U6 Red vs **St Bernadettes Castle Hill Lions 11 - 1**

The team were feeling and looking good (especially for photos). Nour showed great energy and commitment by assisting, saving, and scoring 7 goals. Malik scored, defended, passed and attacked really well. Sunday played and scored with enthusiasm. Lamar ran strong and had nice throw-ins. Jackson and Izaak were fantastic at defending and tackling. Dannielle worked hard passing, setting up, and almost scored! Gethyn was at the right place at the right time to score the last goal. Goal scorers – Nour Eldine Matar 7, Sunday Makua 2, Malik Daniels 1, Gethyn Griffiths 1

U6 White vs **Hills Spirit Red** **3 - 0**

It was a cold start for our young boys but they were eager as ever to get to the field. We were at Kellyville Park playing Hills Spirit Red. Our line up included Alexander, Charbel, John, Mikhail, Musab, Muhammed and Jeremiah. With our coach Robert away John's father Charlie filled in and what a fantastic job he did, many thanks. From the start our boys looked great, they have really improved. They no longer bunch up and have learnt to spread out. This is great! We had many shots on goal, with Mikhail and Jeremiah both having a go but the goal keeper was too strong and kept those balls out. We were definitely the stronger team. Some great defending by John as our goal keeper kept the score at 0-0 then finally some great passing saw Jeremiah score and what a fantastic goal it was. 1-0 and that was the first half gone. The second half started pretty much the same as the first with our boys on the attack, some great moves by Jonah made way for our second goal which saw Jeremiah again sneak in another goal and we were up 2-0. With only a few minutes left our boys saw another few shots on goal and finally on the third try Mikhail had a go and a cracker of a goal saw the score at 3-0. The final whistle and a well deserved win for our boys. They are playing so well and I am sure all the parents can see their improvement. Little Muhammed is making such a big improvement and our newest player Musab is fantastic as goalie. Goal Scorers: Jeremiah Elkadi 2, Mikhail Khan 1

U7 White vs Hills Spirit Red 13 - 0

There was some great team play today, with 7 Whites passing the ball to each other and setting up goals. Everyone worked hard and put in a great amount of effort, not allowing Hills Spirit Red to get anywhere near their goals. Mark and Laura did a great job in watching and staying alert as goalie. Mark went onto the attack taking that ball up every chance he got. Badih was great in the defence managing to turn the ball around various times. Ryan also had some impressive runs with the ball. Sione was always right in there being a great team player. Bol once again supported his team mates, being ready to get that ball. And then there's Dut. His score is the reflection on how well he played. Thanks Danny for stepping in as coach. Great job everyone.

Goal scorers: Dut Atak 8, Sione Tu'ifua 3, Ryan Lu 2

U8 vs St Bernadettes Castle Hill 1 - 1

A very good day, it was today, as only two players did not turn up and the team got its first point of the season. The supporters of this team were today at their most vocal that I have heard all season. The team played their best game of the season. They backed each other up, chased the ball all day, played in their positions and most of all they seemed to enjoy themselves. The team started well creating many chances but the final pass or kick just let us down. The first goal of the game was scored by St. Bernadettes against the run of play. Guildford was attacking in the opposition's half when we lost control of the ball and the opposition players ran down their right side. As the attacking player came to our last defender he got a lucky break when our last defender got his boot stuck in the ground, pulling his foot out of his shoe and falling over while attempting to tackle the ball. The attacking player then kicked the ball past the keeper into the back of the goals. Not to be discouraged the team held their heads up and got straight back into attacking the oppositions goal area. They scrambled well and an opportunity opened up for Exodus to place a great ball past their keeper to level the scores just before half time. In the second half both teams came out playing the same style as in the first half. Guildford had the majority of the play and created the most chances, but as usual to no avail. The team got a second goal through the boot of Gerardo, but he was ruled to be off side. The game finished in a draw.

All the players played great today that the coach was unable to give an individual best player award for today's game. Special mention was made for Moustafa's positional play in the midfield and backs, Exodus's running play and for scoring a great goal and to Fayez for saving a potential goal opportunity to the opposition in the last minute of play.

Goal scorer: Exodus Rees 1

U9 Red vs Wentworthville Uniting 0 - 3

What a game, a massive difference in just 1 week, the whole team was a star today. We lost the game to Wentworthville but we had so many breaks & only the lack of experience stopped us from hitting the net.

The team displayed another die hard game, with chasing, blocking, marking, etc. Little Yasmin was huge with her goalie gloves on, she was incredible and to be fair I can say she knew what to do & she just did it, don't know how but she did. The defence was great letting 3 goals in but it was a good opposition we were playing, Kareem is starting to really get his game with Mujtaba A (playing only his 2nd game) & Malachi on his side, they were just awesome. Mujtaba & Malachi starting to read the game & supporting the mids & attack. Yusuf, Saad & Elisa in the midfield terrorising the opposition, Yusuf is not afraid of anyone's size, he tackled, stripped the ball & had few big kicks, Elisa chased, blocked, supported defenders & attacked, Saad as usual is the team's yoyo, never stops running from 1 end of the field to another, he chased, tackled, long & short passes, got tackled very hard but he got up and shook the dust off him & ran again. Saad's incredible performance earned him Man of the match today. Zacheria was my wild card, he has the built & the skills to play in any position & he did that today, he played everywhere on the field & was great. Mujtaba M was so close to scoring but was tackled in the last second, great game from Mujtaba, he is the most experienced player even if its his first year in a team, he has a great vision & will be a great soccer player in the future. I am so proud of the Girls and Boys you all have very big hearts, well done & I can't wait for Tuesday's training, be there at 5 pm.

U9 White vs St Bernadettes Castle Hill 3 - 0

The score sheet suggests we won the game comfortably, but reality was that we could have easily lost the game. Our first half again lacked energy and coordination. Our defence was completely missing and we were exceptionally lucky not to have been down 2 goals, thanks to good goal keeping from Anthony today. He was a fortress in goals and even though his team let the opposition in, he kept them out! Then through a quality passage of play with Owen taking control in attack he managed to get past the opposition and finished off with a powering right boot to see the ball into the back of the net, giving us a breather to go into the half with a 1 goal advantage. I told the kids at half time I wasn't happy! And with Ali's arrival in time for the start of the second half, it was a different team that took the field. They played a much better coordinated game but couldn't find a way through. They still however, allowed the opposition through on many occasions and again our goalie saved the day, this time with Sebastian in goals saving what should've been a certain goal but his intimidating presence saw the opponent kick the ball straight at him which he saved. Owen played an awesome game today at both ends of the park but was exceptionally solid in defence stopping their attack after attack and getting the ball back to his team mates, this earned him Player of the Week. He was well supported today by Dylan, also playing an outstanding game running all over the park and was able to score the heartbreaker goal with his left boot to give the team a 2-0 break. Joey then sealed the game with the final goal to finish off a Topsy Turvey game.

U10 Red vs Hills Spirit Red 1 - 1

Wawww what a crazy morning. In the first half I was wondering where our players were? That wasn't their usual play: no passing, no communication with each other, everyone wants to score....well it obviously needed a wake up call from the coach at half time to get them back on track and Makuac scoring our only goal. The opposition were fast and aware but that can't be an excuse. We need to pick ourselves up again and do our best for the six a side next week. Big Thank you to all the dads who helped in setting up the field, you guys rock.

Goal scorer: Makuac Kuol 1

U11 White vs Lidcombe Churches 4 - 2

A great game by all players today. We only had 11 players, so we knew it was going to be tough without any substitutes. I was extremely proud of the efforts shown today, especially Anthony who played the game with an injured knee. We had a comfortable lead at half-time but a lack of focus and perhaps fatigue saw Lidcombe claw their way back. Mary scored a contender for goal of the year with a great long range effort. Our defence was once again very solid and was great to see Adam once again controlling our defensive structures. Man of the match went to Khan, who was instrumental in goals today making several saves to ensure we won the match. Great work by everyone.

Goal scorers- Mary Ning 2, Adbul Agha 1, Own goal 1.

U12 Red vs McCredie White 3 - 1

It was nice to see you boys looking good for photos. We had a nice game against some old friends and the sideline company was even nicer (although my ears are still ringing) our passing game is improving which gave us three beautiful goals. Well done today it was nice to watch. Player of the match Angus

Just a note for the 12 Reds. Jim Wall has stepped down as manager due to work (Jim said this would need to happen at the start of the year) and Naomi El Rahi is now the manager. Thank you Jim and thank you Naomi.

Watching today's game was nerve wracking! We were playing our own club. Our team played really well. Their defence was great and Garang managed to put a high goal through. They kept up their defending until the end and didn't give up. With more practising we should be able to win more games. Keep up the good work boys!

It was nice having the whole team at the game today, it made a massive difference. Having the opportunity to rotate players throughout the game kept everyone's energy up. Our defence was strong today and we were making good gains and choices on the field. This week's player of the match goes to Ajok! See you ALL at training :))

U15 vs **Castle Hill United** **2 – 2**

Last time we played these guys we played poorly and won easily. But that was during school holidays, we had some surprises for them and both teams were just getting started. Today we played well and had a draw! They know us now (as all the teams will in this second round) and they are playing better. A good reminder to us that each game in the second half of the season is harder than it was in the first half. Joel was outstanding today and his defence and Jesse's goal keeping (which was brilliant) are all that stood between a draw and losing. Our midfield was driven by man of the match Rusheel and a fresh and energetic Jacob. Just two 5 second lapses which saw us 2 nil down after ten minutes, but the boy's fighting qualities saw us level before half time. The second half was very even with both teams creating half chances.

Goal scorers – Rusheel Raj 1, Ali Hawchar 1

U17 vs **Wenty Waratah** **1 – 1**

Well, we threw away another 2 points against this team. Having controlled the match for 60 minutes, it was frustrating to see us worry more about the refereeing than playing soccer, imploding in the last 20 minutes. The game resembled rugby more than soccer at some stages, but we need to stay focussed on what we can control, us. We also had a few players watching, rather than digging deep and committing, this needs to change. We look really good when we stick to our positions, we help each other, we support and communicate, we play good soccer. We have Merrylands at Merrylands next week. Let's toughen up a bit.

Goal Scorer: Hassan El Hallak

Over 35s vs **GyMEA Baptist** **3 - 1**

First half was an even match with both sides having opportunities on goal. We found ourselves the first goal of the match but the opposition equalised 5 minutes later. The second half started with a more tactical game play, where we moved the ball around and kept possession of it. This allowed us to convert another 2 early goals in the second half. The opposition tried hard to get back on the scoresheet, but the great performance of our defensive line and goal keeper permitted us to enjoy this win. Thanks everyone for your performance on the field. I would like to thanks Darren McGuire for running the line today.

Goal Scorers: Pece Kotevski 2, Goran Gesovski 1

Challenge Cup vs **GyMEA Baptist** **2 – 5**

From the beginning of the match, we tried to impose our game by pushing our lines too far forward. We paid a high price for our mistake when the fast paced opposition easily got through our defensive line standing at the middle of the field. The opposition destroyed the team's moral by scoring four quick goals in the first half. We were unable to convert a penalty opportunity when the referee ordered to re execute the shot. In the second half it was a different story, the team played a more intelligent game. We held and rotated the more ball without thinking about the score. The team started playing better soccer therefore we were able to reach the opposition's goal more often. Unfortunately we were able to convert only two chances. If we would only play consistently through the whole match it would be a different story. I am very proud of the team's performance and their fighting spirit in the second half. Thank you guys and keep it up. I would like to thanks Wayne French for running the line today.

Premier Reserves vs Greystanes United 1 - 2

Very disappointed with the result. We were leading 1 nil for a large portion of the match until another extremely questionable officiating for the oppositions linesman regarding a blatant offside. Their winner in the last minutes of the match was unstoppable and he wouldn't be able to repeat it no matter how many times he tried.

Goal scorer: - Mirwais Waseeq 1

Premier League vs Greystanes United 0 - 3

For 70 minutes it was a tight contest with us appearing the mostly likely to break the deadlock. Unfortunately, they scored and our concentration disappeared. We need to be mentally stronger and physically fitter to last the full 90 minutes.

Ladies vs Wenty Waratah washed out

Really? Yep – I can't believe it either. Ridiculous.
