U15 catch up vs **Castle Hill United** **2 – 1**

Tonight the boys were really up for it and were able to play skilful and dominant football for extended periods. Beshoye was man of the match with his best game of the year and the dominance of our midfield and attack with Thomas, Rusheel, Ali and Jake terrorising Castle Hill's defence was great to watch. Jesse marked really well shutting out Castle Hill's striker and Salem also continues to play outstandingly well in goals.

Goal scorers – Ali Hawchar 1, Beshoye Angoang 1

Over 35s catch up vs **Hills Spirit** **1 - 5**

There is no chance to run any game plan when we do not have a full team. I would like to thank the players from the 1st Grade that help us to present a full team on the field

Goal Scorer: Michael Di Marti 1

Challenge Cup vs **Hills Spirit** **8 - 0**

From the beginning, it looked an easy game since the opposition only have 9 players on field. We played our game and we put pressure using our advantage of having two extra players. At the end the expected result, but it could be a greater score.

Goal Scorers: Zia Rayabi 2, Jeff Eker 2, Aydin Tokdogan 1, Santo Daneil 1, Syed Ali Amin Zoda 1, Hayden Sharwood 1

RESULTS – 1st & 2nd August 2015

U6 Red vs **Hills Spirit Blue** **6 - 3**

Hills spirit played aggressively right from the start. Matthew and Jackson were bravely defending with some great blocks and steals. Goalie Gethyn made awesome saves. Nour came out with guns blazing in the second half scoring 3 goals. Danielle and Izaac displayed improved skills in stealing and dribbling the ball. It was sad to say goodbye to one of our players. We would all like to wish Lamar and her family all the best as they start their new life in Lebanon.

Goal scorer – Nour Eldine Matar 3

U6 White vs **Hills Spirit White** **4 - 5**

Goal scorers - Jeremiah Elkadi 2, Mikhail Khan 1, Alexander Azar 1

U7 Red vs **Hills Spirit Blue** **3 – 3**

Andy was away today so kid's were all over the place but big thank-you to Hassan (Idin' dad) for taking Andy's place today. First half the other team was in front with 2 goals but didn't take long for our kids to make a step and score. Good game boys and girl

Goal scorers – Adhar Yaac 1, Wek Deng 1, Patrick Matta 1

U7 White vs **Hills Spirit White** **5 - 2**

The odds were stacked against us today, with 3 away sick, 2 no shows and traffic all the way to the field. We started late with 4 players and a 5th joining us in the first half. We were grateful that Hills Spirit White were so understanding, even offering one of their kids to play with our team just so the kids got to play. The ref was very understanding also, so a big thanks to him. As usual, Dut was like a rocket. He had control of the ball and flew to the goals. If he had gotten all of his attempts in, there would have been at least an extra 4 goals our way. Badih, Mark, Ryan and Laura played a good defence. Ryan managed to keep up with Dut to support him, and Badih and Mark managed to turn the ball around a number of times. Well done!

Goal scorers: Dut Atak 5

U8 vs **Wentworthville Uniting Gold** **1 - 3**

The team lost by two goals today, the same amount of goals that they had lost by last weekend. But the difference today is that if the team that played last week showed up at today's game the team may have won. The only goal from the team came through the boot of Ali. Moustafa played well in defence again making some good tackles. Zain tried all game. The three girls, Ameera, Lucy and Rhiannyn, and the rest of the team, Isaiah, Exodus, Thomas, Simon, Gerardo and Fayez tried to play as best as the opposition would let them.

Goal scorer – Ali Saad Ekdawy 1

U9 Red vs **Lidcombe Churches Blue** **0 - 9**

Big game from our boys & girls, playing the top of the ladder team, held strong for almost first half then we could not keep them scoreless for much further. Yasmin even bravely saved a penalty shot. The final score was 9 to zero but if we see how much we learned & worked hard for we realise how proud we are as a team & parents as well. Man of the match for the second week is Saad, he never stop, does not stop the chase until he get the ball, well done to Saad. The kids should be very proud of how far they came, well done boys & girls.

U9 White vs **Lidcombe Churches Gold** **10 - 0**

Coming off 2 straight losses, the kids needed to rebuild their confidence and today's score would have given them that little boost. However they were reminded that although the scoreboard suggests we played very well. There's still a lot of improvement we need to make otherwise the semi finals will be as far as we're likely to go. Fouad found some good form today scoring 3 good goals and was awarded player of the match. It was good to see a few players get on the scoreboard today, with Owen crossing twice, Joey getting 3 and Ali in his final game for the club, gave his usual best and scored 2 goals. Robert has been making good improvements each week and today only just narrowly missed his maiden goal from the penalty spot, but it was a really good strong kick he put in. Dylan tried his best in the game but hasn't yet found that spark he needs to lift his game further, but does put in a good strong effort every game. Daniel is rebuilding his fitness and hopefully with a couple of games left in the season will kick into gear very soon. Sebastian kept a clean sheet in the first half and Jack followed in the second protecting the goal line. Little Josh continues to impress each week and with the improvements everyone is making, I'm hoping each and every player lifts that little bit more. Given we'll now have to finish the season without one of the team's loveable characters in Ali Fahme.

I'll personally miss Ali and his family as they relocate overseas. In the last 3 years I've had the pleasure to coach Ali, I've always found him to be an absolute pleasure to have in the team. Not just for his scoring and all-round talents, but for the passion he puts in to every game and the mateship he has with his team mates. I know personally my own son Dylan absolutely enjoys playing alongside Ali. All the best for the future to the Fahme's.

Goal scorers: Fouad Ayoub 3, Joey Farah 3, Ali Fahme 2, Owen Thai 2.

U10 Red vs **McCredie White** **3 - 0**

It was a pleasure watching our team play today. We knew our opposition and we knew their strength and we were ready to win this game. they are fast we were faster, they have high kicks ours were even higher. Makuac kicks were unstoppable, very coordinated passes between the players and good defence. Count down started, finals are around the corner, some real preparations and training are ahead. For the whole season, the parents and players showed big commitment to the team and a high level of sportsmanship. Its time for all this hard work to pay off - let us get ready!

Goal scorers - Makuac Kuol 2, Mohammed Mattar 1

U11 White vs **McCredie Red** **0 - 3**

Not one of our best performances today and that may be due to a surprising amount of players neither turning up or coming at the time we've asked. It's important we make the effort to be there on time as you're letting the team down if you're unable to be there by kick off. Please make a strong effort to be there at least 30 mins before the game and if you have any issues, to communicate with the coaches. Now, back to the match, I think we had a patches where we looked really good going forward and were able to string a few passes through and play the way we want to be playing. However, for a large majority of the match we looked lethargic and exhausted. This could be a result of having no subs, having only 8 players to begin with, or the fact that our heads go down when a goal is scored against us. We should always be focused on our attitude towards the game and the fact that we have the ability to win against any team. Going one goal down shouldn't deter us from our initial game plan, it should make us hungrier as a team to score a goal and come back into the game.

Despite a few on-field and off-field issues we look forward now to our next few games and trying our best to remain within the top 4 so we can play some finals football. Special mention to my man of the match Greg who always goes in 100% when challenging for the ball and was unlucky to not score a goal today with his shot nearly going into the top left corner.

U12 Red vs Kings Old Boys 6 - 0

Today the boys put in their best effort to give Mustie a memorable farewell game. He played his hardest today and scored our 1st goal which rolled off the top of the post and in slow motion went into the net. We were up 1-0 half time, the second half the boys picked up their game more and the goals started rolling in one after the other. For some reason though they missed many opportunities and they love booting the ball right in the keepers' hands but they made up for it with many other fantastic goals. Mustapha is our youngest player and he comes prepared to play every week, you can see the passion and the love he has for soccer in his playing skills. He gets along with all the kids he is very cheerful and has a beautiful smile. We will miss him dearly and wish him the best of luck on his new journey to start a-fresh in Lebanon. Have a safe flight and don't forget us ...keep up the passion for soccer.

Goal scorers: Mustapha Fahme 2, Christian Frangie 2, Elias Matta 1, Mounir Hadid 1

U12 White vs Bye

U13 vs St Columbas Castle Hill 2 - 1

It was a tough game today, our boys were half asleep. St Columbas were leading 1-0 until Qais finally put through a goal. Nedim then took a long shot and gave us the lead. In the end, we got the result we needed.

Goal scorers: Qais Sungkar 1, Nedim Fazlic 1

U14 vs Lidcombe Churches 2 - 0

What a win by the under 14s today. We showed why we are number one and still unbeaten. Everyone put in 100% we scored a goal within 15min and we passed the ball around like we have been together for years. Second half started and we started even stronger with Ryan playing out of his skin and Ahmed scoring his second goal of the game.

Man of the match - Ryan Carder

Goal scorer – Ahmed Ekdawy 2

U15 Girls vs OLQP Falcons 2 - 0

Today's match was a fantastic model of teamwork. Everyone worked well in their positions and kept their mind on the game. Player of the Match, Alexia!

Goal Scorers: Sulafa Ageeb 1, Yasmin Hawat 1

U15 vs Baulkham Hills 1 - 2

Today we really stank. Not much point having a coach if everyone is going to ignore him. Particularly disappointing was that we played so well mid week and so poorly today to undo all the good work. Joel defended grimly but without help it was a difficult task. Our goal was really nice and appeared quite easy with 4 short, sharp, well targeted passes to find the striker and a neat finish. How come we only managed this once?

Goal scorer – Rusheel Raj 1

U15 catch up vs Lidcombe Churches 1 - 0

It's hard to fathom how a team with just 4 games to go and in the running for the minor premiership could have just 10 players turn up for a match. It's hard to get past this but to be fair to the 10 warriors to play today, I will. What a gutsy, brave effort from the boys. Ali ran himself into the ground, Matt hassled and harassed, Daniel did not stop all day and after winning balls delivered perfect passes, Mahdi played his strongest game thus far fighting hard, Aiden used his speed to great effect, Salem was outstanding in goals and played well up front late in the match, Jesse continued on the high level of play he has played for some weeks, Serge made some excellent passes, including the one to set up the goal, Joel held the defence together and today organised and talked to his defenders to ensure every player was covered every time and Jake worked hard up front and in the midfield and deserved his 'break' in goals late in the match. Well played all.

Goal scorer – Ali Hawchar 1

U17 vs Merrylands SFS 1 – 1

A fantastic effort by the whole team. Not a bad player on the ground today. We started off reasonably well, but we didn't do enough once we had the ball. A silly mistake in the backs cost us a 1-0 lead at half time. With our season on the line, everyone lifted for the second half and threw themselves into the game, relentlessly pushing forward, and shutting down any attack that Merrylands tried. For 30 minutes it was a great show on how to not score a goal, we kept getting so close, but just couldn't get the ball in the net. Finally, with 10 minutes to go, we slotted home the equaliser. Unfortunately, we couldn't get another one despite constantly peppering the goal. Not a bad player on the ground today, but great games by Ahmad, Alan, Dusan, and Will.

Goal scorer – Anthony Gwee 1

U17 catch up vs Lidcombe Waratah 1 – 4

Just not our day today. Yesterday's game took it's toll, and we were tired before we ran on. Our mids didn't fall back, and left the full backs out numbered and scrambling to defend. We were not committed to the game in the first half, and Lidcombe were just too quick, too strong and better skilled, and had scored 3 exceptionally good goals by half time. The second half was much better, we lifted the intensity of our game and got one goal back early. With everyone giving it their all, we created numerous more opportunities, but like yesterday, our finishing let us down. A solid team effort with Anthony, Emir, Vehid and Will standing out.

Goal scorer – Anthony Gwee 1

Over 35s vs Young Nak 1 - 4

The match started evenly for both sides, but our defensive errors and our inability to score our chances decided the final result of the match

Goal Scorer: Pece Kotevski 1

Challenge Cup vs Living Grace 1 - 1

A really open game for both sides, trying to win the match from the initial whistle. Unfortunately the opposition found the first goal of the match. We tried to get the equalizing goal but it only arrived in the last five minutes. Today our midfield line played the most bizarre game, because they abuse of the short passes and the excessive use of ball skills that were easily controlled by the opposition. I would like to thanks for playing the two matches to the following players: Galip Kartop, Daniel Lapinskas, Juan Valencia and Moises Palacios

Goal Scorers: Aydin Tokdogan 1

Premier Reserves vs St Matthews Baulkham Hills 1 – 1

Disappointing result but we need to use this as a wake-up call as we will be playing finals in 2 weeks' time.

Goal Scorer: - Reinaldo Capizzi1

Premier League vs St Matthews Baulkham Hills 1 – 9

With only 2 fresh players for 1st grade it was always going to be a tough day.

Goal scorer – James Rosandi 1

Ladies vs Kellyville Kolts 5 – 1

Another strong performance from the Ladies. Today we probably dominated field position more than any other game all year and Hendrika in goals looked bored for much of the day. This added to my dismay when Kellyville levelled the game up at 1 – 1 with 20 minutes to play. This actually just spurred us into action and we banged in 3 goals in 5 minutes and another before full time to make the score a bit more reflective of the match. Strong games from Laura up front, Elise at the back and Nyanut in midfield.

Goal scorers – Taufa Kivalu 3, Laura Herbert 2
