## RESULTS – 4<sup>th</sup> & 5<sup>th</sup> May 2013

**U6 Red** vs **OLQP Falcons Blue** **1 - 6**

Disappointing loss to the Falcons 6-1, with the larger size mini field taking its toll on little legs. We had our whole team but some were a tad sleepy resulting in 5 goals being scored against us in the first half. After an encouraging pep talk at half time, we pulled it together and Ahoi scored our only goal, we were unlucky not to score off jacks sweet pass to the centre but coach was glad to see what we learned at training being put into action. Our defense was "on the ball" in the second half and we kept the opposition to one goal. Good effort team, but we need to make sure we get an early night on Fridays. Ahoi earned man of the match for his efforts.

Goal scorers – Ahoi Ahoi 1

**U6 White** vs **OLQP Falcons Green** **7 - 4**

This wonderful Saturday morning, Guildford McCredie and OLQP Falcons green played an entertaining game of soccer for all spectators to enjoy. Both teams played well and at one stage it appeared as though the game would end up being a lot closer than it actually finished. The first half score was 4 – 2 in Guildford's favour and the game ended 7 - 4 to Guildford. All the team played well. Not one player could be faulted on their effort today. Yar, Adeng and Yak, the three players that shared the role of goal keeper did a great job. Our defensive effort was led by Kilarney Lavender, a player who never takes a backward step and chases his opponents all day long. He was strongly supported by Diego Palacios-Valencia, Muhammad Ziyen, Hendrix Pinto-Elliot and Yak Majock. The girls in the team also showed some wonderful skills. Adeng Yelchan scored 4 goals, Sarah Ayoub and Yar Deng are improving with every game and their confidence is showing to all the team. Lucy Sultana, after two great runs with the ball towards the oppositions goal was unlucky not to score her first ever goal. A Great team effort today.

Goal scorers: Adeng Yelchan 4, Muhammad Ziyen 2, Kilarney Lavender 1

**U7 Red** vs **Hills Spirit Red** **1 - 7**

Today we were given lots of chances at scoring but it just didn't happen. Good team work lots of enthusiasm the players showed lots of interest in the game. First half we played mostly down at our end. Joey scored our only goal, Kareem had big kicks, Anthony stopped a few goals as goalie, Joshua and Sayed kept all eyes on the ball, Mark-Antony and Ali had big kicks. Second half the boys were a little restless but they still managed to play with good team spirit.

Goal scorer - Joey Farah 1

**U7 White** vs **Wentworthville Uniting** **2 - 2**

Today was round 3 against our arch nemesis Aaron and the Wenty's. We fielded a full strength team today and maybe fittingly the battle continues unresolved as the game ended in a 2-2 draw. We looked the more aggressive team today with more chances at goals but they were just fantastic in defence. A couple of lucky goals and 1 unfortunate own goal by Wenty was balanced out by a silly substitution play by the U7W's manager which resulted in a goal against us. This demonstrates the toughness of the competition today where little opportunities had to be converted. All the kids had a go though and that's important.

Goal scorers: Dimo Dimo 1, Own Goal 1

**U8** vs **Hills Spirit Green** **7 - 0**

Today's game was one of a kind! The boys were on fire. Within the first few minutes of the game we scored our first two goals and Each one in his position played very well, and they just kept bringing those goals through. Baran Austin and Armin nearly scored and am sure they will be more lucky next time. The opposition error gave us a free kick in front of the goal and Victor made sure to get it in. Woody and Baris our goal keepers kept the opposition away and Samuel tamer and charbel tried hard in the midfield. mathew the golden foot even after his goal number 6 did not stop but unfortunately the game ended. well done boys, big thank u to adam who stepped in to cover billy's absence on wednesday and today and this game is dedicated to billy who even when he's away was keen to show support to his little warriors. Man of the match: Matthew Youssef

Goal scorers –Matthew Youssef 6, Victor Doueih 1

**U9** vs **Hills Spirit Black** **7 - 0**

It's great to see what our team has achieved, we have come so far and it's definitely thanks to our coach George, also to our new team players this year, one of them being Adam who received the award today for his fantastic soccer playing, keep it up! First half of the game was played at our end with many attempted goals, but unfortunately the opposition had a great goal keeper, that didn't last long though as Mustapha finally scored, soon after that he put in another goal and this second goal was amazing it was almost from the half way line!!! Second half we were still in lead, the opposition only had 1 attempted goal, we had a beautiful goal scored by Aaran in second half. Michael and Mase also scored, another great game played by the U9's, so good to see this improvement, good on you kids!

Goal Scorers: Mustapha Fahme 3, Aaran Bath 2, Michael Barakat 1, Mase Swalah McDahrou 1

**U10** vs **Hills Spirit White** **0 - 2**

Another week, another tough opponent, this time Hills White. It was a good game, in which Hills White prevailed 2-0.

In the first half, we spent the majority of the match in front of their goal. Christian & Mounir played up front taking a number of shots at goal, which if it had not been for the Hills keeper we'd of been on the board. The mid-fielders John-Luke, Salvator, Christopher, Yilmaz, Peter & Joel predominately fed the ball through to the forwards. The backs Deng, Ryan, William & Elias all tried their hardest to shut-down opposition forward thrusts. Shaleen put in a strong game as goalie. Hills first goal just before half time came only after his valiant attempt to stop it by coming forward. He got injured in his attempt & the ball only just got past the goal line before the defenders could reach it. The second half started much the same as the first, but as the boys tried towards the end of the game, the mid field lost its structure a little & we bunched at bit. Shaleen's goalie skills were tested time & again. He again made many saves, but eventually Hills scored again. The team kept tiring until the final whistle, but alas no goal from a number of shots. Even though we lost, it was good team effort with good football played, which we can only improve on. Man of the Match: Shaleen Nagar

## **U11 vs Kings Old Boys 2 - 0**

Well today we were back at Everley Park for the re-match of the gala day final against The Kings boys and thankfully the result was different with Guildford taking the honors with a 2 - 0 win. It was a tight enough game with Yusuf and Yunus running themselves into the ground while upfront Nedim, Qais and Joey were peppering the kings goal. Jamal in goal made a very important save in the first half while the game was on a knife edge. In the backs Joshua, Elias and Andrew I were very strong well done boys and keep up the good work

Goal scorers – Joe Azzi 2

## **U12 vs Winston Hills 2 - 7**

Mistakes at the back really hurt us today. We had the chance to stop just about every goal that was scored against but miss kicked the ball straight back to the opposition and allowed them to stay on the attack. When we got it right though the passing in midfield between Ali, Deng, Ashley, Ferdinando and Luke was good to watch and showed we can be competitive getting back to 3-2 midway through the second half. Unfortunately our heads dropped after conceding a goal we should've stopped and we couldn't get back into the game.

Goal scorers – Ryan Carder 1, Ferdinando Cavasinni 1

## **U13 vs Castle Hill United White 4 - 1**

Some really nice attacks built from the back, some beautiful strikes on goal from both Matthew and Jacob, some sensational goal keeping from Jesse and returns to form for Ali, Matty and Daniel saw us score a convincing win today. Still some wrinkles to iron out but a much better game today guys.

Goal scorers – Matthew Richards 2, Jacob Mitwali 2

## **U15 vs Granville Kewpies 1 - 1**

The early weather was cool and overcast, and we all struggled to get going. I'm not sure if we were all still asleep, but there wasn't much running and the game was very scrappy throughout. There were some promising signs, with some good passing, occasional long through balls and a few clear chances, but on the whole we failed to fire up front. We were behind by a goal at the half and managed to earn a draw at the end, but really the defence kept us from a loss. Special mention to John Youssef, who as goalkeeper put his body on the line on many occasions, as well as to Will, Jason, James and Joshua who were able to keep coming up with miraculous last ditch clearances. There is plenty to work on at training, particularly our speed in passing, beating the opposition to the ball and especially improving our fitness. Not a horrible effort, but it could have easily been a lot better.

Goal Scorer: John Kazzi 1

## **Ladies vs Winston Hills White 4 - 0**

**Very convincing win today and a great way to welcome Genell back! Nyunut was player of the match for a very skilful performance in midfield. Tess, Laura and Mika had their best games of the season and again the defence was solid. The only small disappointment was our inability to improve on the half time score. Well played ladies.**

Goal scorers – Genell Hunt 3, Mika Oo 1

## **RC1 White Reserves vs Macarthur Wasps 0 - 2**

Held our own in the first half. Great keeping by Chris kept us in the game. We just struggled to get a shot on target all game. Special mention to Nakat for showing real strength the full 90 minutes.

## **RC1 White Firsts vs Zim Warriors 3 - 2**

An amazing game, end to end stuff. A new formation came with great results. Nothing I can really say other than this is how it should be every week, we have a lot of talent in this squad. An injury to Tristan was the only downfall. Superb goals by Stuey, Tom and Moz.

Goal scorers – Stuart Jenson 1, Aaron Morris 1, Tom Roncone 1

## **RC1 Red Reserves vs. Greystanes Churches 5 - 3**

Last minute cancellations and late arrivals meant yet another disrupted start. Then we let them score first before we finally got our act together. It was 3-3 at half time and I don't know how we made them look that good to have scored 3 goals. Luckily Jeff was on fire. We did create plenty of chances – as can be seen from the score line – but converting those chances is what makes the difference.

Goal scorers – Jeff Eker 4, Caner Temel 1

## **RC1 Red Firsts vs. Lidcombe Churches 1 - 3**

Very frustrating watching this on the sideline. We knew their players, their formations & what we had to be wary of. Yet we still allowed them to score first. The big difference between reserves & firsts is the converting of the chances that both teams make. Playing downhill with the wind and we could not get past their last man. We discussed it before and during the match but we insisted on trying to beat their last man before taking a decent shot. The definition of insanity is doing the same thing over and over again and expecting different results. The one time we did shoot & not try and beat 10 players we scored; though it was an absolute screamer from Nic. Second half going uphill against the wind and after talking about us needing to control the game by controlling possession through little passing we shoot ourselves in the foot by rushing a simple play when there was no need to; especially after 20 minutes of us managing to consistently attack their goal while being defensively sound which they couldn't even manage to do. A further moment of stupidity and we hand them a third goal. We finished off the game well but this was a major chance lost and a definite point wasted. Once again great performances from Adem, Nic and John.
