McCredie Red vs Chester Hill Premier League 1 - 2

What a gutsy effort. The 4 6-aside games the day before and the long injury list were always going to make this a huge ask. In true McCredie style, we took it all the way with Chester Hill Premier League, controlling most of the first half and slotting home the first goal, before they snuck one back just before half time. Even with the energy levels low in the second half, we never gave the game away and continually frustrated Chester Hill's attack and swiftly countered keeping their backs busy. The better side didn't win on the night, in the end, it was just too many games in too short a time that allowed Chester Hill to win 2-1. The Warriors were: Darren W, Luke R, Kyle, Steve, Lukman, Dany, Jason, An, Mehmet, Mohammed S, Goran, Micky and Caner. Great game.

Goal Scorer: Caner Temel

U6 Red vs Hills Spirit Red 9 - 0

This morning it was apparent that Winter has well and truly arrived. Our team couldn't feel it though as they took the field with enthusiasm. Ali started in goals and didn't let any in - although the team was working so well together that the opposition didn't get any chances to take a shot. Fayez was man of the match and made some fantastic runs down the field, he was rewarded with a goal. Ahoi was brilliant in attack and passed the ball perfectly. Simon and Thomas tackled hard while Charbel took the ball to the goals and added to our tally. Ali came out of goals for the second half and was a great runner. Wek was persistent and Jacko was a goal scoring machine. A fantastic effort as a team although we missed Millen and Gerri.

Goal scorers Jack Whale 6, Fayez Fahme 1, Charbel Estephane 1, Ahoi Ahoi 1.

U6 White vs St Bernadettes Castle Hill Lions 3 - 1

Today the team played on the largest field in the competition for the under 6's and it sure took the breath out of them. We had only one reserve today and the opponents, St Bernadette's had three. Most of the players were also suffering from a cold and their respiratory system was under stress throughout the game. However despite these setbacks the team took their chances when they came. At half time the team led one goal to nil. In the second half the team had a few more chances which they converted into goals. All in all the team did a great job to come away with a 3 goals to 1 win. Well done team.

Goal scorer - Adeng Yelchan 3

U7 Red vs St Columbas Castle Hill 4 - 3

Team was really enthusiastic about playing today. Joshua, Joey and Mark-Antony all had a go at playing goalie. Sayed and Joey played really well together upfront and managed to score 2 goals each. Kareem and mark- Antony played well in defence with big kicks. Ali and Zachary also played good defence and attack. Man of match Joshua Depares

Goal scorers - Joey Farah 2, Sayed Dahdah 2

An early start travelling to Kellyville was going to test the commitment today. Fortunate for us despite a couple of late arrivals we fielded a near full strength team. A couple breakthroughs happened today. One of our girls Achel, in the scrummage of play just in front of the opposition goals managed to get the final boot on to the ball before it went in for our 4th goal of the game, but first of the year for Achel. The other milestone was the development of our teamwork motto coming to fruition with Sebastian our determined soloist finally learning that passing and chasing down the ball for the team is just as important as scoring the goals itself. He played a great team game which earned him player of the week. Dylan wasn't feeling 100% today but did a good job in goals for the first half then handing the duties to Daniel. Ading made excellent runs with Adam equally playing well all over the park. Fouad has learnt easy goals can be had by stalking the keeper when they're clearing kicks and got a couple of cheap ones in. Coming off the bench at the start of the game Ali immediately made an impact by getting the teams first goal to level it 1 all, after our opposition got their first and only goal early in the game. It was a comfortable win in the end and all our kids looked like they really enjoyed the game.

U8 vs Hills Spirit Red 0 - 1

Today's game was a bit sad, we seemed to struggle with form. The opposition scored their first goal in the first half and we tried and tried but were unable to match up. We had three good chances to score but it was just not our lucky day. We need to spread out, keep our positions and never stop trying. We needed a strong opposition to highlight our gaps. Still it can be considered one of the most anxious games of this season. Good effort boys. Man of the match Baran Tas.

U9 vs Hills Spirit White 5 - 0

Today's game started off slow, we did have the ball at their end but it took a while after many attempts that Mustapha scored our first goal. Max received the award today for trying hard throughout the game, Gregory and Michael both scored great goals. Well done kids!

Due to sickness & no shows, it was the magnificent eight (Christian, Shaleen, John-Luke, Mounir, Salvator, Joel, Ryan & William) today against Hills White's eleven players plus reserves, for the top of the table match. To look at the score line you'd think that this was a comprehensive loss, but in reality we were gallant in defeat. Even going into half-time, 0-2 down, we still were in the game & if things had gone our way in the second half, we may have got a different result. The game was played at a frantic pace, even the opposition supporters were surprised when they realised how few players we had on the field. Everybody put in 100% & played outstanding football in defence & attack. They ran themselves ragged trying to cover as much of the field as they could, turning defence into attack with some good long balls & clever passing. If goals were given out for determination & effort we'd have been on the board. As it was we did create a number of opportunities to score, only to be thwarted by some good Hills goal keeping. Speaking of goal keeping, our man of the match, Joel Carder, was our goalie today. His effort today was outstanding. He saved plenty & often got us going forward again with his kicks down field.

U11 vs St Columbas Castle Hill 1 - 2

Today we were away to St Columbus Castle Hill. It was a very tight contest with some staunch defence from Elias and Joshua and it paid off with Qais putting Guildford ahead 15 min into the game. Just five min later a rare lapse in concentration let Castle Hill in for the equalizer. The second half began as the first did with Joey and Qais peppering the opposition goal but to no avail Yusuf ran his heart out as did Nedim but he was hampered by the flu. Unfortunately 5 min from the end another rare lapse in defence saw Castle Hill in for the winner which Andrew Elzain (who played gallantly in goals) was so unlucky not to stop. This was our first loss of the league season.

Goal scorer - Qais Sungkar 1

U 12 vs Castle Hill United 0 - 8

Some key players missing, playing the first half short and into the wind were contributing factors in this result. We struggled to clear the ball in the first half and our opponents were able to get a good lead going into half-time. The second half we changed a couple of positions and were able to hold them out better and had a couple of chances of our own. Ashley, Ahmad and Jasper all tried hard throughout the game while Mika, Peter and Harry adjusted well in the second half to playing out of position.

U13 vs Rouse Hill Rams 2 - 1

What a great effort against the team coming third. In the first half we played with the gale at our back but sloppy skills and poor options meant we couldn't capitalise on the conditions and instead of leading we found ourselves heading into half time 0 - 1 down. The coach suggested that with the opposition now having the conditions the score would most likely be a 0 - 3 loss unless we came out and played a better brand of football. So the boys did. Rusheel gave the defence some steel and Jesse made some great tackles in midfield. Salem and Jacob took control and Ali had his best game of the year up front. Mujtaba played a great pass to Ali after a Matthew cross for goal 1 and Matthew was "Johnny on the spot" to get in behind the defence with a couple of minutes remaining and clinically finish. The importance of Lawrence's save in goals shouldn't be underestimated either. A really splendid effort all round.

Goal scorers - Matthew Richards 1, Alibaset Zafari 1

U15 vs Ermington United 0 - 6

I could say that again we had no reserves and that they wore us down, but in reality we didn't turn up to play. They were first to the ball, faster and taller than us, and, more importantly they were ready to compete from the first whistle. We spent much of the game watching and waiting for someone to do something. We were outplayed, outclassed and outgunned by the competition front runners. Everyone get ready for some torrid times at training! On a much brighter note; HAPPY BIRTHDAY TO HASSAN EL HALLAK AND JOHN YOUSSEF!

Ladies vs Holroyd Rangers 2 - 0

What a difference a week makes. We were awesome today, with great positional play, some super passing and always getting to the ball first. Everybody played really well and even though things were tied up 0-0 at half time the team stuck to the plan and came away deserving winners. The whole team was really strong but Laura was on fire from the first whistle and deserved her goal.

Goal scorers - Laura Burden 1, Mika Oo 1

RC1 Red Reserves vs St. Matthews Baulkham Hills 2 - 0

Well, in an unenthusiastic effort where 1st played last place, we took the 3 points. And that's about the best of it. There were a few bright points in the 90 minutes where we lifted and controlled the game, settling into our normal passing and supporting play. But for most of the game we were slow to get to the ball, holding the ball for too long when we had it and not a lot of talking/listening which is the basis of our team play. We have some tough matches coming up with a shortage of players and we will need to play a lot better than this to win.

RC1 Red Firsts vs St. Matthews Baulkham Hills 1 - 2

Okay, let's ignore what we can't control and concentrate on what we control, our game. The Firsts carried on from the Reserves, not wanting to keep and control the ball, and not being able to settle into any rhythm. Again there were some good moments where we retained possession and built up our attack, but mostly it was a bit of kick and hope. Yes, their first goal was definitely offside, and yes, probably their second as well. But we probably received a few favourable calls as well. At every moment through the game each one of us thought "we have this, we are the better team, and we can win." Unfortunately, we just couldn't concentrate on our game and lift to achieve this result. Still plenty of games to play, and definitely good enough to go all the way when we play our game.
