## A BIG THANK YOU

to everyone who made the photos such a success. Thanks to the managers and thanks to everyone who got there early, brought the right money and generally cooperated.

To the few who couldn't get it right. This is a team sport.

**There are no games this week for seniors. Therefore RC1 and under 17 training will go ahead with six a side practise (weather permitting)**

## Midweek A Grade Knockout results

**RC North FIRSTS** vs Columna 1 - 5

Broken toes, pulled hamstrings, groins and that's just a few of the problems we had for the game but we went out for a training run and Columna pumped us. Without Palmano, Pep and Luca we managed to hold them for the first half at 1 all but then the gates opened and they scored 5 screamers from outside the box. But if we had our keeper they would have been lucky to score 1. All the boys played well. UNLUCKY..... GUILDFORD Nice one Hussein.

Goal scorer – Hussein Jaffar 1

**RC 1 FIRSTS** vs St Matthews Baulkham Hills A 1 – 0 (extra time)

Great game, great finish Marco, great result. We dominated possession but getting into scoring positions was not happening. (It wasn't happening for them even worse). Extra time – Pece gets the ball midfield, spies the flying Caner down the right, but no, give it to the pedestrian, the old, the broken Marco down the left. Marco lumbers but gets there first (St Matts wheelchairs must have got bogged), he gets there first, beats one and finds himself in front and ... he sinks it. Golden goal – it's all over.

Goal scorer – Marco Olmos 1

## RESULTS from Saturday 31<sup>st</sup> May 2008

**U6 RED** vs OLOR/St Angelas Kellyville W 10 – 1

A wonderful game was played against Kellyville winning 10-1 at home. The one goal was a courtesy of McCredie sportsmanship.

Great game boys, keep it up and let's see how we go in the 6 a side comp. Man of the match was Joshua Elkerr.

Goal Scorers - Joe Azzi 6, Qais Sungkar 4

**U6 WHITE** vs OLQP Falcons 8 - 2

We started strongly today with Willy bagging a double and Arber finishing well for an early 3-0 lead. Altin and Tam tackled strongly as the Falcons lost their way and scored 2 own goals to help us to a 5-0 half time lead. The second half saw a change in the game but Jackson and Vitthegan worked hard and Jackson laid on a lovely pass for Milos to score. Falcons fought back with 2 good goals but Arber finished a nice move and Will got his hatrick to give us a good win. We are looking forward to the 6 a side next week. Man of the Match – Arber Goal scorers – Will List 3, Arber Zenelaj 2, own goals 2, Milos Mijatovic 1

**U7 RED** vs Newington Gunners 2 - 0

With only the fantastic five this week, they played hard, listened and did what was asked. Jordan had a great game in goals and was our man of the match. Goal scorer – Fred Bou Francis 2

**U7 WHITE** vs St Bernadettes Castle Hill 0 - 6

It was great to see a full team today at the match. The boys played well but we just need to improve our tactics on getting some goals through, but the boys are definately trying!! They are so determined. Man of the match went to Antoine, those kicks are awsome, keep up the good work Antoine!! Tameed is our most improved, he played the ball well in the first half and was excellent goalie in the second.

**U8** vs St Michaels Baulkham Hills P 0 - 2

Great work team. Really well done boys you all played exceptionally well & never gave up. We were unlucky to have 2 goals scored against us especially when we played so well. Some boys are still unsure of their positions & some boys have a really big kick on them & got the ball upto to our forwards. A lot less dribbling this week gave us more advantage & all the boys defended marvelously the huge kicks from Sanil kept the scores low & earned him Man of the Match. Christopher never gave up defending & had a lot more break through, earning Chris the encouragement award.

**U8 KNOCKOUT** vs St Michaels Baulkham Hills C won on forfeit

**U9** vs St Bernadettes Castle Hill 0 - 2

Much improved effort this morning, the boys worked really hard in defence to keep our opposition to just a couple. Kane, Lazar and Sarkis really shone in their efforts and the rest of the boys responded to their leadership.

Very tough assignment this afternoon against a quality opposition. Mahdi, Jihad and Rashane played out of their skins, but alas 'twas not enough.
- U10** vs St Michaels Baulkham Hills G 2 - 1  
A real hard fought victory today and well deserved. It was scrappy but the team really stood up to be counted today and everyone put in a great effort. We went down 1 nil early on and battled hard. Josh was rock solid at left back and Aiden was really strong back at sweeper. Brandon and Peter tried really hard up front and Arbin scored a good goal to go into half time 1 all. Sam had to play in goals with a hamstring tear but was safe as houses and we defended really well in the second half. Brandon started a move with a great tackle and 6 passes later the ball was in the Gladiators net and we held on strongly to win 2-1. Emily tried hard and Arian put in a really good effort. It was a gusty display from the team in a must win match. You all did really well. Man of the Match – Brandon  
Goal scorer – Arbin Zenalaj 2
- U11** vs Wentworthville Uniting 11 - 0  
Poor Wenty. The boys really got going today and were not very charitable. I don't think I've seen Wil play better. He really did take charge and dominated the midfield and the scoring. Mohamed was also strong, as well as James, and Kerem played a really sensible game at left half too. Shayan also chimed in with a hatrick of his own. Let's keep this momentum going guys.  
Goal scorers – William Wark 6, Shayan Kashef 3, Daniel Jabou 1, Yasir Sungkar 1
- U12** vs St Michaels Baulkham Hills P 3 - 0  
The game started slow even though we had possession, we were not getting the ball in the goal. We had 4 players missing and this meant that we had some players playing in unfamiliar positions. Late in the 1st half, we finally broke through with a goal. Seeing the team was playing in a new formation, the guys did very well with 2 other goals scored in the second half. We saw excellent play from Jordan and Dean going up the side, and Hassan and Jeremy in the forwards, all placing a lot of pressure on St Michael's. Toby and Rohit defended well and Wasim did well for first time in goal. Jackson did exceptionally well covering the shooter's position and Milad showed a lot of flair getting the ball up to the forwards. MVP's Jackson, Milad and Jordan.  
Goal scorers - Jackson Mower 1, Dean Docker, Abobaker Sadiqi 1
- U13** vs Lidcombe Waratah Black 3 - 4  
Our first loss of the season. We were down 3-1 at the end of the first half. We came back and made it 3-3. It could've gone either way, but I'm sure we've all learnt a lot from this loss and will improve on it. Jason and Jean Claude scored absolute screamers. Good effort boys, don't be too dissatisfied. Goal scorers – Jason Youssef 2, John Claude El-Batti 1
- U14** vs Lidcombe Waratah 1 - 2  
Goal scorer - Mohammed Rahimi 1
- U15** vs Winston Hills Bears 8 - 3  
Overall, a good performance today. Winston Hills had no answer when we strung passes together and there were some bright passages of play. However we made it easier for the opposition at times when we tried to beat too many players. With a hard fought 2-0 lead at half time, the boys put the game away with 3 quick goals at the start of the second half. Despite mostly solid defence, we relaxed a bit on the lead and disappointingly let in a couple of soft ones, but traded goals for a comfortable 8-3 win in the end. Well done boys. Goal scorers – Mustafa Nazary 4, Myles Nyawasha 2, Mojthaba Haiddari 2
- U17** vs Coptic United West 6 - 0  
A much better performance this week with a far greater commitment to soccer skills than was on display 7 days ago. Steven scored his first ever hatrick, well done. We dominated all over and I'd especially like to thank Pat, who came for the photo, and didn't want to play because he was sick, but did so because we were short, and kept a clean sheet to boot! Well done.  
Goal scorers – Steven Ghadieh 3, Cem Tekirdag 1, Caner Temel 1, Dylan Trevor 1
- RC North RESERVES** vs Wentworthville Uniting 0 - 4  
We didn't play bad, we just didn't play good. There is a strong rivalry between Guildford and Wenty and its a shame that we weren't able to field a team where everyone was in their correct position. As a result we let in 2 soft goals early in the first half. There is now such a strong bond with everyone in our team that we like to be really close to each other, and run next to our team mate carrying the ball giving them encouragement, watching from the goals it gives me a warm feeling inside knowing that my team are such good friends, but maybe we should use space a bit better, run into gaps and hold hands and express our love for each other after the game. Domenic was easily the man of the match. Toby, Ben and Andrew tried their best to keep us in the game, but we just didn't have enough players in the right position.
- RC North FIRSTS** vs Wentworthville Uniting 2 - 1  
HOW SWEET IT IS when you get the referee we struggle with the most have everything against you and and come out on top. That was the situation and we were being punished for everything. 1 goal early put us in a good position but not long after the opposition got 1 back and a scrappy 1 at that. We scored in the second half and it was disallowed (we still don't know why), but we pushed on and we got the winner with only seconds to go. Everyone can see this ref has a problem with us which makes us have to fight even harder to get our points. Whatever, we are happy to stay on top of the table even if it's a battle to bring the points home week after week. Goal scorer - Rick White 2
- RC 1 RESERVES** vs Carlingford Uniting 3 - 1  
A really good result. We weren't playing well, but we stuck at it. Persistence paid off with Cuong suddenly becoming 5 yards quicker late in the second half and he started to cut them to pieces. A really great effort Cuong. Jasvinn found some touch late in the match and played some nice passes. David Burrows, Lukman Sungkar, John Zhou and old man Phil Rafter were the real saviours. By denying the opposition, even though they had all the ball, we were able to stay in the game long enough to allow Cuong to do his thing. Hopefully this win will push us into the top four at the close of the first round. Goal scorer – Cuong Lo 3
- RC 1 FIRSTS** vs Carlingford Uniting 0 - 3
