan Guzman – Alan is a key part of the team's defensive plan. Each week the opposition's key player is targetted and Alan marks him out of the game. Alan's tenacious tackling and awareness of what is going on around him make him an invaluable player. Alan is always 100% cooperative and happy to do what is required making him a delight to coach.

Daniel Jabou - Daniel was our team's striker and his singlemindedness in attack made him a very difficult player for the opposition to defend against. Daniel developed his combination with Mahammad during the year and scored many goals. Stay tuned for many more next year when there is a bigger goal to shoot at.

Jordan Mcalister - Jordan was one of only two new players this season but he caught up to his team mates very quickly. Jordan is the team's speedster and his developing skills in defence, only discovered late in the season will make him a very valuable player on the big field next year. His speed, tackling and never give up attitude will make him very difficult to get around.

Keely Sharwood - One of our keenest players and always the first player to greet me with a cheery "Hi Greg" each Wednesday and Saturday, Keely has very good ball skills and a viscous kick. Keely also has the team's longest throw-in (another victory for the ladies!) Keely kicks with both feet, is a capable goalkeeper and is always happy to cooperate with the coach.

Kerem Sevinc - One day I'm sure Kerem will be the team's social secretary, organising the outings and the tour details. Everybody's friend, Kerem loves to be a part of the team and always tries his best. Kerem is a much improved soccer player who this year developed his tackling and game awareness. His shot in the final game was a beauty.

Mahammad Abdul Hamid - In the few really tough games we had this year Mahammad was the difference. In the easier games Mahammad is rampant. It's not just skills and speed that make a good player (and Mahammad clearly has both these) it is lifting your game in the tough games. In the semi final of the six a side Mahammad showed how good he really is. He scored our first goal, but when we were down 1-2 with thirty seconds to go it was Mahammad's intensity which scored our goal and won us the game on corners.

Martin Lo- Martin was also a new player this year but very quickly demonstrated his skills and his eye for goal. As the season continued Martin developed his passing game but even more importantly his aptitude for the one position in which we struggled –goalkeeper. But Martin doesn't just stand there and wear the yellow shirt, he is as good in goal as our on field players are in their positions. And that's a pretty big compliment.

William Wark- Wil had a terrific year. He has the competition's biggest kick (scoring one goal against The Falcons from just outside his own penalty area

Guildford McCredie Uniting Soccer Club – 2004 Annual Report

with one kick) but he also plays a good team game, regularly setting Daniel and Mahammad up in the forwards. Wil's ability to move our team very quickly from defence to attack is one of our team's greatest assets.

I would especially like to thank Carolynne for managing the side and all the parents for their support. I love the fact that our eight team members come from eight different cultural backgrounds and that each week all their parents come together to enthusiastically support their children.

It has been an absolute joy to be a part of a very successful season with a great group of children and parents, and I genuinely hope that all the team returns next year. While this team stays together we will not only remain successful, but the team will actually get better and better, and just as importantly the team will develop their friendships with each other even further, as will the adults associated with it.

Greg Wark
Coach

Under 8 Team Report

With only four players from last season, the under 8's had to build a whole new team. The season started out uncertainly, with an insufficient number of players, which meant that each game was played without fresh reserves and several times without enough players to field a full side. However with faith, our prayers were answered, and the team attracted several new players forming a solid team of 15, very keen under 8's.

Harnessing youthful enthusiasm & energy during our training sessions was at times very difficult however, the rewards were always plentiful, when on match day they put into place those skills learnt on the Wednesday. Throughout the year we focused on ensuring that players became fully aware of the need to play in the positions assigned to them. Individual players began to realise that as a "team", the "team" could become very competitive and we began to win matches.

Team Profile

Anthony Boatswain – We have seen Anthony develop his ball skills in centre, fullback and goalie positions. Anthony proved to be a key utility player in the defensive net and a very reliable goalkeeper, with some amazing goal saves displayed. The latter half of the season saw Anthony become a very determined sweeper & defender.

Jacob Clark – a quiet achiever. Many an opponent tried to dribble past Jacob and many were very disappointed. Jacob became a very important and reliable defender for the team. Jacob was a role model for his behaviour on and off the field.

Jimmy Hoang – unfortunately illness kept Jimmy away for a large part of the season. However when able to play, his enthusiasm and determination to kick the ball was always evident. Jimmy loves playing in the mid-field and chasing after the ball.

Mathew Hough –played in the forward line and came out firing in our first few matches but unfortunately broke his arm (non soccer related) which forced Mathew out for the majority of the season. Upon his return late in the season, the team discovered Mathew's talent as a goalkeeper.

Daniel Joya – Daniel proved to be a very enthusiastic and reliable player in the mid field. We could depend upon Daniel to attack and defend with vigour. On many occasions, Daniel was instrumental in blocking the opposition's attack or setting up the forwards with goal opportunities. A key player we couldn't do without!

Tony Lo – a very determined attacker & striker and the team's leading goal scorer. Tony also showed great courage in defence and has very quick reflexes, which saw some remarkable goals saved. Tony was always on the ball and that showed in the number of goals he scored. Top personal effort Tony!

Ahmed Momaud – was one of our late starters and became a very valuable mid-fielder. Ahmed has very good ball skills and working in conjunction with the forwards, he became a very strong attacking player. A determined and consistent effort from a good team player.

Jackson Mower – continued to develop as strong all-rounder. Jackson enjoyed playing in the forward position and realised the importance of remaining in position throughout the game. Whether in defence or attack, Jackson always gave 100% and proved to be a Giant slayer, not giving an inch to the opposition!

Tobias Porter – Whenever we placed Toby as the goalkeeper, we would inevitably play the majority of the game in the opponents other half and win the match. However, when put to the challenge, Toby would save some exceptional goal attempts. Toby is also developing as a strong defender.

Bradley Roughsedge – one half of our brother and sister combination, joining us half way through the season. This was Bradley's first season as part of a soccer team and he developed some basic skills in attack and defence.

Brianna Roughsedge – the other half of the combination. Brianna enjoyed all the matches she played in. Like her brother, Brianna was a mid-fielder and developed in ball skills, knowledge of the game and positional play.

Abobaker Sadiqi – whether it was in mid-field or as an attacker, Abobaker played with strong determination and commitment, with his positional play and ball skills improving all season. He was an asset to our forwards and we look forward to his exciting play next season. Let your boots do the talking Abobaker! Well Done!

Jesse Skiller – Jesse (The Terminator) is a very determined & serious defender. Jesse understood the importance of strong positional play and in conjunction with the other defenders, formed a very formidable defensive net, saving the team from a loss on a number of occasions.

Nicholas Taktikos – a late inclusion in the team but “what a find”. He was always keen to play the game and learnt many skills in a short period of time. Nicholas played in the defensive line and stood his ground, regardless of the size of the opposition.

Ben Van – Ben played in the centre most of the season and what became apparent was his ability to recover possession from the opposition, and with strong attacking skills, turn the play in our favour. We also utilized Ben as a roving defender behind the fullbacks to great effect. Ben was a reliable player, hopefully he will return to play a full season next year.

Many thanks to all the parents and friends who supported & assisted the team throughout the year and a special thank you to Lil for keeping us looking good each week!

We hope that everyone in the Under 8's enjoyed himself or herself throughout the season, and trust that you will all return next year, for a big under 9's soccer season.

Carl Mower
Coach

Frank Skiller
Manager

Under 9 Team Report

We started off the season with high hopes with many great players returning. Our first rounds didn't produce the results we wanted, but after a hard fought win in the 6-a-side final, the boys came together and realised what they could do as a team. Their confidence showed in the following games, which led to them finishing the season on a high, and winning the presidents cup as well!

Champions are:

- Shaun** The little engine of our team, who scored a few goals. Has natural athletic ability and has the drive to score & score again. Terrified the opposition with his attacking plays. Will realise his potential with more teamwork
- Junior** His family, friends & the doctors couldn't keep him off the field (The opposition wished they could have) Great kicker of the ball allowing our forwards to keep pressure on the opposition, even with a foot problem
- Jason** Tough player, who will not allow injuries to keep him away. Thoroughly deserved the goals he scored, and supported the forwards well.
- Emmanual** Great positional player, always there to support. His attacking play is developing nicely. Not bad at goals when needed too
- Mark** Mark impressed everyone with his own initiative. He saw a hole in our play, and plugged that hole, by defending when we need to and supporting our attack when we needed it.
- Joshua** An impressive new member of the team, who plugged our defensive hole as well as great counter-attacking flair.
- George** George is improving every game he plays. He is acquiring the skills needed to be a great attacker. This is due to his efforts at training
- Jonathon** Jonathon found his calling as a midfielder, who doesn't mind having a bit of a go. Keep up the great effort
- Alex** Enjoyed his role as midfielder, and also helped as goal keeper
- Stevan** Very good defender who frustrated the opposition, as well as great in goals.

Guildford McCredie Uniting Soccer Club – 2004 Annual Report

Always stayed in position. Will miss him next year, & wish all the best

Phil A new defender who tries hard and should do well in future.

Charbel Even though he missed half the season, he returned to help plug the gap we had with player shortages. Is a bit quiet, but always has a go

Ricky & Miki With more experience will be good players

We also would like to thank the parents who helped at training & during games when needed, this includes the enthusiasm showed on the sidelines as well as getting the grounds ready. See you all next year!

Coach: Sam “the Man” Eid

Super Manager: Peter Dunbar

Under 10 Team Report

From a coaching point of view I believe we had a very successful and enjoyable season. We played in a big and challenging competition pool and though we did not win any trophies we did finish 4th and qualified for the Presidents Cup.

We had a squad of players that not only played to enjoy themselves but also played for the benefit of their team mates. As a coach I believe that the main reason we had such a successful season can be viewed in how our players coped with the pressure. We had a tough season overall and the last few matches we had to play some tough teams. If we had not put in some determined efforts we could have easily dropped a few positions. The efforts of the team as a whole especially for the last two matches was phenomenal. Class efforts by all involved.

Finally, one of the main reasons we all enjoyed our season together is due to the efforts of Margaret and Miro, our managers. They have been a great help organising both the kids and the parents. They have both committed time and effort, above and beyond, to keep everything running smoothly over the last 3 years. We are all going to miss them as they are moving to Queensland next year. It has been a pleasure to know them and we will be sorry to see them go. We wish them the best and offer our sincere thanks.

The Players:

JUSTIN – His ability to read the game is an indicator of his maturity. As the sweeper he had a pivotal role in our team and he handled the responsibility with apparent ease. When we asked for a miracle with the opposition attacking, Justin was our answer.

DENIZ – Our passionate left back. Due to his natural enthusiasm to get the ball he was constantly harassing the opposition and his energy was an inspiration to the team throughout the season. When he focused he was also the starring player of many of our encounters.

HAYDEN – Our cool right back. In contrast to Deniz, Hayden’s approach was all about safety. He preferred to jockey his opponent until the opportune time and then would execute a perfectly timed tackle. He was always steady and efficient. Unfortunately, an injury late in the season took him out for a few matches but he made it back just in time for the last crucial games.

ELOY – Our centre back. Throughout the season he was our number one tackler. In one memorable match he tackled his first player on half way, took the ball off him, knocked it forward and chased it. Next player, same story. In total he tackled his way through 6 players and crossed it in from next to their corner flag. When we had a tough job Eloy always took care of it.

MOHOMMAD G – Our utility back and a strong defensive midfielder. He allowed us the flexibility in the backs without weakening them. Throughout the year he has grown as a player. His willingness to step up to a challenge was great. One of the most memorial moments this year was when he was sole defender when he tried to find an equaliser in the 6-a-side comp. This left us open to a quick counter but every time they tried - he crushed them.

MOUSTAFA – New player whose willingness to step up to a challenge was great. After a few matches he settled in and became a good steady player. In the second half of the season he was a regular as our left midfielder.

DHANUSHAN – Our right midfielder. His strong runs down the right were one of our few attacking successes. Great to coach, steady, reliable and his willingness to help out the team was always evident.

MUSHTABA – Another new player who has being a solid part of the team. Great skill, control, and a good understanding of the game. Once he gains some more game experience and confidence I expect him to be our best and fairest for next year.

MOHAMMOD – A good team player whose determination in midfield was great throughout the season. On a few memorable matches where he even managed to equal Eloy with his constant tackling. Great effort.

BENJAMIN – A solid player who joined the team this year. After playing well in a few positions he showed that he preferred to be goalkeeper. This was great as the team usually rotated the position. Unfortunately he was sick for the latter half of the season.

NATHAN – Another new player who took a bit to settle in. On his day the opposition had a tough job to get past him in midfield due to his energy and determination. He showed us this focus on a number of memorable occasions.

JOHN – A good player who shows glimpses of something more. In every game we have played, John has dominated at some point. He manages to position himself well, execute a good tackle and lead a very promising counter attack. Unfortunately, his last touch needs to improve. He created more opportunities throughout the season than any other player and deserved to get a few more goals to his name. A great team player who was always willing to help out, including a breathtaking goalkeeper penalty save against our rivals denying them a literally last second victory.

ABDUL – A great attacking midfielder and striker. Has some of the best dribbling skills on the team and when he has a bit space he can really slot them away. Number one goal scorer for the team and a great goalkeeper as well.

ETHAN – Our striker. Had a difficult job up front but always stood up to the challenge. Since we played with only one main striker he was always outnumbered and usually alone. It was a tough season for him and he took a few tough tackles from the opposition when they couldn't get the ball off him. In the last few 'crunch' matches he played brilliantly.

Philip Rafter
Coach

Under 11 Red Team Report

Was 2004 a year to remember or not? Well if you count a year that includes Competition Premiers, 6-A-Side Winners, Knock-Out Winners and President's Cup Winners as special then it sure was a year to remember. We have defended all our rightly deserved titles again. As coach of this team for the last 4 years I am so proud of what these boys have achieved. There were a few scares in the season and some close results but we always played to the last minute and never gave up and came out victorious in every game. The last game these boys have lost or even drawn was in 2002. For two straight years this team has won every game they have played. We have won 41 games in a row since we last lost in 2002. To coach a team that has won 41 straight games I am speechless and take my hat off to this performance. The boys have achieved this because they love to play and are hungry to win. Even against the weak teams we still play our game no matter who the opponents are. The amount of team work there is and unselfish play was great to watch and very entertaining. When the boys started spreading the ball and finding open players, teams didn't know what to do. You get some teams that rely on just a few but that isn't the case for the Reds as all 13 players are superstars.

This year the results were:

League – 17 Games, 17 Wins, 94 Goals For and 3 Against

Knock Out – 4 Games, 4 Wins, 16 Goals For and 2 Against

President's Cup – 2 Games, 2 Wins, 5 Goals For and 1 Against

Total – 23 Games, 23 Wins, 115 Goals For 6 Against

What great statistics we have. The defence only surrendered 6 goals in 23 games. A fantastic achievement. **Dale**, our goalkeeper was often bored but when called up he did his job helping to keep the oppositions to just six (Dale's penalty save was a highlight). But Dale wasn't just keeper he played on the field as well and got 3 goals this year.

Of the fullbacks **Dharshan** was rock stolid in the middle of defence and everyone feared him. **Nathan** was next to him and also was great with his big kicks, always chasing down opponents. **Emilio** was outstanding at right fullback defying his size to tackle everything. **Kyle** did his job at left full back, he was so strong there and no one wanted to go that side on the field because he was hard to beat. It's also good to see that Kyle helps the midfield as well, often creeping forward.

The Midfielders ran the show. They say if you win the midfield you win the game. So from the results I guess it's safe to say we won the midfield. At right midfield **Joe** was there running and setting up a lot of goals and scoring 9 himself. It took huge courage for his performance at the President's Cup as he was as sick as a dog but his efforts changed the game. **Steven** played a more defensive midfield role because he was so strong and always won that ball and was the most improved player from last year. **Anthony** improved a lot from last year and got more involved in the game which is a great sign. Anthony also played as goalkeeper on occasions. **Cihan** was a pretty smart player with great skills and an eye for goal he scored 9 goals and then went overseas and missed the end part of the season. **Nabil** played left midfield, a new position for him which saw him set up a lot of goals and score 14 himself. **Amarvir** played everywhere. His position was attacking midfield and he scored some of the best goals you will ever see, great free kicks and corners and some long distance shots. Amarvir was also a great captain scoring 19 goals this year. **Thomas** played first at right midfield then striker. Thomas played with his head always looking for a pass and when shooting he didn't just hit the ball he looked for placement scored 14 goals forming a great partnership up front with Wahid. **Wahid** scored 46 goals in 23 games. He has a great eye for goal. If Wahid gets the ball in the box he is all over the place and scores most of the time. Wahid also set up many goals for others.

I would like to congratulate the Under 11's Red for their performances this year, they played wonderful football and I'm so proud and happy to say I'm the coach of this team.

I would also like to say a big thank you to Lana Borg, the Manager, for everything that she has done this year. We couldn't have done this without you. It is fantastic to have a manager who takes control of everything, allowing me to concentrate on coaching.

A special thankyou to the work done by Lana in planning the trip to Queensland for the team and to Margaret for all her assistance. The amount of time, effort and money these two have contributed is unbelievable and most appreciated.

Thank you to all family and friends for everything this year I hope you enjoyed the football the boys played. I hope everyone comes back next year so we can have another special year to remember.

Coach – Borce (Bobby) Sugarevski

Under 11 Black Team Report

Having only three players who had played for the club in previous seasons I didn't know what to expect with such a new team in a strong age group. The individual skills of players who had never played before was impressive. We were competitive in just about every game we played and gave a couple of the top teams a few scares. The team consisted of:

Athavan – his first season saw him learn a lot and become an important member of the midfield making some important tackles.

Bilal – didn't play as many games as he would've liked but was always at training supporting the rest of the team.

Billy – playing as centre forward you could be mistaken to think he played in the midfield as he would always drop back and help out.

George – became an integral part of our defence at sweeper with his clearing kicks and telling tackles.

Hiramaia – playing right full back was able to put the ball out for throw-ins relieving the pressure and allowing the other players to get back and help out.

Joannee – another strong defender, playing as our central back she was able to make a lot of tackles and clearing kicks to relieve the pressure.

Joseph – showed the difference a year's experience can have, by scoring the first and his first goal of the season. He then continued to have a strong season in the midfield.

Karitua – playing left full back he was required to make a lot of tackles and clearing kicks, able to make valuable metres and relieve pressure with one clean strike of the ball.

Mustafa – our main playmaker, if he wasn't scoring goals he was setting them up for other team mates, able to run rings around the opposition and leave them behind with his pace.

Robbie – our goalkeeper who had a never say die attitude, even when he was injured in a hard tackle he would not come off. A great team player.

Sarkis – unlucky not to score more goals as our striker, often running with or giving the last pass to Mustafa before he scored. When he did score they were always at important stages of the match.

Matina – she could run all day in the midfield if the game went that long, often able to run down an opposing attacker when the others couldn't.

Terry – could play anywhere on the field, started at the backs, filled in up the front and finished the season in the midfield. A player who would not give up no matter what the score.

Being our first year we were inexperienced and it took a little while for us to find our feet. However with a years experience behind them they will be a lot stronger team next year and I hope they all come back and stay together.

Coach: Ian Warwick

Under 12 Team Report

2004 proved to be a very interesting year for the McCredie Under 12s. The season saw the arrival of a swag of new players, a new coach and a new manager.

Last year half of the boys played in the under 11s but their team mates this year had the opportunity to play in their own age group (under 11s again). This meant they needed some new mates and it was Tevin, Paul, Tony, Francisco, Mahmoud, Tolga and Fadel to the rescue! Ian also stayed to coach the under 11 blacks so Kojo, who last year coached the Under 15s, generously offered to help out. Everything was fitting into place. The boys backing up from 2003 were Sam (his fifth year!), Dia, Patrick, Antoine, Pierre and Ayman.

The season started for us with a forfeit! With holidays straight after it took a while for us to get on our way. During the year we had some ups and some downs but the boys' enthusiasm for the game was evident throughout the season. At training each week the guys gathered around the coach to hear the pearls of wisdom and even though some boys thought they knew better (they are twelve after all!), the coach was pretty pleased with how cooperative and interested the team was. Our final game was a magnificent 7 – 1 win and it was a terrific way for a developing team, to remember their first season together by.

A special thankyou to Amele for all her efforts as the team manager and to Mark Narain for stepping in and helping out when required.

It is very much hoped that all the boys will play Under 13s next year and try and repeat this year's 13s efforts! This team is developing quickly and it will be fascinating to see how they come on next year. This year's results were really quite special when it is realised how many of the boys were new to soccer. Well done and see you all next year.

Under 13 Team Report

What a tremendous season we have had this year. After 5 years of trying, the boys conquered all before them this year to win all four trophies on offer: the Saturday competition, the knockout, the six a side (where our boys finished first and second) and the President's Cup.

The Players:

Ahmad Saraya: Ahmad is at home anywhere on the field and whilst he prefers to attack, he plays in defence very well and does not complain. Ahmad is deceptively quick and his strong tackling style makes him an intimidating opponent. His goal against Carlingford in the opening round was very important. In the end it actually won us the comp.

Ahmed Abdul Hamid: Ahmed returned to us this year after a couple of seasons away. Ahmed became the club's highest goal scorer in a single season on the full field with in excess of 70 goals. Ahmed has an ability to manufacture goals from some unlikely positions and made us a very potent attacking force this year.

Caner Temel: Year in year out Caner continues to be at the core of our team's strength. Caner partnered Ahmed up front, is always first to training, never misses a game, never says a bad word about anybody and as long as you don't ask him not to cut corners at training, is 100% cooperative. Caner bagged his own share of goals but the real story is the number of goals he helped Ahmed to score by giving him the ball at the right time.

Cem Tekirdag: Like Caner, Ahmed and Patrick, Cem has been with the side for our full journey from under 8 cellar dwellers to where we are now. Cem is clinical in front of goal, but had limited opportunities this year. Cem is also an aggressive tackler and wins a lot of ball in midfield.

Dylan Trevor: One of our two new boys this season, Dylan slotted into the side easily. Dylan proved himself to be a very powerful midfielder. His most spectacular moment came when he potted a 40 metre goal against poor old Rouse Hill, but his goal against Carlingford 14s was a very classy effort as he slid from the midfield through their defence and neatly potted it inside the near post.

John Ghabach: Over the years John has developed his defensive skills tremendously. John is fast and tackles hard but his greatest skill is in being able to pressure an opposing striker, waiting for the precise moment to pounce and stealing the ball. John is calm under pressure and is a player that improves with every season.

John Paul Ghabach: Paully's finest games were in the latter part of the season when the team found themselves under some pressure. It says something about a player who really steps up when things get hard. John Paul has developed his ball control and passing game and 'nips in' at times when the opposition least expect, to win us back the ball and set up another attack.

Nawab Rezagee: Nawab was our other new player this season and he continued to improve throughout the year. Nawab played mostly in defence where his speed and physical presence made him a very imposing proposition for opposition forwards. In our second last game, with Ahmed sick and us needing to win, Nawab was the 'go to' man. Never having played up front before, we took the gamble and Nawab did not let us down, scoring a very nice goal.

Patrick Ajnas: Patrick is not the team's fastest, nor most skilful, nor best shot. But he does have the best soccer head, steps up for the big games, leads the other guys and sticks to the game plan. Patrick plays central midfield and when the ball comes to his feet you can be confident it will next be kicked by a McCredie player and that player will be in a good position. By the way he does provide the odd special moment, like his drive to score the winning six a side goal in our opening round.

Rabur Abdula: Rabur has very silky ball skills and has made the left half position his very own. The trick is to get our guys to give Rabur more ball. Unfortunately our side beat some teams a little too easily by just going straight through the middle, but we look our best when we spread the ball wide and get Rabur into the play. Rabur also managed this season to break his goal drought and unlike the rain once he started they kept coming.

Guildford McCredie Uniting Soccer Club – 2004 Annual Report

Steven Ghadieh: Fast, strong and not at all timid, Steven is a powerful defender. Steven's partnership with Toufic in the central defence is one of our side's greatest strengths. Steven had a few more opportunities this year to push forward and get involved in attacks and more than one goalkeeper was surprised to find a ball flying through the air at them, fast and from distance.

Tim Uzelakcil: Tim has become a very fine goalkeeper indeed. Tim is very safe under the high ball and bravely comes out at attackers when they break through. Tim's finest moments of the year were in two spectacular saves in the President's Cup final. One was all courage coming out and copping a knock to the head for his trouble. The other was a reflex save with his foot off the line – magnificent. When he gets to have a run he also always seems to bag a goal.

Toufic Haddad: Toufic must be our most gifted tackler. Toufic appears not to be super quick and yet attackers rarely get around him and if they do, he seems to always catch them again. Toufic also seems to dispossess opponents very neatly, such that he then has control of the ball. Toufic does not just kick the ball away or out, we are regularly able to turn defence into attack when Toufic has tackled an opponent.

Vaashnal Chand: One day at training we decided to have some races, to see who really is the quickest. Vaashnal's speed not only surprised his team mates and coach, but also himself. From this day it really seemed that Vaashnal played with a lot of confidence. Vaashnal played his best soccer at right half where his speed allowed him to press forward on the break down the wing. Vaashnal also filled in admirably in defence on many occasions.

I would like to thank Meral for her efforts in managing the team, your help is much appreciated. I would also like to thank all the parents for your support of your boys. We have always boasted good 'crowds' at our matches and this season was good as usual. Again I really hope that all these boys return next year where we will have the new experience of being defending champions!

Well done guys, see you next year.

Under 14 Team Report

This was a season with a difference for our boys. Insufficient under 14 teams saw us transferred to the under 15 competition, but as an under 14 team still playing in the under 14 competition. If that all makes sense to you then you understand the odd situation we found ourselves in. However, this did not stop this great team from continuing to play some class football and going through the season with only one loss – although the large number of drawn games showed we did not have it all our own way. We did dominate the under 14 competition, such as it was, by winning the knockout competition and President's Cup convincingly and in the six a side we were both champions and runners up as we entered two very successful teams.

In the under 15 competition we finished second on the ladder. Initially our boys had some minor problems adjusting to this much rougher level of play and were often shoved off the ball and bluffed by the body contact efforts of some teams. Our boys however, toughed it out, coped and finally conquered. We played some exciting and enjoyable games, with some surprising results. Of note was our 2-2 draw with with the competition winners in the only matched we played them. Thankyou to Ahmed Abdul Hamid for coaching the team until Marco Olmos took over. Thankyou to Marco for his great efforts as a successful coach.

Now let's look at the players.

Bassam – One of the team's original players, he has confirmed his position as a striker of class with plenty of speed and a flashing left foot scoring shot. Sometimes bagging multiple goals Bassam is a key player and when he is firing the games are ours.

Cihan - Enjoying his fifth year with us his directing role in the forward line plus his ball skills, have made him a valuable player. Cihan may not be as fast as he has been but hbe remains a very important part of our game winning strategy.

Edmond (Eddy) – A determined player who has shown good game sense and an ability to play both attack and defence. He calmly takes on the opposition and controls the ball well, his passing is always of a high standard and he often sets the forwards streaming towards goal.

Haissam – Our youngest player, he had the most difficult job in adjusting to the higher age competition. This did not stop Haissam who showed good ball control, attacking ability and defensive play. It was enjoyable seeing him successfully tackle charging forwards much bigger than himself. He also showed himself to be a fine stand-in keeper.

Hassan – One of our new members this year, and what a find! Hassan was dominant in the back line throughout the season, stopping all manner of attacking moves from our opponents. His passing out of defence to our running forwards was a key factor in our team's success. To complete the picture he managed to stroll forward and score a number of important goals. A most valuable player who gave his all in every game.

Jawad – Another of our newcomers, Jawad played a solid defensive role, continually blocking the opposition's moves forward. Like Haissam he did not back away from much bigger opponents and proved a valuable member of the team.

Jaweed – Also a newcomer of great value, he demonstrated an attitude of never giving in, keeping at his opponents like a terrier in defence. He showed good speed and ball control, often breaking up attacks. Jaweed is a fine defender and a strong part of our wonderful defence.

Joey – Mainly playing as keeper he has made this role very much his own, with many good saves. It is a tough job being the last line of defence when the opposition is storming at you, but Joey keeps his cool and makes those critical judgements of when to approach and dive at the ball with skill.

Jonathan – Another member of the fine defensive line-up, Jonathon's speed and determination saw him achieve some great results often being one of the standout performers in the game. He is a great team man, has a good sense of the game and plays fair and hard, never giving in.

Kiril – A strong solid defender with a powerful kick he often converts the opposition's attacking moves into forward moves for our team. In conjunction with Rhys he forms part of a formidable defensive line. It is small wonder that we had so few goals scored against us with this man in the backline.

Nathan – In his sixth year with the club, tall, fast and inspiring, Nathan was the key to many of our attacking moves, with teams at a loss of how to stop him tearing forward to score. He also showed unselfishness in passing the ball to players in better positions thus improving the team's chances. A valuable forward who is able to quickly drop back into defence when required.

Rhys – What a defender! His steadying influence is a valuable component of the team's defence, when so often he breaks the forward impetus of opposing teams with calm, solid play in blocking the ball and clearing it either to the side or down field. He often rated as one of the best players on the ground.

Romy – A very active member of the team he keeps up with the play all the time, featuring in both defensive positions and in attack (how does that offside rule work?). Romy played a great link position in the team by dashing back into defence when the team was under pressure and forging forward with the attack when we moved forward.

Errol Henderson
Manager

Under 15 Red Team Report

This has been one of the most rewarding and exciting seasons as coach and manager. We had three new players joining our team and two of our long-time players leaving part way through the season. This did not deter our team, we had our “ups” and “downs” but they stuck together and it paid off. The red team won the six-a-side and we were runners up in the President’s Cup after making it there by one point. The highlight of the season was George’s goal scored from the halfway against Lidcombe. The most memorable game was the President’s Cup against St Columbus – with the score at one all at fulltime we went into extra time. After the first ten minutes the score hadn’t changed, then eight and a half nail biting minutes later St Columbus scored. Both teams have to be congratulated for their fantastic sportsmanship.

The Players

Abbos Ahmedov - He was a new player to our team and to team soccer. Abbos soon proved to be a valuable member of our team, using his “head” on many occasions.

Erdem Bolat - This was his fourth season with us. He played an important part in the forwards with his excellent ball skills.

Fernando Sanchez - This was his third season with us. He was part of an incredible backline able to run down and spoil many opposition goal attempts. Fernando’s kicking improved dramatically this year.

George Azzi - This was his third season and a magnificent one at that. George has shown outstanding teamwork. He was needed in the backline and was always a willing team player. His improved kicking skills saw him score “that” goal from halfway.

Howkar Talabani - This was his second season with us and he was a valuable front line player. He consistently scored a number of goals this year.

James Andruczyk - This was his first season with us. James joined our team after the trial games and quickly proved to be a valuable member of our team scoring two goals in the first game.

Jasvinn Singh - This was his sixth season with us. Jasvinn was Captain and the centre point of Red’s attacking. His constant effort and ability has earned him the respect of all the team.

John Zhou - This was his second season with us. John gave 100% every game. His speed, teamwork and sportsmanship was second to none.

Remzi Temel - This was his third season with us. Being a team player and giving 100% Remzi proved himself to be a valuable player.

Steve Yildirim - This was his first season with us. He was one of our “gutsiest” players always giving everything even when injured and coming back stronger than ever.

Toni Strasshofer - This was her fourth season with us. Toni was a valuable member of our team and we were all disappointed when she was unable to complete the season.

Guildford McCredie Uniting Soccer Club – 2004 Annual Report

Wayne French - This was his sixth year with us and played goalkeeper again this year. With his concentration and determination under pressure Wayne consistently made what looked to be an impossible save in goals a save.

Yusuf Temel - This was his third consecutive season with us. Yusuf played strongly on the left wing with great crosses adding strength to our team; he also played in defence when needed. His enthusiasm regularly inspired the team.

On behalf of Robert and myself I would like to thank the parents and family members who have supported the team this year and look forward to seeing you next season.

Robert French
Coach

Helen French
Manager

Under 15 White Team Report

We had eight original players from last year. James McManus, Maher Gergie, Ozhin Salih, Richard Fares, Rocky Naing, Roger Wehbe, Waleed Wehbe and Vano Rafik. Four new players joined us at the beginning of the season. David Burrows, Tarik Cetin, Scott Dibley and Nayan Kumar.

We started out strongly at the beginning of the season. Only losing one nil to the runners up of last year. We then followed with two wins and one draw. After that we went into a slight slump losing two straight matches. Then, due to the boys determination and effort achieved two wins. Our ninth match was a loss. At that time, which was around the middle of June we had two new talented additional members to the team. Ajmeer Kakall and Josh Bouffier. By that time it was the middle of the season and the second round matches were about to begin.

We beat the last year's runners up in an exciting game of soccer. After which followed the biggest win we ever had, a six nil thumping. Even though our team was finding form and developing we lost the next game, which was against a brilliant younger brother side. Towards the end of the season we had four wins and one loss. The loss, was a very marginal loss against the league leaders, only losing two goals to one by a last minute goal. To sum up the whole year the boys had ten wins, one draw and six losses.

We managed to enter one team for the six-a side competition and finished runners up in the tournament. The boys were unfortunate in the knock-out tournament, being knocked out in the very first game.

The team consisted of:

Waleed Wehbe – Our great Keeper. A talented lad with lots of potential. He lost his cool midway through the season. But, regained his confidence by sheer determination. He is a natural goal-keeper always listening to the instructions of the coach.

Maher Gergie – The tiny right back. A tremendous little player, who is the youngest in the team. No matter how big the opposition is, he is there to challenge him and disrupt the attack. Links up well with the midfield and saved us plenty of goals.

Tarik Cetin – Our most relied upon sweeper. Fast, strong and fearless are the basis of his talents. A tough lad who always looks out for his teammates. Everybody looks up to him as a friend and brother. Kept the attackers at bay and cleared everything that gets in his way.

James McManus – The big stopper. Linking up with Tarik held the defence together. Another strong player with a big kick. Loves attacking as well as defending. He is full of energy and will never shy away from a tackle. A dependable member of the squad.

Roger Wehbe - The speedy left back. Roger has made great improvement in his soccer skills. He has come to understand how to play his position. He has grown in confidence and is a strong runner, who would run all over the field.

David Burrows – The quiet right mid. David scored some marvellous goals in the beginning of the season. Linked well with the strikers. He possesses a great shot at goal. Had trouble with his leg during the middle of the season and struggled with it for the remaining. But, never did he miss training.

Sharma Hasan – The new inside mid. Blended well into the team. Improved with each game played. Scored a fantastic scorching long range shot from out side the box. Sharma held the midfield well and was a great support for both the defence and attack.

Ajmeer Kakall – The light foot inside mid. A late member, who provided immediate impact on the strength of the team. He has wonderful ball control. Not only does he set up great attacks but also a great finisher as well. Plays all over the field and has strong team spirit.

Guildford McCredie Uniting Soccer Club – 2004 Annual Report

Ozhin Salih – The talkative left mid. Ozhin is another player who has made noticeable improvement in his soccer. This year he is controlling the ball much better. Gained more confidence and even started scoring solo run goals. He loves to attack.

Richard Fares – The toddler right back and wing. The causer of frustration and disarray for the opposition. Because of his size, he is often left unconcerned. Wait until he gets the ball, he will take you on put through beautiful passes and even collect great goals. Last year’s experience had provided Richard great enthusiasm and talent.

Scott Dibley – The star striker. Scott joined the team at the very beginning to the season. The highest scorer of goals and the neatest finisher of them. Scott had provided some wonderful goals for the team. Not only does he get them, he has the ability to create them as well. He does not say much but just goes ahead and proves his skills. A natural striker.

Rocky Naing – The creator striker. A veteran of last year, who has a desire to do well. The level of Rocky’s ball control and understanding of the game is increasing with each match. He likes to take on players and set up goals for his mates. Next to Scott he has the second most goals in the squad.

Josh Bouffier - The enforcer left back and mid. Josh and Ajmeer became members of the team at the same time in the mid season. He was a little shy at first but once he got to know the mates he stuck right in. His confidence grew together with his skill towards the end of the season. He provided great balls to the midfield and strikers. If given more time he would be putting away goals too.

Vano Rafik – The small link. Another small player who never hesitates to tackle. Most of his games were played as a dependable back. Always there when needed. Never lets the team down. Performs his duty to the best of ability. Never hesitates to play in any position.

Nayan Kumar - The dependable. The best thing about Nayan is like Vano, he is always there for the team. His team sprit is unbelievable. He is a strong defending player who likes to get up field and help out there too.

Moose Canli – The big coach. The big man with the big spirit. Through his guidance and strict training the boys have become a team. They have gained experience and knowledge. They have bonded and become to respect one another. By giving up his own time and money he has taught the boys not only the skills of soccer but the values of life as well. We all had a lot of fun and a great season.

RESERVE GRADE

Raf Arsenian	Musa Canli	Ozkan Dincer
Warren Haines	Toby Jones	Steven Lees
Dennis Michelin	Ashley Mulcahy	Tony Ounpraseuth
Adonis Raya	Joshua Tam	Greg Wark
Steve Wark	Joe Yildirim	Musa Yildirim

This year we welcomed nine new players to the team. As expected we took time to gel, losing seven of our first ten games. Once the team clicked we won six and drew one of our last eight games, making it to the semi finals. We won the semi final convincingly. The final against St Patricks was a very close game that we lost 1 – 0. When you consider that St Patricks won the grand final 3 – 0, our boys can hold their heads high and have great expectations for the future.

We had a sprinkling of youth and experience this year that helped the team through some very close encounters with the younger boys running all day and the experienced players doing the directing.

I would personally like to congratulate Warren and Joshua for their great improvement during the season, particularly as they came on as reserves in many of the games. The experienced players, Big Musa, Little Musa, Joe, Greg, Steve, Dennis and Raf were great in on field praise and direction of our younger players Danny, Ashley, Joshua, Toby, Tony and Warren. Unfortunately Ozkan suffered a foot injury early in the season and missed most of the second half of the round. Our original goalkeeper only played in five games and Iain from first grade put up his hand as custodian for the balance of the games. Iain did an exceptional job and played a major role in our efforts to reach the final.

I would like to say that it has been a pleasure to manage this team. Everything asked of the players was carried out in a positive manner and we had a happy united team at all times.

Finally I would like to thank all the first grade players who backed up for reserve grade when required and who ran the line for the games, Ian, Iain, Matthew D, Enrico, Michael, Peter, Big John and Darryl.

I hope all players have a great summer and come back next year to fulfil the great potential that this team holds.

John Houlford - Manager

First Grade

Kari Bergsson	Sindri Bergsson	Enrico Buonanova

Darryl Verity	Matthew Verity	Stephen Verity

Ian Warwick

Season 2004 was fantastic and above all most enjoyable. It was most rewarding and satisfying coaching a champion team with big hearts. 100% commitment was given by each player every game and as a result of this commitment, we finished the season as minor premiers and grand finalists. All games were exciting and entertaining to watch. Our defence led by Adam kept goals against us to a minimum. Ad's long legs and size 16 boots played havoc with the oppositions attack. Adam's job was made easy with both Ian & Iain in support. Both covered well in defence as well as contributing in setting up and being involved in attack. Kari and Sindri controlled the midfield with skill and with a high work rate. An unfortunate broken wrist to Kari during the season saw him miss a few games. It was good to have Kari back for the grand final. Sindri being the youngest in the team played with great maturity whilst his older brother recovered from the break. New player Enrico was another tireless worker in the middle who never gave up (a bit like the energizer battery man). It was pleasing to see big John (the barman) come back from a long suspension. During his time off, John played league, which saw him loose weight and gain fitness. John was one of our biggest improvers from last season. Up front little Hesh added excitement with his long runs to-wards goal. He was also our leading goal scorer. Stevo played consistently well all year. He created many goal opportunities as well as scoring some very impressive goals himself. It was good to see Stevo go through the season without the recurring knee problems of last year. Our left winger/utility player Matt D as always played strongly throughout the second half of the season, considering he missed first half of the season recovering from a broken collarbone. He is a quite achiever with a deadly left foot and speed to burn. Leading the team was veteran Matty V always playing it tough but fair and giving good advice and giving directions to all. The team would not be complete with one of the hardest positions to fill, which is the 'keeper'. Darryl (Dags) filled that position throughout the season. Darryl entertained the players, referees and supporters both on and off the field. Appreciation must also be given to our reserve grade players Little Musa, Joe, Ashley, Raf and Greg for backing up on a number of occasions when we were players short.

Thanks to my right hand man John for his management of the team and Barbara for shirt washing and assistance to John. A thank you to the club for allowing the boys to play together as a team. Our success this year will see us promoted to a higher grade for season 2005. Most players in our team are 20 years of age or under and are yet to reach their peak. If we can stay together as a team, in the years to come I am sure we will continue to be successful.

Have a good summer and see you all again in January for another go.

Peter Hession - Coach

Premier League Report

This season was our club's first appearance in Premier League after being minor premiers in the Raahauge Cup First Division in season 2003. Whilst the squad, on paper was similar to last year's side, our results in a much stronger competition were not nearly as good.

The reserve grade team started the season strongly recording a number of early victories. As the competition settled however, and first grade found themselves really struggling, reserve grade too found it difficult to maintain momentum. Bobby scored a number of goals this year and Tito was as ever reliable in the central midfield. The team welcomed new players Jose Quiroga who gave the side additional punch up front, Metin who played an enforcer role in the midfield and Jorge and John. Rohit and Gaven returned to the side after a year away and brought with them experience and Ebrahim continued to develop as a dangerous player out wide capable of creating something from nothing. The backs included the ever reliable Scuba and Ricardo, and Shamil who graduated this season from the juniors into senior soccer. Shamil's pace and ball skills and ever improving positional play will see him develop into a powerful first grader in the seasons to come. We are very lucky to have him with us.

First grade unfortunately never really gave themselves a real chance. We did not once put our top eleven players into the field, although we went close in some of the night games (more about those later). Pece headed overseas after just 6 matches meaning our goal scoring capabilities were severely compromised. Hakki returned from overseas after missing 5 of the first six, meaning our goal keeping capabilities were stretched, add to this Tim (goal keeper no. 2) breaking his arm in his first match and we were off to a rough start.

Even so for most games we competed well for 70 minutes, sometimes the first 70 and sometimes the last, but lacked that edge to go on with matches. It certainly wasn't fitness, as on more than one occasion we came home like a train only to have given them a 2, 3 or 4 goal start.

Up front we never really replaced Pece but Raphael, Titus and Jose Q. did their best in often difficult situations. The midfield was held together by Moises, Carlos and Jameel who had an outstanding year. Jameel rarely made mistakes, played every match, ran the line for reserve grade and on occasions kept goals for the reserves. Eleven Jameels and I'd be typing about our great semifinal effort in Premier League! Defence was Phil Rafter and his invitational three. Phil Chan regularly moved from the halves to the backs to help out, Marco played at stopper and also had a strong season in his first for McCredie and Sachin played as a defender until also being lured overseas (cheap airfares this year?).

In the State Cup the team seemed to have a commitment level they couldn't find for the Saturday matches and we fielded strong teams throughout the competition. It is no surprise then that we made it to the semifinal before the eventual Premier League and State Cup champions, Telopea, knocked us out.

Unfortunately this year we will say goodbye to Phil Chan who was one of our foundation members in 1999. I have a huge regret not having been able to play with Phil this year, having played with him before McCredie was born and up until last season. Phil will be returning to Hong Kong to take over his father's business and we wish the absolute best for his future. I know he will read this because I know he will regularly check the website to follow our progress!

I would particularly like to thank Phil Rafter for his assistance in managing the team. I was often not at matches and never at reserve grade and the task of organising things was

often left to Scuba or Bobby, but almost always Phil. This in a year where Phil particularly asked if he could step back. It is very much hoped that the efforts these guys put in this year have not worn them out, because guys like these are irreplaceable. Carlos too helped out by contacting guys, getting messages through and getting guys to the games.

Again thanks to our Associate refs Scuba, Phil, Bobby, Tito and Jameel. In this competition it is a requirement that each squad provide qualified referees to act as linesmen. It is not easy to find people willing to sit the exam and take on the responsibility on Saturdays.

We had far too many guys this year that did not take the commitment of joining this team and our club seriously. This is not meaning guys who took overseas trips, it means guys who just didn't turn up. There's only one thing more annoying than someone who doesn't show up and that's someone who does turn up after missing games without explanation and then complains about team selection or their position or the phase of the moon. They simply aren't welcome in 2005. I sincerely look forward to seeing all the guys mentioned in this report back next year. The plan is to have a much more enjoyable season and to see this transfer into onfield results. The season following our last disappointing year saw us finish minor premiers!
