U6 Red vs **McCredie White** 1 - 0

Thanks parents and kids for helping the club out and filling in for the Hills team who forfeited the last match to the Whites. The Whites showed themselves to be a great side but we were lucky enough to score early. Thanks Reds – an undefeated season – fantastic effort. See you all at presentation and again in 2013!

U6 White vs **McCredie Red** 0 - 1

This was the last game of the season for team and it was great to see them enjoying themselves playing against a great side. The game for us did not start the way we wanted as the Red side was able to score not long after the kick off. The players obviously got confused because the red side was wearing the red shirts that we would normally be wearing. This would be the final score of the game. The side all played well, starting from Kassem Abbas who play goal keeper for the whole game. Some great saves and kicks out of goal. The backs, Dylan Lu, great defence all day, and a lot of energy for a little man who runs all day. Daniel Kvesic defended all day and made some wonderful clearing kicks. The two little dynamos, Lucy Sultana and Diego Palacios Valencia, probably played their best game of the season. You can see that their skills have improved and their confidence just keeps getting better. Watch out season 2013. The two brothers Alexander and Christopher Fares. What can I say about these boys? I can tell you that they are our great substitutes. When they come on to the field they enjoy the time that they spend out there. When they are smiling, their parents are smiling and were all smiling. Our forwards, Sebastian Kerr and Fouad Ayoub, played their normal consistent game. Running the ball and trying hard to score goals for the team. They also helped in defence in the midfield. Thanks to both teams for a n entertaining game. Thank you to Guildford McCredie Red, for giving our team the chance to enjoy a last game for the season.

U6 Black vs **Lidcombe Churches** 5 - 1

All the hard work preparing for our games has paid off on this last match for the season. When we all show up for our games we are an unstoppable team. 5 - 1 win has proven we can do it together as a uniting team. Hayyan was man of the match and Anthony, Joshua and Ali all helped to score our goals today. Joey did his magic with scoring and so did Ayaan, Hassan and Jazib. Great way to end the season boys. Hope we can see all next year.

U8 RED vs **OLQP Falcons L** 1 - 3

Well boys there goes the season. It wasn't the best way to go out as we were never in the hunt. The Falcons were much hungrier for the win than us this week. We went out well at the start and held them to nil all with only 1 minute to go in the first half. They got an easy goal before half time and put us on the back foot. We went out in the second half and lost focus of our positions and paid the price with them scoring 2 goals which dampened our comeback. We ended up getting a goal just before full time to make the score a little more respectable. I think next season we will have to concentrate a lot more on fitness and ball control if we are to give the competition a nudge. Goal scorer - Aaran Batth 1.

U8 WHITE vs **SBFC Tigers** 1 - 0

The kids had a really good game today they were playing strong and didn't give up, the Score was 1-0 our way but we could've scored another 6 goals, we had Michael, Kiir and Mustapha attempt many goals but the tigers had a great goal keeper. Goal Scorer- Mustapha Fahme 1

U9 vs **SBFC Eagles** 3 - 0

This game was our last game before the President's Cup and what an awesome game it was. Again every player played with the utmost passion and hunger to win. Watching this team play soccer every week is an absolute pleasure. The whole team improves and gives the game their best week after week. Elias made a few break throughs making sure he controlled the ball and kicking it as hard as he can to his team mates, with the help of Viththegan, William, Joel and Ryan who also never missed the chance of smashing the ball with their skilled boots as towards the goal. John-Luke was also everywhere today chasing the ball all over the field, he cleverly set up our 1st beautiful goal for our magic man Yel to boot it into the net. The 2nd half saw the two brothers Peter and Christopher own the field taking the ball from the opponents, with many attempts at goals. Deng and Mounir put in a big effort as well today and as always. Christian played like a champion and his excellent soccer skills together with the magic of Shaleen and Yel saw us bring home another two goals. WELL DONE BOYS ,YOU SHOULD BE EXTREMELY PROUD OF YOURSELVES.

U10 vs **Hills Spirit White** 5 - 0

What Hell of start to a cold Saturday morning. All boys were prepared today and played really hard. Yusuf and Yunus really worked hard on the field. Josh had some brilliant moves and some great kicks. Jackson was awesome today and so was Nadim, Ahmet and Safwan. All players played really well as a team and the man of the match would have to go to Josh - well done.

U11 vs **Castle Hill United** 1 - 2

When we play quick balls from the back and our midfield distribute quickly we are very hard to stop, the last couple of weeks though we have gone away from that style of play and are getting bogged in the middle of the park with some miss kicks and other errors that are costing us. Our opposition was very determined as well today and weren't going to let us get anything cheap. Mayuel, Ali and Sarah had good games at the back making solid tackles. Ferdinando and Ryan looked threatening when we got the ball up front but we just couldn't get up there often enough. Not the form we wanted going into the semis but next week is another week, we need to find our confidence, form and style of play that has been working for us this season.

U12 vs **Castle Hill United White** 1 - 1

Against the wind with only 10 players was hard work and despite some desperate defence we went in to half time 1 goal down. Our opposition were a bit cocky (after beating us in the first round on our worst performance of the year) but they had no right to be. With the wind at our backs and with 11 players they were never going to extend their lead and instead the comments from the opposition turned to McCredie's fighting spirit. We were fantastic. Ali and Salem terrorised them, Joel tackled everything that moved and defused attack after attack. Matty McGuire continued to display his growing confidence and much improved skills and Mohammed was a force! When the equaliser came it was a beautiful buildup and finish. Unfortunately the winner didn't come – but there's no need to waste these – we'll use them next year!

Goal scorer – Salem Boustany 1

U14 vs **Auburn FC** 4 - 0

Our eagerness for the ball, control and support, frustrated Auburn out of the game. Venky, Joshua, Hassan, Jason, Adam, James and John scrambled well in defence to keep Auburn scoreless. Our defensive line also moved the ball forward so we could start our attacks. Will and Suri covered the mid-field well, maintaining the pressure on Auburn by denying them the ball. Kane and Peter worked hard early, unlucky not to score a few goals. Emily and Vehid, along with Emir fought hard for the ball in the mids, opening up space and delivering some good passes forward for John Kazzi to swoop and terrorise Auburn. Hamze came on and had a powerhouse game in the middle of the field. A great team effort where everyone deserved player of the match. A good positive game to finish the regular competition as Minor Premiers. Keep improving, keep hungry, keep up the teamwork, we are in the final series now.

All Age Ladies vs Winston Hills White 1 - 0

Two great wins to finish the season – and today's was against a team bound for the semi finals! We have come so far and the dominance of Hendrika and Aluel in the midfield, the strong defence of Sarah R, Mo, Katrina, Ania and Sarah H and the constant threats of Mika and Genell up front were on full show today. Ebonnee, Elise and Sarah D provided our width and some solid tackles and what a goal! – great set up from Aluel and a top drawer finish. Goal scorer – Genell Hunt 1

RCN Firsts Preliminary Final vs Coptic United 0 - 3

Nothing good will come from deconstructing this game. Going in to the match we were 11 – 2 on aggregate over Coptic for the season and we had a strong side available. The fact that we totally dominated the game possession wise and hit the post twice doesn't help how we feel. Disappointed is a great understatement. Firsts are now out but reserves have their grand final next week.
