A strong first half attacking game with a few quick goals by Fred Ishac and Fred Bou Francis. Second half started slow but eventually saw the boys ran away with the game and scored 5 more goals from Zion, Fred Ishac and Trejon. Keep up the unbeaten run boys. Well done!

U8 vs St Bernadettes Castle Hill L 0 - 2

Playing St. Bernadettes today was not an easy mach. But we managed to play positions, keep the ball midfield in the 1st half. The opposition was fired up with a few strong players. We managed to keep a 0-0 draw ending the first half. Well done to all players, especially midfielders. Second half was a little tough to play, the field somewhat looked bigger! Even tough we lost the game 0-2, the goalie Johnny and defender Tommy saved a fair few from going into the goals. Congratulations to the whole team for a very enjoyable game. Stay tune for the man of the mach and most improved player.

U9 WHITE vs OLQP Falcons Q 2 - 1

We needed to win this week to keep our title hopes alive and we managed to beat a very determined Falcons outfit. We started well with some great passing and running resulting in a very good goal from Arbin. Our opposition struck back immediately with a brilliant goal so we dug in. Brandon playing out of position at right back played really well and John, Todd and Pete chased and tackled hard in midfield. Cameron pinched the lead back just before half time and it was end to end in in the second half we couldn't beat the defence. 3 more points to us keep us right in it Brandon player of match.

Goal Scorer – Arbin Zenelai 1, Cameron Hunt 1

St Bernadettes Castle Hill T

Last round we lost to this team, after today both teams were left wondering how. After last week's disappointment the boys came out today and played some great soccer. It was certainly a nice toss to win but the guys were good enough to take advantage of it. It was also very pleasing to see 4 different players on the scorers list as we tried some different combinations. And the goal;s were good quality too, coming at the end of some good passing or just blasted from distance like Peter's! Mohammed was great in goals, Gonzalo defended calmly and Keely had another good one. Players of the match were Kerem and Shayan who did nothing wrong, helped out in defence and attack and always looked to distribute the ball to players in better positions.

Goal scorers - Daniel Jabou 1, Peter Francis 1, Marty Woetai 1, Yasir Sungkar 1

U11 vs St Michaels Baulkham Hills S 0 - 1

Today the boys were stretched by a team that applied the pressure. The game ran from one end of the field to the other and St. Michaels broke through. The McCredie boys also had shots at St. Michaels' goal but no scores occurred. Our boys are looking forward to the next game against them as every time they meet the game is on. Good effort boys but St Michaels were just better today.

U12 vs Carlingford Uniting 3 – 0

Dhanushan opened the first half with a great goal. The boys pushed hard and James, our goal keeper, saved a few good shots from the opposition. Shaun finished off the first half with another good goal. Great effort in the second half from Jason, David and Jean Claude, with Hamed putting in a good goal. Goal scorers – Shaun Borg 1, Dhanushan Sriranjan 1, Hamed Sekandari 1

U13 vs Carlingford Uniting 13 2 - 1

We never really fired up but we still came away with the result. The backs played a good solid game after the early wake up and once Sundeer took up his usual position the opposition never looked like getting through. The few times they had a distant effort Mohammad Awad's goal kicks put us well into their half. Special mention to Deniz for having a great game and for keeping quiet. We believe if he focuses more on the soccer and stays silent he will continue to have man-of-the-match performances.

Goal Scorer - Mohammed Rahimi 2

U14 vs Carlingford Uniting 14 0 - 0

Another strong performance today based around defence and the boys working hard for each other. Robbie was again solid in goals and didn't let anything past. Dharshan, Kyle, Emilio and Abid kept their strikers at bay while Sunday and Hideki nearly scored the winner from a couple of breakaways. Keep it up boys. Man of the match Robbie.

7 players, what a game! Bill, Caner, Dylan Eluse, Kon, Luk, Toufic played what I think, was the best game of the season so far. Every one of them stepped up and played a brilliant game. We were one up in the first half. Thankfully Caner had a reasonably quiet first half in goals and then Luk took over in the second half when he did a couple of fantastic saves and I am sure saved the game. To the four boys who did not show up, very disappointing, you let your team down badly today.

From all reports this was the game of the year! Our boys had seven including one, who injured, went to watch. To win is a fantastic effort. Boys we have a squad of 13. To the four, Wol has a broken leg and Mohammed is in Turkey. What do you think is going to happen if you decide not to come? Goal scorer – Dylan Trevor 1

A great game to watch. We played well, we definitely had them on the ropes but it got away in the end. I'm proud of the effort because we played like a team. Well done.

This was not actually the result that we wanted! We started the game well with us having two very good attempts at goals, then Abbos finally scored which lifted our spirits, but it was very short lived with Wenty coming back with a very lucky goal thanks to the wind. Then in the second half some of us didn't play our positions and worried more about what everyone else was doing and Wenty scored again. Thanks again to all who helped us out today. Let's get it together next week cause we still may have a chance. Thanks for the support from some of the under 14s – it was most appreciated.

Considering we had half of the reserve grade playing for us, after they had already played their own game, we could not expect much. Those boys play so hard and try so much for 2 games, so in my eyes as coach they deserve praise for their efforts. For the first grade players that did show up thank you very much. I can only hope we do enough to make the semis. For those who have other commitments, stay away because you don't care what happens to the team. So guys it all comes down to the other results and I can only pray that we're there. Whatever happens lets go out and play for our club. It was a good game, good ref, no yellows, no reds and a good effort today. Thank to Wayne, Abbos, Rhys, Waleed and Roger for filling in.

This game could have gone either way. As it was both teams will have players at judiciary for what was, for all intents and purposes, a run around for two sides that will not be playing semis. Not smart. Nice goal from David.

We played so hard for so long against the second placed team in a game we needed to win. With a number of unavailable players and our striker heading to a wedding before half time, we dug deep and with 15 minutes to go it was still 0-0. We needed to score and made some positional changes which weakened our defence, but our season was on the line and we needed to win. We then had our second send off of the afternoon and all the planets were lining up for St Merkorious. Despite defending most of the game, the opposition's goal came from a breakaway which we couldn't run down. We then had a free kick hit the back of the net, only to have the ref disallow it as he called it indirect. Not our luckiest afternoon. Again St Merkorious broke and the game finished 0-2. Hats off to all the boys who worked so hard today in defence Phil C, Phil R, Marco, Booph, Dylan, Sam, James and Mirwais, and David who kept brilliantly.
