U6 Red vs no report

U6 White vs **St Columbas Castle Hill** **8 - 0**

Today's game was the first game in three weeks due to washed out games and the school holiday break so we didn't know what to expect from today's game. Fortunately the game was entertaining and the team showed that the break did not affect their game. The team scored 8 goals while holding the opposition, St Columbas Castle Hill scoreless. All the players played well today with our goals coming through the boot of Adeng, Kilarney and Mohammad. Yak and Lucy almost scored their first goal for the team and club but were both denied. Our goal keepers on the day, Kilarney, Adeng, Yar, Yak and Mohammad kept the score sheet clean. Sarah and Hendrix also played well and contributed in a great team effort. Well done team.

Goal scorers: Mohammad Ziyen 4, Kilarney Lavender 3, Adeng Yelchan 1

U7 Red vs **OLQP Falcons Red** **3 - 6**

It seemed a long time since our last game but our boys were really eager to play. We had no reserves so the game seemed to go on forever for our players. Nevertheless, it didn't stop them they played with full force. Joshua scored first just before half time and his second goal in second half. Joey after several attempts (6) he finally scored his first goal. Man of the match was shared with Joshua and Zachary.

Goal scorers – Joshua Depares 2, Joey Farah 1

U7 White vs OLQP Falcons Blue 9 - 2

After a few weeks off training and missing Saturday games along with missing Daniel and Sebastian due to family holidays it looked like the team was going to be in real trouble with only 4 players. Luckily just before the start of the game Adam arrived giving us a respectable 5 players to start the game. It was these same 5 players that ended up playing the whole game against a full strength Falcons team. What happened during the game as we had our backs to the wall? Our little champions did the team very proud. After an early goal by the Falcons, the team worked wonderfully together to support Ali's thumping 3 goals in the first half. Fouad stopped all further opportunities in the first half and Dylan was fantastic in attacking the offence taking the ball off the other players and putting in good kicks to clear ground for Ali's attack. Adam took the opportunity with less players to get into the scrummage as well and did a great job in stopping the Falcons occasional breaks. Going into goals for the second half Achel stopped what was almost a certain Falcons goal. The momentum for our U7W's just kept building with Fouad cashing in with 2 goals and superboy Ali flying in another 4 bullets to finish with 7 for the game. I was very proud of our boys and 1 girl today and I'm sure our recovering coach Mika would have been too after suffering a season ending injury in her ladies match last week. Get well soon Mika.

U8 vs OLQP Falcons White 3 - 0

It has been four weeks without any game. So today the boys were all pumped and happy to be back in action. In the first half Mathew scored our first goal and Baran the second with a penalty kick and again mathew scored in second half. Barish Austin and victor in defense were unbreakable, woody Samuel Mustafa charbel and baran controlled the ball most of the game and in the front Armin tamer Mathew and Mohammed did not miss a chance to score. Well played boys, obviously encouraging team work is showing good results. The encouragement award was well deserved by Charbel chehab for his consistent effort.

Scorers: Mathew Youssef 2, Barran Tas 1

U9 vs Wentworthville Uniting Blue 1 - 6

Unfortunately today we were let down as 3 of our players couldn't make it to the game, and 2 just didn't turn up, it was very disappointing as we were playing a strong opposition with only 7 players. Mase and Mustapha were trying very hard with many attempted goals but only managed to get one goal in second half. Thanks to Adam who was very brave to play today as he had stitches in his chin due to a fall he had at the park. John was in goals today for the first time, he tried his best managed to save a penalty, but unfortunately just too many goals got past him. John and Bailey received the award today for great efforts. Unlucky today but better luck next time!

U10 vs Hills Spirit Blue 7 - 2

The boys played well today, especially considering we were a player down. The play switched rapidly from one end of the field to the other. Often the defence, after dispossessing their opponent or from a goal kick, turned it around by getting the ball quickly to the halves, who in turn released our forwards. Our goalies today were Peter in the first half & Yilmaz in the second half. They cleaned up most that got through our backs: Ryan & William, with Joel & Elias in the first half, and Christopher & Peter in the second half. The halves: Shaleen with Christopher & Yilmaz in the first half & Joel & Elias in the second half advanced play up field before passing to either of our forwards, Christian or Mounir, & then supporting them in front of goal. In the first half, we were up two nil after a nice goal each from Christian & Mounir, before Hills managed to get one back. Then Mounir & Christian scored again so it was 4-1 at half-time. In the second half Christian scored twice more, before Hills managed to score again. Christian added the final goal with a nice strike into the goal's left hand corner just before full time. Each of the goals followed some good passing & positional play by the team. A good defensive effort by the team limited oppositions opportunities. Keep up the good work. Man of the Match Christian Frangie.

U12 vs **Winston Hills Bears** **1 - 2**

We dug really deep today and deserved to get a better result out of this game. All our players worked hard and were covering each other the entire game. Ahmad, Jasper and Nicholas had really good games at the back repelling many of their attacks. Cameron and Sarah chased down players in the middle of the park and helped set up attacks and defend our goals. Luke, Ferdi and Ashley worked hard up front trying to take advantage of the opportunities we created while Deng made many good saves in goals.

Goal scorer – Ferdinando Cavasinni 1

U13 vs **Granville Rage** **1 - 1**

What a great game. The two top teams facing off and our boys were up for the challenge. We were good across the park but the men of the match were Salem and Daniel who both lifted for the big game, marked up, p[assed intelligently and dribbled at the right times. The whole team was good though and we were unlucky not to get all three points.

Goal scorers – Matthew Richards 1

U15 vs **Granville Kewpies** **3 - 4**

There were some good moments in this game but not enough to come out on top. We worked hard to get in front after their early goal, eventually getting three in response. Then the wheels fell off. Somehow they seemed to be putting pressure on everywhere and despite our counter attacks we couldn't get anything in their net. They managed to scrape together two fairly soft goals and then made sure of their win with a final score nearer the end. From our side of things, all we needed were more of our chances to be converted and perhaps more blocking defence to prevent shots from a distance. Other than that it was an exciting game and the passing throughout was a great improvement from previous matches. It was good to see more of the team linking up and even a couple of one-two moves. If we end up meeting Kewpies again this season, I think it may well be a different outcome.

Goal scorers – John Kazzi 2, Hasan El Hallak 1

Ladies vs **Wenty Waratah** **1 - 2**

Up against the top team with only the girls left in the team with two legs (and no babies!) this was going to be tough. But tough we were and if only for a faulty watch allowing the first half to run an extra 30 seconds we would have snared the draw we deserved. Sarah Irving was sensational in goals having her best game of the year. Hendrika dominated in midfield and Nyunut, Mo and Tess never stopped trying. Ania was only just kept out of player of the match by Sarah and Huynhy made life very tough for their striker. Great game girls – we have played far worse in other games and won.

Goal scorer – Genell Hunt 1

RC1 Red Reserves vs **Bye**

RC1 Red Firsts vs **Strathfield Prestige** **4 - 0**

Both teams only had 10 players to run on the field, and both only had 1 more turn up during the game, but it was the McCredie boys who played smart and dominated the game. A great team performance where we worked together both in attack and defence, supporting and passing to each other, building up and keeping the pressure on Strathfield who had no answers to our play. Santo, Will and John controlled the middle and sucked in their players giving An and Antony space out wide to create havoc. Darren, Nick, Eloy and Phil C covered each other and shut down any sniff Strathfield had, while Luke in goals pulled off 2 great saves and never stopped revving the team up. These 11 guys have given the team a chance of semi-finals, and proving we can go all the way. Great effort!
