President's Cup semi finals

U8 WHITE vs Hills Spirit Green 0 - 1

A big thanks to Matthew Youssef and Ali Fahme for coming all the way to Castle Hill to help out, we really appreciated it. Also thanks to the Whites for being on time and giving it the best they could. It was a good game, our kids just kept going they didn't stop running and trying to get the ball, they did a great job of it too as for most of the game the ball was at our end, we didn't let Hills get past us, it was great. Mustapha, Mase and Matthew were a good team, they had many attempted goals but unfortunately we missed. Akol was great in goals, but at second half there was nothing he could do to stop this goal, it was fast and it went straight over his head, that was the end, Hills scored in the last 5 minutes of the game, we were unlucky as it was our game till the last few minutes... I know our team will remember the last game as a loss, but I know the parents will remember it as a great game! Better luck next year.

U9 vs Hills Spirit Blue 2 - 1

What an awesome semi final. Everybody turned up nice and early all ready and excited to play . The game was quite intense especially when we were scoreless 1st half and somehow the opponents had put one through . 2nd half the words of the coach sunk in and every player was ready to show off their soccer skills especially Christian who loves kicking corners right to Yel whose always ready in front of the goal to boot the ball right into the net sending the parent fans insane. I could say we all happily lost our voices from cheering so loud which gave the players a greater boost to show off some more. Yel was playing like a tiger knowing he has to put in at least 1 more and what a beautiful second goal it was. Now we were ahead with relaxed smiles on our faces. Every player played a superb game defending at every chance and giving in a 100%. Yilmaz, Deng and Ryan played especially well at controlling the ball and leading it ahead. Excellent game excellent players which made you all MAN OF THE MATCH.well done again champs.

U10 vs OLQP Falcons L 6 - 0

Well what a start to the semi finals. All the boys started off slow but gradually things took off. Qais scored our first goal for the night then Yusuf went and scored 2 goals. Our defence was really strong and Yunus played brilliantly.

Then out of nowhere Nedim, Safwan and Joey all scored a goal each and worked really hard as a team. Excellent stuff boys

U9 FINAL vs Hills Spirit White 1 - 1 (won 1-0 on corners)

What a nail biting President's Cup Final. The sun was shining its warmth and luck on us again. Awesome performance by our under 9 boys. All players played their heart out today at defending and attacking as we only had winning on our mind and we all knew we deserved to win. Shaleen made sure of that with his excellent goalkeeping skills, he certainly saved the day when we had a penalty shot against us right in front of our goals. I'm sure we've all lost our voices but our team deserves the cheering as they put on a great soccer entertainment week after week. Our 1st goal was set up by John-Luke's smart passing to Yel. The magic Christian, fast man Mounir and demolition man Christopher attempted many goals. Time was up but we were on 1 goal each way so we had extra time. Now our defence line Vithethegan, Yilmaz, Ryan, Joel, Elias and William worked great at smashing the ball back to our midfielders John-Luke, Peter, Deng and Mounir who worked extra hard at keeping the ball away from the opponents. Our strikers Yel and Christian gave the opponents a hard time by their excellent control of the ball. 10 mins was up, the whistle was blown and YES we were awarded the game as we had more corners. WELL DONE CHAMPS. EXCELLENT WORK ALL THE WAY THROUGH. THANK YOU COACH.

U10 FINAL vs St Bernadettes Castle Hill Lions 1 – 0 (in golden goal extra time)

Well this is it. It all comes down to this final game and I have to tell you that it was a brilliant ending to a great season. All boys played their best and gave it everything they had. Qais was fantastic on the field great foot work Jamal excellent work as goal keeper. The game was a very tough one today and I'm very proud of all the boys today. A special mention to Josh who scored our only goal and did it perfectly. Great one Josh. All I can say is congratulations to all the players and thanks Sam for being a great coach and to all the parents who spend every Saturday morning rain hail or shine. Thanks for the support.

U11 Major Semi vs Auburn FC 2 – 1 (in golden goal extra time)

Playing in the major semi against the minor premiers this was always going to be an uphill battle for our team. Every player lifted for us to get the win and secure a week off and a place in the grand final. Chan scored a great goal from out wide on the first 5 minutes of the game and was heavily involved in everything from defence to attack from then on. Ahmad, Ali, Sarah and Jasper all had strong games at the back with minimal mistakes. Tong was unlucky not to score on a couple of occasions after beating their defence. Ferdinando was heavily involved in the midfield after a change of position for this game and scored the crucial goal in extra time to give us the win. Great game today, one more to go now.

U14 vs Granville Kewpies 3 – 2

Wow, what a game. Parents, Managers and Coach were having heart-attacks on the side-lines. Granville Kewpies are a good team, but we made them look really good today. We are lucky that we have 16 players who play as a team, because that is what won us the game today. Kewpies have 3 players who can win the game for them, we have 16 players, all who are willing to do their best whenever they are on the field, that is the difference between the 2 teams. We look really good when we get to the ball first, control the ball, and pass to a team-mate, letting momentum take us forward, creating opportunities to score goals. This is how Pete scored our first goal, a team effort of passing and control, well finished. Will scored his goal by sheer determination. And John scored his goal by being in position and being hungry. Our backs scrambled well today, getting the ball to our mids, who were able to turn defence into attack, providing us the opportunity to score. A good all round team effort. Well done team, you have earned your week off and are now into the Grand Final. Thank-you to all of the great GMUSC supporters that cheered us on.
