## RESULTS – 19<sup>th</sup> & 20<sup>th</sup> July 2014

**U6 Red** vs **Wentworthville Uniting Blue**

No report

**U6 White** vs **Wentworthville Uniting Gold** **4 - 1**

What a game! Despite the cold weather kids were hot blooded and won this game. The girls Danielle and Lamar did a really good job as goal keeper and saving a lot of dangerous kicks. All the boys played well and we are very proud of them!

Goal scorers – Dut Atak 3, own goal 1

**U7 Red** vs **OLQP Falcons Brown** **4 - 0**

With a full team back on the park it only took a few minutes for Guildford to take control of the game. Gerri and Zain controlled the back and Ali and Angelo gave them hell up front, while Ahoi, Simon, Thomas and Yusef all did their job in the middle. Fayez was strong as goalkeeper and the reds cruised to a well deserved victory. Nice to see the strong effort today boys keep it up.

Goal scorers - Gerardo Cavasinni 3, Ahoi Ahoi 1

**U7 White** vs **Wentworthville Uniting Gold** **0 - 13**

Wow, 13 goals scored in today's game but none of them for our team. Some of the goals scored were good, but some were also handed to them from bad errors made at the back by the team. For the second week in a row the team made up of 4 young girls and two young boys, unfortunately lost to a team that was better on the day. Considering the heavy loss in the terribly cold and windy conditions the team still tried their best but it was to no avail. We started with six players and had Gerri from the under 7 Red team help out for about half a game until we had another player turn up. Considering the score line, the effort that Solange, Sarah, Yar, Lucy, Jonathan, Adam and Moustafa and also Gerri put in, can't be faulted.

**U8 White** vs **St Bernadettes Castle Hill** **0 - 1**

The team was missing Fouad today and seemed to miss that extra bit of striking power upfront, as they were unable to capitalise on many opportunities at goals in the first and second half. 0-0 at half time the opponents were then able to convert some broken play near our goal area into a surprise goal. To our kids credit they came back piling on attack after attack, but kept missing that finishing touch. Final whistle came and we were disappointed with having that game slip away. 4 games to go in the season and getting the kids into the finals is still possible but tough.

**U8 Red** vs **Lidcombe Churches** **0 - 5**

We started really slowly today. The wind & cold were certainly not on our side either. The team tried hard and never gave up. They looked tired but kept on going. Anthony always has excellent throw ins, he blocked and stayed focused till the end which scored him player of the match. Well done Anthony. Yasmin stopped lots of goals from entering the net. Kareem also stopped them from shooting. The twins were so into the game they had all eyes on the ball. Aluel was amazing with her blocking of the ball. Joey and Joshua played well along side of each other. Elisa made sure the ball didn't get pass her. Well done team keep up the improvements! Man of the match was Anthony.

**U9** vs **Lidcombe Churches** **1 - 1**

Today we were versing our worse nightmare. An unbeatable team that we have never won against. Lots of worries, pre judgement of losing but among all this a deep true need to prove that nothing is impossible when we put our effort and strength together. Tamer scored his dream goal in the hardest game and every single player defended that goal with all he had. It was freezing cold but those smiles on our players' faces was so warm and joyful because they proved themselves as a team.

Well done guys

Scorer: Tamir Maghaydah 1

## **U10 vs Hills Spirit Red 1 - 1**

We arrived at Kellyville this morning wishing we were still in bed as it was freezing! The kids played really well today considering we only had 10 players and the opposition had plenty of reserves. Gregory played well today, also Mustapha and Mary worked really well together. Mary deserved player of the match. Thanks to Oula for picking up kids today or we would've been playing with 8! Good game it would've been nice to win but we are happy with a draw.

Goal scorer- Mary Ning 1

## **U11 vs St Bernadettes Castle Hill 4 - 1**

A well played game despite a cold and windy day, We played well in the first half with most of the game played in the opposition's half. We lacked a little accuracy with our shots on goal and also in our passing, We gave the ball away too easy on attack but defended well and won the ball back. Christian opened up the scoring off a nice cross from Mounir. Half time was approaching and we were hard pressed to score another goal. Joel was feeling a bit lonely as our keeper with only 2 saves the whole first half. The 2nd half was much better as a team we passed the ball around a lot better and broke the defensive line much more easily which gave us more opportunity at scoring, One more for Christian and two goals for Mounir, All in all it was good to see an improved passing game. Well done to Peter for an excellent game earning him Man of the Match

Goal Scorers: Christian Frangie 2, Mounir Hadid 2

## **U12 vs Kings Old Boys 1 - 4**

Not much to say. It was a pretty disappointing game. I think it was just too early for the boys, they all seemed to be half asleep and completely unfocused. The kings were able to score 4 goals. We had many opportunities to score but their defence was just too good. In the last 5 mins Qais finally got us a goal, leaving it 4-1.

Goal scorer: Qais Sungkar 1

## **U13 vs Wentworthville Uniting 1 - 1**

Good team effort led to a 1 all draw against Wentworthville. The boys & girls played the game plan as much as possible, they put their bodies on the line in the cold weather to help getting the single point in this game. Their determination was obvious especially when 2 players, Nicholas & Adut picked up a minor injury & they decided to go back on the field to help their team mates. Ryan was good in the midfield doing his best to supply Ringo up front, Ahmad terrorised the opposition on the left side of the field while the defence was tough clearing the attacks before the ball get to Mika who once again did great in goals. Couple players to mention in regards to their effort during this game, Alex who showed that he can be a good defender, his best game for this season so far, I had to call him for positioning few times but once he moved to defence he gave no one a chance to guide him, he was where he need to be at the right time. Also need to mention Ali who actually put in a great effort this game, supplying the attack & assisting the defence non stop during the whole game, also need to say that Ali & Ahmad are fasting due to Ramadan month, so great effort from both boys as they are running on dry. My man of the match would be Nicholas for his non stop effort on the left side of the field (silent achiever), putting his body on the line few times & scoring our equalising goal & keeping us in the game, Well done Nicholas.

Goal scorer: Nicholas Azar 1.

## **U14 Thistle Cup vs Auburn District 2 - 3**

Our mid week night knockout match was played this week against Auburn who were under 13s but leading division 1. they were all so tiny – but unfortunately very skilful! Our guys were surprised by their speed and caught off guard by the speed of the ball movement and the close control showed by their players. In the first minutes we attacked but when Auburn got the ball it was hard to get it back! Their speed of movement up front caught us out and we gave away two penalties in the first 10 minutes. Another goal shortly after half time and we were 3-0 down. We fought back well and two good goals had Auburn panicking. Another 10 minutes and we would have had them. This was a great experience though, a night game, quality opposition and a quality effort from us.

## U14 vs Rydalmere 1 - 3

We are having a horror run but against last place today should have seen a turn around, especially after such a good effort on Wednesday night in the Thistle Cup match. We started well, dominating play and playing good possession football. We went 1-0 up and everything was going according to plan. We were out of their half twice in the first half (with a gale at our back) but could only score once and then 5 mins before half time on one of their two attacks we gave away a ridiculous penalty. Half time, 1-1 and now we were against the wind. In the second half we continued to attack, we continued to not get shots on target though and we continued our poor defence when they got the ball. We went down 2-1 and then gave up the softest goal of the year to compound the disaster. We were all kinds of rubbish today.

Goal scorer – Jacob Mitwali 1

## U16 vs Merrylands SFC 1 - 2

Well, what can I say? The first half was great, we defended against fast forwards, we defended against long kicks, but most of all we defended against a howling wind and sand storm. We went 1-0 down to a goal where we stood back a little and let them run around us, but just before half time we put a few passes together before Emir coolly slotted the ball past their keeper. 1-1 at half time and having done all the hard work and with the wind behind us, I thought we could come away with the 3 points. But in the second half Merrylands seemed to be everywhere in defence and we either ran into their wall or panicked and kicked the ball too long. We failed to provide support to each other and pass the ball around. Merrylands were able to score on the counter attack 15 minutes from the end and we just had no answers. Strong games from Emir, Alexia, Micah and Jason today. Let's keep working on owning that middle ground and working as a team.

Goal scorer – Emir Biber 1

## RC1 Reserves vs Miranda Congregational 6 - 1

Despite the strong result it was tough conditions way down south. As we don't travel well the squad was light on numbers and we appreciate the players doubling up for both matches especially on such a cold and windy afternoon.

Goal scorers: - Antony Vojvoda 3, Jeff Eker 2, An Dao 1

## RC1 Firsts vs Miranda Congregational 2 - 3

Us in 2<sup>nd</sup> place vs. Miranda in 3<sup>rd</sup> at their home ground down in Engadine was always going to be a tough match. Playing on a poor field in the wind & cold didn't help. The referee sending their keeper off should have ensured our win. Instead as is too often the case they reverted to a simple defend at all cost and clear it to their 1 player at the half way line in the hopes he could score; which he did. What is most frustrating was our lack of discipline. We as individuals fell into the trap that as they are a man down then we have more time on the ball and we can win this individually. Our opposition on the other hand were forced to play as a team and gained extra spirit from seeing their team mates put the team ahead of themselves. We on the other hand got frustrated and attempted to do more and more ourselves. Simple lesson is when playing a team with a player down you need quicker passing to create space that is there as they are a man down. You do **not** continually run in through the middle where they have packed the most players and you do **not** send more bodies into the congested space to further pack the area to limit what players in that area could do. We need to see this as the lesson it is and learn from it as we are only 3 rounds away from semis.

Goal Scorer: Adem Stevens 1, Mick Massih 1

## Ladies vs Ermington United 6 - 0

Happy birthday T! We took a little while to get into the game today, and whilst we weren't perfect – we were pretty good! Chantelle, Genell, Taufu, Elise and Canella all played really well and enjoyed the big field. Hendrika continued her excellent form of recent weeks as did Sarah Irving. But the star of the day was Laura who marked the dangerous Ermo striker completely out of the game. Very solid win.

Goal scorers: Genell Hunt 4, Taufu Kivalu 2
