Last games for the mini teams this weekend and last game of the competition for the other junior sides. President's Cup will follow the competition with the top 4 teams in each age playing semis and then a final. It is proposed that President's Cup may take the form of semis on Saturday week and finals at night during the week after – but the exact days etc are yet to be determined. All our junior sides (in NSWCF) look likely to qualify.

GDSFA semis will start on Saturday week and our 11s and 14s have already qualified.

RESULTS – 11th and 12th August 2012

U6 Red vs **Lidcombe Churches** 2 – 0

Well if the wind wasn't blowing hard enough we certainly blew them away. We started off well Hannah Zachariah and Richie were on fire today and even if the opposition did get through Joshua and Zachary were always there to save the day and kick it back into our half. Dimeo and Adeng made a start in the second half continuing the great work of the team with Adeng scoring two great goals set up by our player of the match Hurricane Hannah. Thanks team once again you made me proud.

U6 White vs **Wentworthville Uniting** 2-1

What a great game it was today. Both teams played an entertaining game and not one player showed any sign of letting their team mates down. The game was played at a fast pace and both teams were creating chances to score goals every time they were at opposing goal areas. Wentworthville gained the upper hand by scoring first but the players didn't put their heads down. Instead they showed more determination and shut Wentworthville out for the rest of the half. GMU almost scored on many occasions during the first half but good saving from their goal keeper kept the score card clean. The team was getting tired and having no reserves they couldn't wait for half time. Arriving in time to play the second half was Sebastian who was held up due to time zone differences. As the second half got under way the team seemed to get a second wind. They came out blazing. Sebastian got control of the ball, ran down the right wing defeating defenders, crossing into the centre box, shooting the ball passed the goalie and into the back of the net. The crowd roars with excitement. It's one goal apiece and the players are looking confident. As the game continued the team created many chances to score and this led to Fouad being able to capitalize on two occasions. One of the goals came after Wentworthville made a mistake from a goal kick and the other goal came from great lead up work by the team. Leading 3 goals to 1 and with only a few minutes remaining Wentworthville got passed our defence and scored a wonderful goal. The shot from the player beat Kassem our goalie, hit the bottom of the top bar and bounced over the goal line. This is how it ended 3 goals to 2. Every player played his and her part today in getting this win. It avenges our first round game against Wentworthville where we let a two goal lead end in a draw. All players were voted player of the game for showing determination and entertaining the crowd. Happy Birthday to Lucy Sultana who turns 5 years old on Monday 13 August

U6 Black vs **Hills Spirit Black** 0 - 2

Winning or losing didn't matter today. This was the game of the season. With three players away and two injured we managed to keep our opponents on their toes. They scored 2 goals in the last two minutes of the game. Ayaan had three attempted goals, Hassan had fantastic kicks going both ways and Joshua your big kicks had our opponents running for the ball. Anthony and Ali shared goalie and had eyes on the ball. The support and excitement from the parents equalled the teamwork that our players played today. Men of the match: Ayaan Shaik, Hassan Hassan, Ali Hamden, Joshua Paseka and Anthony Germanos. Excellent work boys.

U7 vs **Hills Spirit Black** 1 - 3

Regardless the cold wind and the freeze at Kellyville our boys and girl played a very good game. Lots of them have really improved their soccer skills and show their love for the game. So when they play well they don't really care if they win or lose as long as they have done their best. Keep the good work guys!

U8 RED Bye game vs **Hills Spirit Green**

A double booked ground meant this game couldn't go ahead.

U8 WHITE vs **Hills Spirit White** 2 - 1

We will blame the massive winds for our loss today. It was a struggle in the first half trying to keep the opposition team from scoring in the wind as they attempted many times but luckily 2 goals only managed to slip past Akol. Kiir was doing a great job defending as each time the ball came near to scoring Kiir would get himself through and kick the ball out. Bailey also has great defence he always manages to get

In there and get the ball off the opposition, he actually has one of the best kicks on our team. Second half was a different story, Michael was on fire he wanted to score he had many attempted goals just missed hitting the post before he finally scored! Mase and John had good teamwork today, Joseph also put in a lot of effort which was great to see. Keep it up.

U9 vs OLQP Falcons O 2 - 0

We had a very good game considering the cold weather and the gusty wind blowing the ball any direction it wanted. Our boys still played fantastic with good control of the ball. Every player had a shot at defending and attacking. Peter, Joel, Deng and William showed really excellent skills on the field. Mounir scored our 1st goal with a beautiful hard kick right through the net. Followed by one from Christian. Boys great game to watch and it sure is worth waking up on a cold Saturday morning for. Man of the match Yilmaz for his great effort throughout the game.

U10 vs SBFC Lions 0 - 0

What a horrible start to such a terrible cold and windy winter Saturday morning. All players tried their best but just could not perform as well as they could have. A Few mentions Younes played great and Charlie played great defence. Jonathan played really well and had some great kicks. Both Andrews played really good as well, despite the strong winds they had to put up with. It was a draw for this first game, and all players did their best.

Man of the Match Jonathan..... way to go

U10 catch up match vs Hills Spirit White 7 - 0

Second game for the day all players were ready to play some soccer. Nedim scored our first two goals and played brilliantly this time around. Special mention to Jackson who out of nowhere went and scored two brilliant goals for the team this was Jackson's first goals of the year really proud of you Jackson. Josh went and scored a goal for us then Jamal scored our final goal. brilliant finish to a cold day. man of the match: Jackson hunt

U11 vs Auburn FC 3 - 4

This was always going to be a really tough game as it was 1st v 2nd, unfortunately we started slowly and allowed Auburn to have all the early possession and they capitalised with two early goals. We fought back though and by half time it was 2-1. We started the second half well and drew level, unfortunately the game seemed to see-saw for a while as everytime we drew level Auburn were able to find another goal to stay in front. Tong and Ryan had good games up front while Ashley and Ferdinando played well in the midfield. Not the result we wanted but we are guaranteed second spot and the semis are a completely different game, we will have our chance to play them again.

Goal scorers – Tong Dimo 2, Ryan Carder 1

U12 vs North Rocks 1 - 2

The opposition coach stated after the game “wow, you guys were up against it today”. He was a nice guy and what he meant was ‘you were robbed’. Basically we scored one and should have won a very even contest 1 – 0. The boys played so well and deserved better. Ali was unstoppable in midfield, Daniel did some good things up front and Joel was very solid in his man of the match performance. North Rocks are on top of the comp and no doubt very glad we won’t be playing semi finals soccer this year.

Goal scorer – Salem Boustany 1

U14 vs Guildford County 4 - 0

A much improved team effort. We never let County into the game, and the way we played made them look like they only had 7 men on the field. We were keen in our defence, and supportive in our attack. Our first goal came from a ripper of a cross from Emir, causing County to mis-kick into their own goal. Not content with this, Emir then had a long range shot that skimmed by the keeper to take us to half time 2-0. In the second half, some great team passing allowed John Kazzi to show brilliant skills to get around a couple of defenders and then slot home a nice goal. Later in the game, another sequence of passing gave Peter a chance, his shot hitting the post, rebounding to John who hammered home the goal. Surammay was player of the match, being a stand-out for his mid-field defence and control. Emir also provided spark up front, while the all of the backs put in a solid effort. Everyone played well, though we need to keep improving as we head to the semi-finals. Goal Scorers – John Kazzi 2, Emir Biber 1, own goal 1

All Age Ladies vs Winston Hills Black 1 - 0

We played really well today and totally dominated the game. With the wind in the first half Winston Hills couldn’t get out of their half. To give a good indication our keeper was standing on half way. But we could only score one and that direct from a booming punt from Sarah in goals on her only touch, followed through well and slotted (left foot!) by Genell. The coach was a little nervous with us playing into the wind in the second half and only a one goal buffer. But he needn’t have been, with Katrina and Mo defending well and Handrika and Aluel playing their best games of the year in the midfield and totally dominating the game. Brilliant!

RC N Reserves Major semi vs Wentworthville Uniting B 7 - 0

Just a few weeks ago these guys inflicted our only loss on us and beat us well. Not today as we came out very hard and had 4 into the wind by half time. In the second half Wenty never looked like scoring and we continued with great performances from Jasvinn up front and Luca marking their key play maker out of the game. A week off now and a grand final in two weeks.

Goal scorers – Jasvinn Singh 2, Amarvir Singh 1, Mohammed Rahimi 1, Goran Gesovski 1, Adem Stevens 1, own goal 1

RCN Firsts Major semi vs Lidcombe Churches 0 - 2

We actually played pretty well until two lapses in concentration and judgement 10 minutes from time gifted Lidcombe the win. Adem was very strong up front and Jason marked well. Wayne also continued his run of good form.
