RESULTS – 6th & 7th July 2013

U 12 vs **Guildford County** **0 - 5**

The score line doesn't really reflect the fact that we played quite well for the most part of this game. Unfortunately we just couldn't take our opportunities when they came up and our opposition made the most of theirs. Mika, Jasper and Deng didn't give up when in defence and worked really hard to try and keep them out. The passing moves between Ashley, Ferdinando and Luke was really good to see and it was only the speed of County's sweeper that was able to deny them several more chances as they were able to cut apart the rest of their defence. It was just our execution of plays towards the end of the game that allowed our opponents to stay on the attack. A much better effort than last time we played this team, keep it up and we can hopefully finish the season with a few more positive results.

U13 vs **Lidcombe Waratah** washout

U15 vs **Baulkham Hills** **10 – 3**

Forget the score, this was a truly awful game. Baulkham Hills had only 8 players, we had 12. Our intensity was zero and most of our play was embarrassing. Both teams looked like they were playing for the wooden spoon in division 9. There were a few glimpses of the real U15s in this game, and that's when we put pressure on and scored. Hussan had some smart plays from goals. Vehid and Josip worked hard on the right side, while Kane created opportunities up front. Will scored 1 and John scored 3 great individual goals, while the other 6 goals came from some good teamwork and passing. More of that please, it won't be so easy next week.

Goal scorers: John Kazzi 6, Willem Booker 3, own goal 1

Ladies catch up match vs **Winston Hills White** **won on forfeit**

Ladies vs **Lidcombe Waratah** **0 – 3**

Tough day at the office. Started with 11, finished with 10 – after Mika came with our doctor and then left via ambulance to see another. We could easily have been 2 – 0 up but conceded a soft one and then had to chase the game with 10 players. To be fair though we didn't play well and the better side won. We are going to finish the season in 4th or 5th whether we play semis is really up to how much we want it. Whether we choose training, getting to the games in time to warm up before hand and play as a team following the game plan or whether we choose to be individuals and just limp through to August. I know we can do it, but does the team believe me?

RC1 Red Reserves vs **Macarthur Wasps** **3 – 1**

We made this tougher than it should have been, considering they only started with 9 men. When we kept and passed the ball, we controlled the game. When we just kicked the ball forward, it was 50/50 at best. We need to be patient and build up the pressure. It was good to have Christian and Phil in the centre to calm the players and have them refocus on the game plan. However it wasn't enough, and at 2-1 up we had allowed Macathur to build their game and it was only a great effort by Darren to stop it being 2-2. That woke us up and we lifted a bit to counter their momentum, playing out the rest of the game for a scratchy win.

Goal Scorers: Jeff Eker 2, Daniel Santo 1

RC1 Red Firsts vs **Zimwarriors** **1 - 3**

When Zim scored within the first couple of minutes, I thought it was going to be a very, very long afternoon. As it was, it was just a long afternoon. The ball always seemed to be in our half with Luke and our backs having a torrid time. Some great scrapping denied Zim another goal before halftime and allowed us to go in 1-1 after some good pressure up front forced an own goal. The second half saw us with 1 regular back and no-one left on the bench. Again, the backs stood tall, but without enough support from the mid-field, it was just a matter of time before we were worn down. Even though we were short of First graders, some more determination from the mids could have held this one to a draw.

Goal Scorer: own goal

RC1 White Reserves vs **Bye**

RC1 White Firsts vs **Strathfield Prestige** **2 - 2**
