July 30 **Game 2 Zone reps** –
Freame & Jones Parks, Merrylands

U6 Red vs **Hills Spirit Red** **2 - 3**

What a beautiful day to be outdoors. Hills Spirit were on the attack right from the beginning. Lamar and Jackson got a work out chasing the ball. Gethyn made some lovely saves, but they just kept on coming. Danielle and Izaak blocked and stole balls with greater success. In the second half, the team got their groove back. Sunday was fast as lightning dribbling the ball to the goal. Nour threatened the goalie many times and was able to convert them twice into goals. Matthew was switched on for the whole game. He covered the field and marked players with determination. Player of the match: Matthew Hope our coach, Sara, feels better soon. Thanks Elise and Andy for filling in.
Goal scorer – Nour Eldine Matar 2

U6 White vs **Hills Spirit Blue** **won on forfeit**

Thanks you to all the enthusiastic and dedicated parents for your continual support and effort. After a change of field and a earlier Start and many late night messages we were ready to play. Unfortunately our opponents forfeited 20 mins before kick off. We got the points (shame there aren't any!)

U7 Red vs **Hills Spirit Red** **10 - 0**

U7R had a fantastic big win on Saturday, 10-0. There was great passing, teamwork and strong attack from Patrick, Omar, Joseph, Wek and Adhar up front and some strong defending and kicking from Emily, Idin and Talitha. Emily had a spectacular game, getting into the action lots in the game, and getting some really good kicks and tackles in - well done! Great work team!

Goals: Adhar Yaac 6; Wek Deng 2; Omar Elbizri 1; Patrick Matta 1.

U7 White vs Hills Spirit Blue 7 - 0

7 Whites worked really hard today as there were no reserves. Again Dut was the highest scorer on the team. He is super fast and everyone else struggles to keep up with him. He would have scored more goals if the goalie from the opposition didn't do an amazing job. Sione is a good all-rounder. He played great defence, he scored and he took his penalty kick as a good opportunity to set up for a goal. Badih played good defence turning the ball around on a number of occasions, he set up Dut's sixth goal and almost scored his own goal. Ryan played great defence using big kicks to get the ball away from the opposition and almost scored aswell. Bol and Laura made great goalies and also played a really good defence today. A special mention to Mark because even though he was unwell, he still came to watch and support his team mates. Thank you to those behind the scenes, making changes, so that the game could still go ahead.

Goal scorers: Dut Atak 6, Sione Tu'ifua 1

U8 vs OLQP Falcons Blue 0 - 2

The coach always wants the team to be competitive. But this game played today was the game that the coach most wanted the team to be competitive in. And the team didn't let him down.

What a fantastic effort today by all the players in the team. We were playing the team coming first and we are at the opposite end of the table, but the team was competitive throughout the whole contest. We even had reserves for the first time in a long time and the parent's encouragement and enthusiasm from the sideline was at another level. Our defence throughout the game was very good today. Moustafa came back into the side after a long layoff and played probably the best game that I have seen from him in the two years he has been at the club. Moustafa's cover defence was brilliant. Isaiah also played well in defence, clearing the ball out of danger on many occasions as did Simon and Thomas. Exodus ran the ball well and found open spaces throughout the game placing the ball into the forward line for Gerardo to do his magic with the help of Ali playing beside him in the forward line. Ameera, Lucy and Rhiannyn played as they usually do, with purpose and enthusiasm in being better than the boys. The goal keeper duties were shared by Zain in the first half and Rhiannyn in the second half. Thank you also to Zain's brother for filling in as a reserve.

A special mention today for Zain who while playing in defence in the second half took a fall while completing a covering tackle and injured his shoulder. Zain kept playing with the injury but was finally taken off as he was showing discomfort and it was feared that he had dislocated his shoulder. Zain will be sore for a few days but will recover from his injuries. Zain's mum has asked that I pass on her thanks to all that helped and showed concern for Zain.

U9 Red vs St Bernadettes Castle Hill Lions 0 - 6

It was an unfortunate result today however, we are very proud of how the team has proven how far they have come. Midfielders Mujtaba, Montell, Yusuf and Elisa stayed strong, but unfortunately the opposition found ways to redeem the ball. Defenders Benjamin, Khareem also played some big kicks throughout the game. Big congratulations to Saad for man of the match who showed passion and strength. Well done to Zechariah who had close chances of scoring a few goals but was unlucky and also to Yasmin for always standing tall and strong for the whole team. Great job team for not giving up!

U9 White vs Hills Spirit Red 2 - 3

2 losses in a row. A typical story developing where we dominate attack but can't score. The kids got themselves in great positions and had some excellent passing play early in the game but when in front of goals and when it counted to put the ball into the net, we either kicked to the goalie, kicked out wide or just mis-kicked it altogether. Very frustrating! Then when the opposition counters with their break, our kids aren't getting back into defence quick enough and they score. That was the story of this game. Anthony made some good saves in goals for the first half and Joshua played a really strong game today making some strong runs and was able to get through plenty of defence and passing this to his team mates earning him player of the game... A play towards the end of the game with Ali breaking through the opposition down the left side of the field with a cross back into the centre to find Joey at the right place at the right time to easily slot the kick into goal. We train for this and it was good to see it played out. But too little too late unfortunately.

This was Ali's last home game with the team and next week being his last as the Fahme family relocate overseas. It was nice to see the smile on the kids faces when they were given a little memento of this years team so they can always remember the friendships they have built over the year. And really, at the end of the day, that's what this is all about.
Goal scorers: Joey Farah 2

U10 Red vs Lidcombe Churches 0 - 1

We had many chances to win today's game and we really wanted to but things didn't go as planned. Our boys and girls were restless and did their best. Big shout out goes to Austin man of the match who was able to keep the score to a minimum with his saves. Coming close to the finals our focus should be sharper, our training harder and us more eager to win. We can do it and we will.

U11 White vs Wentworthville Uniting 4 - 2

Great game today from the kids considering we had no subs and the field was bigger than usual. We all put in a great effort to run our legs off and take it to a team which we looked much better than all season. Kuach had an excellent game in the back saving a number of goals with Adam helping him out keeping the score board to 2 goals against when we could have conceded much more. Special mention to Mary who had an awesome game scoring two goals and generally being everywhere on the pitch. Well done to all the kids, lets keep the momentum going and going and carry that momentum into the finals! Well done today! Goal scorers – Mary Ning 2, Aaran Baath 1, Abdul Agha 1

U12 Red vs McCredie White 3 - 0

Goal scorers: Christian Frangie 2, Deng Aguok 1

U12 White vs McCredie Red 0 - 3

The team played good defence and tried hard to score but it just didn't happen. We were playing our own club today and it felt like a training session. Both sides were hesitant but their had to be a winner. Better luck next time boys. Player of the match James.

U13 vs McCredie Girls 10 - 0

U15 vs **Pendle Hill Tigers** **2 – 0**

We got the result, and our first goal was really nice, with a great piece of aggressive running and a neat, well weighted cross from Rusheel to a Ali in perfect position, who finished clinically. Throughout the game Joel, Daniel, Rusheel and Ali shone but player of the match was a very safe Salem in goals.

Goal scorers – Ali Hawchar 1, Jacob Mitwali 1

U17 vs **Wenty Waratah** **0 - 1**

It's simple really, we can't win if we don't score. We can't score if we don't shoot. It's a shame because I saw today some of our best soccer. Our defensive and middle third were on top all day, however when we were in the attacking third, individuals held the ball too long, not passing, not shooting. While we were flat up front, Micah and Dusan did well controlling the midfield but it was the fullbacks, John, Kane, Joshua and especially Jason that gave their all and really impressed today. We couldn't afford to lose today.

Over 35s vs **Hills Spirit** **postponed**

Challenge Cup vs **Hills Spirit** **postponed**

Premier Reserves vs **Kings Old Boys** **5 – 2**

Once again we got off to a slow start as we didn't have players there for kick-off. Luckily we were able to borrow Luke & An from the other squad to help us out. It took us 20 minutes to get back into the game by which time they were 2-0 up. We gained control back in the last 25 of the first half and with the arrival of some subs we made them pay in the second half. If we are serious about finals we cannot continue to arrive late to the ground as against quality opposition we cannot give them free rein in the first 20 minutes as we will not be able to recover the ground we lost because of our lack of commitment.

Goal Scorers: - James Rosandi 2, Mohammed Al Delami 2, Amarvir Batth 1

Premier League vs **Kings Old Boys** **0 – 2**

The boys played well and for the most part did not rise to the opposition's challenges or the referee's provocation. I am proud of their efforts and control. They played a strong game and deserved to have come away with the points. We had the better chances, scored a good goal but the referee's influence on the game gave them the win at the end.

Ladies vs **Wenty Waratah** **4 - 1**

It was windy, the ground was very uneven and we haven't played for a couple of weeks. They were the excuses we came up with for playing poorly today, especially the first 30 minutes. We did however win well, so that says something about our ability to play as a team and get the result. Sarah Rebenko played well and Taufa and Rana had good games. Training and regular play though is the only way we can ensure we keep our touch and can control the ball quickly and deliver it effectively.
