U6 Red vs Wentworthville Uniting 3 - 2

Not much to say but PHEEWWW! It was a close one and a reminder that we can't be too careful. The opposition were a real challenge but we managed to up our defence and miraculously found the goal three times. THE END.

Goal scorer : Ali Fahme 3

U6 White vs Hills Spirit 1 - 2

On a cold and windy Kellyville morning the manager arrives and informs the team that three players are unable to play today but we still have a complement of six players. On the field all the players showed commitment and enthusiasm. The tiny duo, Diego and Lucy shared the goal keeping duties in the first half and got in the way of the opposition when not in goals. Dylan continued on from his man of the match performance last week, defending well and creating some chances for the team. Daniel played well in tandem with Dylan, and Sebastian and Kassem played well in the forwards. The radar on the players boots were not on today as we had many miss-directed shots at goal. The first goal of the game and our only goal came from an own goal due to a misunderstanding between the Hills Spirit goal keeper and one of his players, although it was struck wonderfully by one of our players. Hills Spirit equalised just before halftime. In the second half Kassem started as the goal keeper and made some wonderful saves. As the game went on, the players began to tire due to the reserve bench being empty. In the midst of all the tiredness settling on our players, Dylan was able to make a break and create what seemed to be a sure goal, except that there was a very good goal keeper between the ball at Dylan's feet and the back of the net. In the blink of an eyelid, Hills Spirit counter attacked and was able to get their second and winning goal through a wonderful shot that left Kassem unable to make the save. Although we were on the wrong side of the score line, great sportsmanship a great effort by all the team Thanks boys and girls for an entertaining game. Today's game player award was given to Sebastian Kerr for his not stop effort and his good sportsmanship. Goal scorer - own goal

U6 Black vs **OLQP Falcons O** 3 - 0

Every week the team is proving themselves the champions they are! In the first half our team scored the 3 goals and made sure our opponents never scored. They played with passion and a hunger for more. No goals were scored second half. Ayaan scored 2 and my Anthony scored 1. What proud parents we are.

Goal scorers – Ayyan Shaik 2, Anthony Germanos 1

U7 vs **OLQP Falcons Q** 3 - 4

This was an exciting game today with all the players showing a lot of enthusiasm and improved ball skills. It was a great effort by the team. The team started showing their passing skills that they have been practicing at training. We fought back at the end of the game to even the score but were unlucky as other team scored right on full time. Player of the Match was Reggie.

Goal scorer - Matthew Youssef - 3

U8 RED vs **Hills Spirit Blue** 1 - 4

Today we fell back into old habits and didn't keep our positions which showed. The other team scored 3 goals in the first half and we were constantly defending. The second half we started to get back to playing our positions and only let 1 get past us which was a great effort.

Aaran scored our only goal and just missed another whilst Abraham also had a couple of shots that went wide. A much better effort in the second half guys. Player of the match went to Austin. A close second in line for player of the match goes to Gregory who was hit in the face with the ball after only a few minutes into the game and had to go off with a bleeding nose. He bravely came back on and put in a great effort. Again a big thanks to Ali for helping us out and also Joshua Depares who helped out in the second half.

Goal scorer – Aaran Batth 1

U8 WHITE vs **OLQP Falcons O** 0 - 4

Guildford played really well today, we had great defence the kids didn't let the ball cross to the opposition until a few minutes till the first half was over the Falcons scored their first goal and unfortunately not long after that due to a penalty they scored another. Michael is our quiet achiever he stopped the Falcons from scoring a goal, he just comes out of nowhere and surprises us! Second half we had Mase in goals as he was worn out from first half always running after the ball, Mase stopped so many attempted goals but the Falcons managed to Score another 2 Izabella had her star moment today too, she managed to steal the ball and run it up the side. Great team effort today keep up the good work. Our player of the match today was Michael. Thanks to Ali for his help today and also thanks to the parents for dismantling the field:)

Goal scorers- Michael Barakat-1, Mustapha Fahme-1

U9 vs **St Bernadettes Castle Hill Tigers** 2 - 0

Today our game was all about defending and chasing the ball after the wind took it in many different directions. We had many unlucky shots at goals but our champion striker Christian smashed in with his magic boots two magnificent goals, Yilmaz and Elias played excellent in the first half, with Yilmaz taking a shot at a goal but the defending goalie stopping it, All the boys played well at defending and pushing up the ball with massive and brilliant kicks towards the goal net.

Goal scorer –Christian Frangie 2

U10 vs **Bye**

U11 vs **Kellyville Kolts** 3 - 2

Today was a big game as it was 2nd vs 3rd and the weather was kind, giving us a dry field to play on which allowed our players to show off some of their ball skills without slipping on the ball. We dominated early and we were rewarded with 2 first half goals, the first scored by Ferdinando off a great cross from Chan out wide. We knew this opposition would come back strong and they scored 2 quick goals in the second half to level it up. Our team didn't panic though, Mika and Sarah had strong games with some solid tackles and good clearances. The winning goal came after a quick throw from Jasper that sent Tong on a run to score with about 5minutes to go. We can't relax now though as there is still a long way to go in the season.

Goal scorers – Ferdinando Cvasinni 1, Chan Chan 1, Tong Dimo 1

U12 vs **Winston Hills Bears** 1 - 2

A very familiar report, as we again dominated early, led at half time, competed right until the final whistle, made just a couple of 'soft' errors early in the second half, and finished behind on the scoresheet. Today we played second place and there was no difference between the two sides. Joshua played well as did Joel, Ali and Rusheel. Kabin was player of the match for a stunning display at left back.

Final vs Kenthurst White 0 – 1

A great day and some really good, hard fought soccer. A combined under 11/12 side competed in the Kings Sevens and proceeded to the final undefeated. We were very competitive in the final but were beaten by Kenthurst. Thanks to the parents who supported.

Player named most valuable player for all teams in the whole under 12 competition was Joel Booker – Congratulations Joel!

U14 vs Granville Kewpies 3 - 2

The team deserved the win, but nearly let it slip away from them. We dominated the first 15 minutes with Hassan unlucky not to convert a couple of opportunities. John Kazzi then showed plenty of determination to score two quick goals before half-time, taking us to a 2-0 lead. At half time the team thought we had the game won, wrong! Granville scored in the first minute after half time, and then equalized 10 minutes later. We were still thinking of next week's game and Granville were applying plenty of pressure. Hamze saved a screamer and kept us in the game. Venky and Hassan tackled and cleared the ball like demons, Jason was constantly saving the day. Suddenly we woke up with 10 minutes to go. Emir started with some great runs down the sideline, before some team passing through the middle gave John some space to complete his hatrick - well done!

Player of the Match - Hamze El Hallak

Goal scorer – John Kazzi 3

All Age Ladies vs Holroyd Rangers 0 – 7

A spirited effort but tough when both goalies are sitting on the bench injured. It was a brave effort that both tried playing at all! Mika did heaps of running, Aluel gets better each week and Ebonnee made some great runs back in defence and some nice balls forward. Sarah Rebenko continues to be a star and don't get in Katrina's way when she starts up that wing! Player of the match (from the 30 minutes I saw) was Emma who also continues to improve each week and has a good vision for where the ball needs to go. A special thanks to Darren for helping out while the coach was at the Kings Sevens.

RC N Reserves vs Wentworthville Uniting 2 – 2

A bit of a difference of opinion about how we went today. Statistically this was 1st vs 8th so you be judge. I write the reports though so ... this was a disgrace. We hold the ball too long, don't make calls and when the calls come we don't respond. The team edicts of 'hunt in packs', 'play feet' and 'look where you are playing it' are remembered only sporadically. And to cap it off, when we run some first graders on to try to dig us out of our own hole, we don't give them the ball. This game is a wake up call. We want the minor premiership – but it won't come like this.

Goal scorers – Amarvir Singh 1, Jason Stephenson 1

RCN Firsts vs Wentworthville Uniting 8 - 1

Our opposition today are not terrible but we did look pretty awesome. Our attack was unstoppable and Tony, Virinder, Martin and Adem had a ball. Wenty were reduced to the only tactics they really could use – and they copped two penalties as a result. Hakan had a very strong game and bagged 3 today – there you go mate – I was watching! But it was Virinder's fourth goal that nearly took the net off the posts! A bit more listening to the only voice that should be heard regarding organization at the back – and this would have been a clean sheet.

Goal scorers – Virinder Chaggar 4 Hakan Mete 3, Tony Lo 1
