The six a side for 2013 was a tremendous event only possible through the support of so many. Thank you to the NSWCFCA for putting the event on, thank you to all the players, parents and coaches. We had so many club members who went above and beyond the call of duty to ensure all went well. Dorothy and Peter worked tirelessly all weekend as did Frank. Frank realizing on Monday afternoon why they call it a “long” weekend! Ian Warwick, Peter Sultana, Darren McGuire and Megan Warwick all helped out wherever required. Thank you all.

Results wise, things were looking pretty good after we grabbed the 7s and later the 11s. But unfortunately the number of runners up medallions we sport as a club now is nice, but a bit frustrating. We contested all finals bar one on Saturday winning two, and on Monday three finals in a row we led with a few minutes to go, only to lose – the 13, 15s and A grade men. The A grade was particularly heartbreaking with one decision in our favour really hurting us – advantage it was not!

A number of people have provided me photos of the weekend and you will find some of them on the website.

RESULTS – 8th, 9th & 10th June 2013

We played really hard today and everyone had fun. We started the 6 aside comp, playing against the GM whites, with 5 players and were down 4-0 at the half time switch. Ali then arrived and we kept the opposition away but our disappointing start saw us lose our first game 4-0. We then played St Columbus and with team work a super effort from Charbel and great passing we won 9-0, Jack Scoring 7 (including an incredible curved ball that scored from a corner) and Charbel 2, the boys were elated and excited to play again.

Third game was against OLQP who had been dominating the other teams all morning. This team was a little rougher than we were used to, but we played really well, Ahoi was incredible in goals and faye kept attacking to the end. Unfortunately we lost 3-2. (Jack scored 2) In our last game for the day our boys had only a five minute rest before their tired legs again faced the U6whites. It was nail biting, Ahoi and Wek taking the ball forward while Ali and Faye continued to tackle and pass the ball, jack played well in defense, holding out the incredible attack of the whites striker. The game was tied 2 all, but was won by the whites on a corners count 3-2. Ahoi scored 1, and the 2nd goal was an own goal. Congratulations to the U6 whites for playing so well!

Round 2 vs OLQP Falcons 0 – 3

FINAL vs OLQP Falcons Blue 2 – 3

The team put in a wonderful effort to unfortunately go down 3 goals to 2. The players involved today were Adeng Yelchan, Hendrix Pinto-Elliott, Kilarney Lavender, Lucy Sultana, Muhammad Ziyen, Yak Majock and Yar Deng. All these players put in a great effort today. Thank you to the players and parents in supporting me and helping organize the team throughout the day for without your assistance it would not have happen as smoothly as it did.

Under 6 White – runners up

U7 Red

Both games were lost, the first, on the number of goal kicks. The team played with enthusiasm and eagerness. They seemed a little lost about the rules of kicking the ball over the back line but it didn't stop them from enjoying themselves.

Every year the six a side knock out brings us a new challenge. Today was for many of our little players a chance to shine. Playing in a small team of six gave each member of the team the responsibility to push his team forward and try to win the game. Under 8 grey played from their heart today. Baris scored his first goal, Woody as keeper was at his best today, Tamer Charbel and Armin along with Austin did not give up and played beautifully. The under 8 reds went on to be runners up on the day. Congratulation to the under 8 players for their play and the beautiful team spirit that they showed on the gala day today. Soccer is a team game and we definitely are a hell of a team!!!! Keep it up boys.

Round 1 vs **Prospect United** 0 – 4
Round 2 vs **Hills White** 2 – 5

Goal scorers: Elias Matta 1, Christopher Germanos 1

The U10 grey team, Christopher, Deng, Elias, Joel, Peter & Salvator, put in a great effort & though we ended on the wrong side of the ledger in both games, we played with plenty of spirit, had some fun & scored a couple of goals as well. Each of the players had a turn at either striker, midfield or back. Goalie duties were shared too by Elias, Peter, Christopher & Joel. Our first match was against the eventual competition winners, Prospect U10. This was a tough match. Prospect were just too good, but we didn't stop trying. In the first half the boys were a bit at sea, but eventually found their feet to put in a strong effort. Great tenacity was shown in chasing our opponents down & forcing them towards the corners. Our goalies also put in a great display with Peter's effort in the second half particularly commendable. The next match was against Hills White. Yet another tough match. After Hills had scored two quick goals, we replied with one by Elias, before Hills got another so we were down 3- 1 at half time. Christopher got another goal after the restart, making it 3 - 2, before Hills managed a couple more goals.

A great chance for the team to be reunited with a few old faces and go out and have some fun. We were very unlucky not to have an all McCredie final, and even unluckier to lose out on corners after being up 2 – 0. Well done to all who played, you were all great.

A very proud band of weekend warriors!

A great effort by all involved. The guys played some great soccer, taking control of their games and dictating play through most matches. All 3 RC Red teams (Red, Green and O35) looked capable of taking the finals, but it just wasn't to be.

Competition Round match results

U 12 vs **North Rocks** **2 – 0**

It's been a little while since we last got the full 3 points but we had been building towards it and today we were able to take advantage of our chances and get a much deserved win. Ryan and Harry shared the keeping responsibilities today and did really well keeping a clean sheet. Ahmad and Jasper were strong in the center of defence supported well by Nicholas and Peter. Mika was putting his body on the line in midfield and made some important interceptions. Luke, Ali, Ashley and Deng all looked threatening up front. A good result, we now need to build on it over the coming weeks.

Goal scorers – Deng Deng 1, Luke Fernandes 1

U13 vs **Regents Park** **5 – 0**

Want a fantastic match. Up against third placed Regents Park, this was a danger game. The boys played their finest game of the year though and trounced the poor Regents Park kids. Regents Park attack well and defend less well. Our defence took up the challenge though with man of the match, Daniel Wark dominating his forward opponents regularly picking their pockets and redistributing the ball back to our halves. Matthew's striking up front was sublime missing no opportunities and scoring some belters. Keep up this play boys and we will test every side we play.

Goal scorers – Matthew Richards 5

U15 vs **Winston Hills Bears** **1 – 3**

Our eleven players out there gave 110% all game. We were up against it with no reserves and an opposition seeming to rotate their players at will - it was so annoying that we couldn't! We started well and even managed to score against tough defence, but were gradually worn down. Of their three goals, one was undefendable, but the other two came from opportunities that we couldn't cut off in time. Our goal came early and even seemed to surprise Hassan. There was great attacking work up front and an excellent finish. As the game wore on we tired and started losing ground to our fresher opponents. Despite our players not having anything left, they kept going until the end and we were so unlucky not to get some goals back later in the second half. The score doesn't reflect how well the team played - as a team, and with fantastic commitment to each other.

Goal scorer: Hassan El Hallak 1

Ladies vs **Lidcombe Waratah** **1 – 4**

The good news? We won the second half 1 – 0 with a concerted display of getting to the ball first, determined running and tackling and a solid defensive effort. Elise was player of the match with an awesome match of tackling and passing. Mo and Ania also played well today. You don't want the bad news – it's awful.

Goal scorer – Sarah Rebenko 1
