Congratulations to Rusheel Raj for his 100th goal for the club!

RESULTS from Saturday 18th July 2009

U6 vs OLQP Falcons R 1 – 5

Once again our U6 team proved to be formidable opponents, and did us all very proud. Despite the loss, we saw a stunning goal by Christian in the first 5 minutes of the game which had the opposition on their toes from the get go. We saw some fantastic defending by Anthony, John Paul and John Luke not to mention some terrific breakaways and near goals from the likes of Raymond and Christian. Man of the match went to Raymond however the whole team deserves a mention for their stand out improvement to date.

Goal scorer – Christian Frangie 1

U7 RED vs OLOR/St Angelas Kellyville B 3 – 1

Today the boys showed great team work and enthusiasm to overcome a ferocious kellyville side. Adem, Michael, Kenneth and Yasir were brilliant in defence, ensuring no goals were scored against us. Yusuf, Jamal and Aaran were superb in attack, scoring a goal each. Peter was outstanding in goals making many great saves. Aaran was awarded man of the match for his great team work and scoring his first goal.

Goal scorers – Jamal Swalah 1, Yusuf Jamil 1, Aaron Batth 1

U7 WHITE vs OLOR/St Angelas Kellyville W won on forfeit

U8 vs OLOR/St Angelas Kellyville B 1 – 3

We were the better side this week but not on the score board. Poor Joey hurt his leg in the warm up , put still went on to have a great game. Joey was so unlucky (could of scored 3 or 4 goals this week) he was well supported by Nedim and Qais .Mehrshad played really well unfortunately gave a penalty in the box and Ryan could not stop the goal. Andrew and Joshua tried very hard in defence this week .Nedim was our man of the match this week. They scored with 10 seconds to go giving them a 3 -1 win. Better luck next week. A big thank you to Tam from the U7s for helping us out this week.

Goal scorer – own goal 1

U9 vs OLQP Falcons P 1 – 0

What a heart stopper. Both teams played really hard & well today and kept each other scoreless till only 2 minutes to go when we with a heart stopping goal scored. We passed better today and had some really huge kicks back to the opposition half which saved the day for us. Last week this team beat the team we are leading the comp with, which was handy! They play 11 players behind the ball so they are difficult to break down. Cameron and Daniel played great first halves and Biyan played a strong second half. Kabin was a rock at left back all match and earnt the player of the match award. With just 2 minutes left Rusheel broke wide and scored the winner – and his 100th goal for the club.

Goal scorer – Rusheel Raj 1

U10 vs St Bernadettes Castle Hill E 0 – 1

Great game today .All the kids put in 100% this week. Joey was so unlucky not to get a goal this week he really worked hard this week. Very hard to pick man of the match this week, but it went to our Wesley. He was doing things we have not seen he do before. His kicks were bigger and better than ever. Wesley had a floorless game this week. Celeste really came out of her shell this week, with her best game so far. Well done to all the U10s keep up the great work.

U11 vs St Josephs Rydalmere 1 – 0

With 2 players and a coach missing, today's effort was a great result against tough team with a plan was to waste as much time as they could so they draw, but we had 11 determined player that wanted to continue our recent change in fortune. Cameron in new position as sweeper was very good. Sam proved again today that he is the best goalkeeper in the competition. Jason and John were rock solid at the back. Peter as usual was unstoppable and our goal scorer today. Sajad was marked the danger man out of the game. Josh and Arthur were helpful in midfield. Emily played her best game this year and was unlucky not to score. Brandon and Arbin were to good for their backs. With a bit of luck we could have scored a couple more but we will take the win. Player of the match was Emily.

Goal scorer – Peter Youssef 1

U12 vs Castle Hill United 1 – 0

A great result today in a very hard fought match. Up against the competition leaders, who beat us in a close one last week, the team stepped up. The goal came from a great run from Mohammad up the wing from their kick off to start the second half. Keely took a quick throw, to Abulfazel who played a beautiful ball to Daniel, who cracked it from distance. Great goal, great result. Man of the match – James Valencia

Goal scorer – Daniel Jabou 1

U13 vs Winston Hills Bears 1 – 4

The day started off rather difficult with only seven players going on the field as it was a different venue and some players are away. However, we are finding that some players are letting the team down when they don't let the manager or coach know they can't make it, and so can't be replaced. Eventually with 10 on the field, we became more competitive but Winston Hills had been given the advantage. Highlights of the match were: Hassan, Jeremy and Jordan defending and shifting the ball up the side of the field, Rohit and Abobaker defended well and even though he was under attack, Jesse did a very good job in goals.

Goal scorer – Jordan Sarmiento 1

U14 vs Parramatta City 1 - 2

Once again we played good enough to win, but our finishing let us down. In Division 1, if you make the opportunities you have to put the ball in the back of the net. We are currently making good quality opportunities, but not capitalizing on them. Every player on the team did there job well this weekend, there was no clear standout. But as a team, we are looking better and sharper, and I think enjoying the game a whole lot more than we were earlier in the year. Lets get stuck in at training this week and see if we can finish the season on a high.

Goal scorer – Jason Youssef 1

U15 vs Greystanes 4 – 2

Playing the same team as last week when the result couldn't change either team's position and the opposition had no chance at the semis's meant that both teams played a more controlled game in some slippery conditions. The boys played well and we practiced some different strategies with an eye to the finals. Seiki and Aaron were much improved, played good games and were both unlucky not to score. The goal mouth scrambles to finish our opportunities were quite amusing to watch. And the fun continued in the second half when we 'tried' to play Mohammed as keeper. The boys needed to have an enjoyable match before we knuckle down for the serious matches coming up. Fun's over now with only serious games for the final stretch boys.

Goal scorers – Antony Vojvoda 2, Mohamed Rahimi 1, Trung Nguyen 1

U16 vs Merrylands United 1 – 5

A great goal just before half time levelled the game at 1-1 and the opposition was looking frustrated. This was a really good effort as we played the first 15 minutes with only 10 men. With no reserves, fatigue took its toll and the score blew out later in the second half. Even so, this was a better effort and a good game to watch. Our boys certainly seemed to enjoy the game more than their opponents and (opposition) coach. Keep up the effort boys and finish the season on a high note.

Goal scorer – Jarrod Bland 1

Premier RESERVES vs St Matthews Baulkham Hills 3 – 1

This was a close match, and it took us until the 1 hour mark to break the 1-1 deadlock. The team is playing well though, being weakened each week as we release players to play firsts but we are building nicely to the semifinals. The combinations are really coming together.

Goal scorers – Lam Nguyen 1, Kuag Reec 1, Cuong Lo 1

Premier League FIRSTS vs St Matthews Baulkham Hills 6 – 3

Comprehensive drubbing of St Matts, made to look closer than it was by conceding two goals and a send off in the last 4 minutes. We are still able to pull off the selfish, thoughtless play that detracts from the performance and handicaps the team. It was a shame because we played some of our best football today. Marial, Peter, John, Lam and Kuag combined really well up front and John Zhou had a blinder in his comeback game in the back. Yes, and Phil scored a penalty – there I wrote it.

Goal scorers – Kuag Reec 3, Peter Koany 1, Marial Achiek 1, Phil Rafter 1
