## RESULTS – 17<sup>th</sup> & 18<sup>th</sup> August 2013

### **U6 Red vs Hills Spirit Blue 7 - 0**

Today didn't look good as only 5 players showed up. From the start we attacked and took the lead early with a quick goal from Ahoi. Gerri was in goals first half and with great team work and defence we kept the opposition scratching their heads as they just couldn't score. Ahoi put another 3 in before the break and we had a comfortable lead at half time. Second half Charbel took over as keeper and was sensational. Gerri, Fayez, Ahoi and Millen combined together and used tactics from training to put the game out of reach. Great game guys but next week is the one I want. Goal scorers – Ahoi Ahoi 6, Fayez Fahme 1

### **U6 White vs Hills Spirit White 2 - 3**

Today's game against Hills Spirit was the game that we wanted to win the most all season. In our two previous games against Hills our team came away with a draw and a loss. We wanted to equal the ledger. From the kick off the team got into their stride and were playing free flowing football. Their passing game was on song and they supported each other. Their scrambling defence was good as well. The first goal of the game came through the boot of Adeng. From a goal kick, Kilarney's long ball cut through the middle of the field to open space. Adeng was able to get to the ball but was met by the defence. In the ensuing tackle Adeng was able to retrieve the ball through some help from Kilarney and Diego. This gave Adeng the opportunity to get away and beat the keeper to score. The second goal came a few minutes later. The opposition had taken a goal kick but were unable to clear the ball from their goal area. From the scrambling defence by the opposition and our attacking of the ball in the goal area Diego was able to get a kick on the ball which deflected off an opposition player's leg to go into the goal. This gave the team a 2 goal to nil lead at halftime but we knew that it was a lot closer than the score line indicated. In the second half the team started as they had in the first half. Diego was playing well in defence, and trying hard all day. Kilarney was using his big kicks to our advantage, clearing the ball from our goal area and sending the ball forward to Adeng. Adeng was trying to score more goals up front but the defence from Hills negated her plays. Hendrix ran all day, helping in defence and attack as well as keeping in goals. Yak played well on field and made some good saves when playing goal keeper. Lucy tried while on the field considering she was not feeling well. Yar ran well today chasing the through balls that Kilarney was able to put through the defence. Yar also made a great tackle to stop a Hills player from scoring a goal in the first half. Little Sarah, who has improved with every game that she has played, kept her score card clean while goal keeping during the game and when playing on field, Sarah chased the ball and tackled players at every chance she had. Still even though this was the game we wanted to win the most all season, it was not meant to be. The players were disappointed with the outcome and they didn't deserve to lose this game today considering the effort that they all put in.

Goal scorers: Adeng Yelchan 1, Diego Valencia 1

### **U7 Red vs Bye**

### **U7 White vs St Bernadettes Castle Hill Tigers 1 - 3**

We came second today. Missing Sir Bazy and Fouad the Punisher, we were punished by our better opponents on the day. With a couple of late arrivals making it to the game just as the game was about to start, we looked tired and rusty and the Tigers also with just 6 players came to play and they sure did. We were only given a few opportunities to score as the Tigers attacked with force. Only one of our goal attempts managed to get pass the goal keeper thanks to Dimo's great effort. But throughout the game we were just slower, unfocused and outplayed. So this is what losing feels like.....One game to go, lets finish on a high!!! Goal scorers: Dimo Dimo 1

### **U8 vs OLQP Falcons White 4 - 1**

What a great game. We scored in the first 2 minutes of the game. Our boys were top of their game. The boys were passing and helping each other. Goal scorers – Matthew Youssef 2, Mohammed Matar 2

### **U9 vs Wentworthville Uniting Blue 0 - 1**

Great effort to the whole team today, Mustapha attempted 2 goals but unfortunately missed, Mase played great defence as well as Bailey. Izabella tried her best, John managed to get the ball from the oppositions best player, overall a great team effort.

### **U10 vs Hills Spirit Blue 1 - 2**

The play in today's game, rapidly transferred from one end of the field to the other. In the first half, Joel had a nice shot stopped by Hills goalie, before John-Luke goaled, just before half-time, with a nice aerial kick, which bounced over Hills goalie head into the back of the net. So we went into half time up 1-0. In the second half, Hills Blue quickly scored after play resumed & again 10 minutes later to be leading 2-1. Until the end of the game we just couldn't find a way to get through Hills Blue defence. Simple mistakes, such as, not throwing in correctly (numerous times), not only gave the ball to Hills Blue, but put us on the defensive instead of attack. There were patches of good individual & team play today, but as a whole it was a disjointed effort which is reflected in the result, with Hills Blue deserving winners. Hopefully, we will as a team, learn from this loss & use these lessons in future games. Man of the Match: John-Luke El-Rahi. Goal scorer: John Luke El-Rahi 1

**U12** finished for 2013

**U13** elimination semi vs **Regents Park** **1 – 2**

A couple of unexpected losses in a row and our season has come to an abrupt end. We got off to a slow start today, missed some chances up front and then conceded two at the back in the first 20 minutes. We clawed our way back in and scored early enough in the second half to have everyone on the edge of their seats. The coach attempted to get the boys to play calmly and not panic (that was the coach's job!), and whilst we certainly tried hard and made a real game of it, we couldn't find the equaliser. Great season guys. Goal scorer: Jacob Mitwali 1

**U15** finished for 2013

**Ladies** vs **Ermington United** **2 – 1**

A nice way to finish the season, with a win that should put us in to 5<sup>th</sup> place. A good toss to win had us playing with a gale at our back for the first half. We scored two quick ones and only gave up a goal in the last minute before half time when the opposition received a free kick just outside the box which they slotted. The second half was tense but a returning from injury Tess was on fire, Huynhy ran everywhere, Mo and Ania threw themselves into defence and Nyunut had a great game too. Goal scorer – Sarah Rebenko 2

**RC1 Red Reserves** major semi final vs **Castle Hill Baptist** **1 – 0**

Fantastic effort by everyone and the result means we are straight into the grand final. Tough match against quality opposition which we expected but the wind did add an extra element of uncertainty. We got an early goal but the match never settled down and kept a scrappy edge to it. We need to communicate better and show a bit more composure as we will need to improve our game in order to win our grand final in 2 weeks time. Goal scorer: - Santo Daneil 1
