RESULTS – 12th & 13th July 2014

U6 Red no match

U6 White vs **St Bernadettes Castle Hill Tigers** **0 - 5**

It was a tough game and the kids did a great job but with some missing players from our side, our kids were tired...great job everyone.

U7 Red vs **Wentworthville Uniting Blue** **0 - 9**

With only 4 players turning up today we had a lot of work to do especially against a tough team like Wenty. Although we had some chances we couldn't do much but defend and the boys efforts were outstanding. Zain and Gerri played like bulls at the back and Angelo and Yusuf tackled hard and made some great runs. Unfortunately their legs ran out as we were against a full opposition. Doesn't matter as the effort of all the players was great. Well done boys unlucky with this one and don't worry about the amount of goals scored against you we will bounce back next week. A big thank you to Kyan (Zain's brother) for helping us out today.

U7 White vs **St Bernadettes Castle Hill** **0 - 11**

Due to some players being away on overseas assignment, others on school holidays and others unknown the team today made up with four fabulous girls, Lucy, Sarah, Solange and Yar that turn up every week as well as two of the boys, Adam and Johnathan played against a side made up of a team consolidated by three teams from last year merging into one team. Considering the score line the team played well and had fun. Adam and Johnathan had turns as goal keeper while the girls tried their best to make breaks and play the ball forward. Lucy tried her best today, making short breaks and dribbling the ball past the defence on a number of occasions but the defence in the end was always too strong. Solange and Yar assisted Lucy throughout the game and made the most of their chances as well. Sarah tried her best in defence but the attacking forwards from St Bernadettes kept the pressure on and were too good on the day. The two boys Adam and Johnathan while out on the field played as well as they were allowed by the defence from St Bernadettes. See you all at training on Wednesday.

U8 White vs **Hills Spirit Red** **2 - 2**

We were beaten by the Hills Red the first time we played going down 6-2. They were a better team.....then! Not this time though. Although the score suggests it was even. We were unashamedly the better team in the end. Unfortunately for us and lucky for them, only 7 of our players turned up at Kellyville. But thanks to siblings, we recruited, Ryan (Dylan's brother), Badih (Fouad's brother) and Lamar (Ali's sister) from the Under 6 Whites team, we took it to our opponents and each did a FANTASTIC job!! Early in the first half of the game it actually looked dire. As the Hills got off to a quick start scoring 2 goals and our kids looked shocked. It would have been ok for them to just go "we didn't have our full team" and just give up. Instead they did the absolute opposite. Our kids sprung into action and played great soccer even for their age. They finally spread out and looked for each other, they passed to each other and played like a team. With Owen in Goals, Dylan, Ali, Fouad and Daniel up in attack and Jack and Adam in defence, we started to punish them. With attack after attack. Then boom! Daniel scores! Boom Boom Ali scores! Half time 2-2. Our kids continued their punishing finish from the first half into the second. We spent 80% of the time in their half. Fouad had a missed chance at goal, Daniel had a missed chance, Owen coming out of goals had his opportunities and Dylan made some awesome runs weaving through the opponents and was oh so close to clinching the winner but their goalie was there to save the day. To their credit the Hills played good defence and although we didn't get to capitalise on all those chances, our kids were just simply OUTSTANDING!!!

Goal scorers: Ali Fahme 1, Daniel Kvesic 1

U8 Red vs **St Bernadettes Castle Hill** **3 - 5**

Despite the loss we had a great game today we can see that we are obviously improving so much. First half was so close they scored the first goal and 2 mins later we scored right back then not long after the scored again and Joey went ahead and scored another. Late in the first half we lost our star goalie Yasmin for a bit after she smacked her hand into the goal post diving for the ball so we had to give her a break and in that last 5 mins St Bernadette's unfortunately scored 2 goals. We went into the second half extremely optimistic we had our goalie back and we wanted that win we had some amazing defending in the back from Mark, John, Kareem and Matthew. Which lead the way for some amazing work in the middle from Anthony, Joshua, George and Elisa. Who together helped set Joey up with his third goal of the day. But all their hard work wasn't enough with St Bernadette's scoring again in the last couple minutes sealing their victory. It was a sad loss but everyone put in a great effort. Player of the Match John Bou Nasr, well done John you couldn't of ran any harder, good job. Goal scorer: Joey Farah 3

U9 vs **OLQP Falcons Red** **3 - 2**

The game started really well. Good team work, good passing and very good coordination which took us straight to the win! Well done boys!

U10 vs Hills Spirit Blue 1 - 7

We started off playing really well today there was great defence the kids were really motivated. I saw great effort from Gregory, Adam and Aaran, but man of the match was well deserved by Mustapha for the goal he scored that needed to be rewarded. Thanks so much to the parents of the 5 boys that played for us today giving us their time and coming to Castle Hill even though their children have already played their game they gave us a helping hand knowing that we needed the help, which shows great support from our club especially that these boys are only 7 or 8! It really lets the team down when kids don't show up especially without a phone call, I understand it isn't the child's fault but if parents want their children to play a sport they have to understand it needs commitment whether it means driving to Castle Hill or Kellyville everybody else does it, as they are doing it for their child, so I don't understand why the other parents can't make the same effort! Thanks to the parents and kids that are always there supporting their children. Goal Scorer- Mustapha Fahme 1

U11 vs Lidcombe Churches 2 - 4

First time in two weeks we had a full team plus reserves. Unfortunately this did not translate into a winning formula. Try as we did, our passes generally missed the intended target, which resulted in loss of possession & field position. When our passing did work we scored. The boys tried their best, but Lidcombe took the honours today.

Goal Scorers: Christian Frangie 1, John Luke El Rahi 1.

U12 vs St Columbas Castle Hill 4 - 0

Another great game and great win by our boys today. I think this was our first game with a full team! It was great to have all the players there. Joe scored the first goal followed by Ferdinando, Charles and Qais. Great game boys.

Goal scorers: Ferdinando Cavasinni 1, Joe Azzi 1, Charles Malkoun 1, Qais Sungkar 1

U13 vs Bye

U14 vs Regents Park 1 - 3

Hopefully this horrible run of results will soon finish. Injuries and school holidays have cruelled us, but both seem to be ending shortly. That said we had a game plan today, an opposition with defensive problems and we should have had the motivation to stay near the top of the comp. Instead we went home after 15 minutes. Things went perfectly for the first 15, as the game plan was working and we were up 1 - 0. We could have been up by 3 and perhaps that was a warning of things to come. We continued to squander chances and then we started to leak at the back too. It was no longer them that had defensive problems - it was clearly us, with poor marking and a genuine lack of effort from some. Today was always going to be tough, but we made it tougher than it needed to be. Matthew Mcguire, Daniel, Akot and Salem all had strong games in midfield, provided plenty of ball forward and worked hard in defence.

Goal scorer - Matthew Richards 1

U16 vs Pendle Hill Tigers 0 - 1

With only 10 players it was always going to be hard against the 3rd place Pendle Hill, but we found some Guildford McCredie spirit and competed all game, running ourselves off of our feet. The score was a fair result given the flow of play, although we were very close to equalising on a number of occasions. We need to learn to be more aggressive up front, fighting harder for that ball to give us more opportunities to score. Hassan did well on the counter-attack, always keeping their players guessing, and Micah ran all day holding the middle ground. Joshua was outstanding, and along with John and Alexia, chased everything down, stopping Pendle Hill's attacks dead. Heads up, Merrylands are in trouble next week.

RC1 Reserves vs St Columbas Castle Hill 5 - 1

Despite a strong result against a mid-table team this was not a stellar performance. We need to improve and focus in all our remaining matches with semis only a few weeks away.

Goal scorers: - Daniel Lapinskas 1, Mohammed Rahimi 1, Wil Wark 1, Toufic Haddad 1, Luke Roumanos 1

RC1 Firsts vs St Columbas Castle Hill 2 - 1

The opposition really stepped up their game and made this a very difficult result. We need patience and focus to breakdown such a determined defence. We created plenty of opportunities but were not clinical in front of goals or within the 18 yard box. In our remaining matches we need to expect to play more teams trying to grind out a draw against us in their attempts to reach the semis.

Goal Scorer: Wil Wark 1, Mohammed Al Delaimi 1

Ladies vs Holroyd Rangers 2 - 0

Nice solid win today. Taufa played really well despite illness, Laura had plenty of ball and Nyanut continued to show good skills and team work. Sarah Irving was a rock at the back and Tess was very solid. In the end we took our chances and Holroyd failed to take theirs. Well done girls.

Goal scorers: Genell Hunt 1, Taufa Kivalu 1
