RAIN – WHAT TO DO

It's raining, it's Saturday!! Is the game on??

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not emailed your manager, the game is on, even if it is raining!

Most often games will still be on so do not just stay at home, you will be letting your child's team down!!!

It's raining and it's training tonight!! Is training on??

Coaches and managers call the wet weather line **9294 8586**. If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.

NOTICE TO CLUBS

SHINGUARDS / SHINPADS

- OFFICIAL POLICY -

The Association is committed to providing a **safe environment** in which affiliated Clubs can play and enjoy soccer. In particular, the Association requires players' equipment to be of a safe standard. The issue of appropriate standards for senior players' shinpads/shinguards is an emotive one that is raised each season. The purpose of this Notice being to clarify the **minimum acceptable** standards for this equipment.

Law 4 of the FIFA Laws of Soccer is quite specific in that shin guards must "**provide a reasonable degree of protection**". This Association's official policy deems a reasonable degree of protection is the covering approx. 80% of the shin area. A guideline for this on an average size senior player would be coverage from 2" (5cm) below the knee to 1.5" (4cm) above the ankle.

Most professionally supplied shinguards/shinpads marked "Senior" may therefore appear to suffice for Senior Players. Sizing can be difficult to estimate, but shin pads of less than 200 mm in size would not appear to give adequate protection for a Senior Player of average size and **will not** be accepted by the referees of this Association.

The Association Insurance Policy will not cover senior players whose shinpads/shinguards do not meet these size standards, and consequently no exemptions will be considered.

For junior and mini players, shinpads/shinguards must always be worn and must conform to the same coverage standards as senior players.

NO PLAYER SHALL BE PERMITTED TO PARTICIPATE IN ANY GAME OF THIS ASSOCIATION UNLESS THEIR EQUIPMENT, SPECIFICALLY SHINPADS, COMPLIES WITH THE LAWS OF THE GAME.

NOTICE TO CLUBS

JEWELLERY

****THIS NOTICE SHOULD BE STRICTLY ADHERED TO FOR THE SEASON. PLAYERS DISREGARDING THIS NOTICE WILL BE ISSUED WITH AN AUTOMATIC CAUTION - YELLOW CARD *****

Clubs are advised in accordance with **Law 4** of the FIFA Soccer Laws, the following jewellery may not be worn by players participating in any match conducted by NSWCFCA:

- a. **Watches of any type.**
- b. Rings, other than flat wedding rings.
- c. Earrings, Necklaces and wrist bracelets (all types of material – there are no exceptions), bangles or chains.
- d. Facial piercing (such as eyebrow, nose, ears, lips, tongue etc) is not acceptable and must be removed prior to play.

All of the above are not necessary to play soccer, the only aspect they bring to the play, is possible injury.

Referees have been instructed to issue a **YELLOW CARD IMMEDIATELY** when the offending player enters the field of play. The offender will also be requested to leave the field to remove such jewellery.

NOTE: All items of jewellery are potentially dangerous.

Club Secretaries **must advise by copy of this notice to all players** to ensure that their members comply with this provision.
