COMPETITION RESULTS – 25th & 26th June 2016

U6 Red vs McCredie Black 2 – 0

It was a tough game today - the U6 Blacks ran hard for the ball, and were constantly blocking us when we tried to attack. But in the end, our attack broke through to win 2-0. Well done Abatar for scoring both goals and well done Izaak for playing well in both attack & defence, especially running back to the goals at least twice, with a fantastic save that kept our scoreline clear. Lual and Jerone had great games in the midfield and forward positions, and Leigh Shah & Aydin both did well with some great kicks, and some great saves of the goals. Well done, team! Man of the Match: Abatar Gurung. Coach's Award: Izaak Chung.

Goal scorers: Abatar Gurung 2

U6 White vs Wentworthville Uniting 10 - 2

Great work by all team players today as we defeated Wentworthville 10-2. Rayyaan demonstrated outstanding defending skills which saw him take out man of the match. Special mention to George Esber doing an amazing job as goal keeper.

Goal scorers –Alex Azar 5, Daniel Alouche 4, Simon Taouk 1

U6 Black vs McCredie Red 0 - 2

U7 vs Kings Old Boys

U8 Red vs St Columbas Castle Hill 0 - 0

We expected that this game would be hard, and it was. Columbas are 2nd on the table, and have beaten us twice, but this time, a draw was a fantastic result. Our team played really well, with players staying mostly in position and working hard at their job. We know Columbas have some strong players, and a good attack, so we needed to play a strong defensive game, which we did. Wek, Patrick, Mujtabe and Talitha did well in the backs. Well done particularly to Talitha who defended strong, and made a good number of good tackles to stop the opposition's attacks. Joey, Omar and Lachlan had a strong game in the midfield, defending hard and working well to counter-attack. Adhar, Ayii and Zakariyah played well as forwards, but didn't manage to get in many shots because of Columbas' strong defence. Well done Zak especially for getting into the action heaps, often chasing back to help defend and then returning to the front to attack. A draw for this game was a great result team, well done!

Player of the match: Talitha. Coach's award: Zakariyah.

U8 White vs Lidcombe Churches 0 – 1

We played an incredible game today. Changing up the tactics to have Samuel and Mark in defence to provide a little extra support in the back because we were playing a team that we know can attack. That made a big difference to our team's performance as Mark and Samuel kept the ball going back up the field into the opposition's half. And it was there that the game was played for 70-80% of the game. Dut and Lochlan tried very hard to break their defence but playing an opposition who stacked their defence with 4 sometimes 5/6 in the back field was always going to be tough. We seem to get our chances and opportunities are there but finishing it off continues to be a problem. In the second half in 1 counter play from Lidcombe where their number 1 player was able to break free they managed to get the goal which broke our hearts. The team played so well today and at least deserved a draw against the top of the table team but it wasn't meant to be on this occasion. Onwards and upwards and hopefully this form keeps up and we get ourselves to the semis. That's our goal for this year. Once we get there anything can happen.

U9 vs Hills Spirit Red 0 - 2

Sunny Saturday, but my was it cold. Today was a topsy turvy game. Players were mixed around and moved out of their comfort zone. Ali E and Hamza were valiant goal keepers. Malichi, Thomas, Simon, and Isaiah took turns attacking the goal. They showed good ball control and passed to each other. Lucy, Benjamin and Yusuf fetched and carried the whole game. Dylan and Rhia were patient defenders and were tackling well. We played a lot of the game in the opposition's half, but were slow to make the final push. It was great to see everyone trying to do something different. Player of the match: Yusuf Hasani.

U10 White vs Lidcombe Churches 2 - 1

In very windy, cold conditions it was 1-0 at halftime and then 1 all. They then scored an own goal and we won 2-1. Man of the match- Saad

Goal scorer – Joshua Depares 1, own goal 1

U11 Black vs Hills Spirit 1 - 5

A typical trip to the Hills district, we were left very frustrated by the opposition and we went down 2-0 early with only 8 players and by half time we were down 5-0. The team did much better in the second half and kept the ball in the opposition's half for the remainder of the game but could only get one goal.

Goal scorers – Duan Majok 1

U11 Red vs Lidcombe Churches 2 - 2

In soccer you need to put your mind and your physical strength into the game. When the opponent scored their first goal just before the first half finished, a big disappointment was felt. We reacted as if we had lost the match. But it was only just the beginning! Our players needed to be reminded to never give up never stop pushing and never layback until the final whistle is heard. In that spirit they kicked in at second half scoring 2 goals in 5 min and taking control of the game until the last minute when the opposition matched our score with another goal.

For us it was a win win game, the boys and girls did their best and we keep on!!!

btw it was freezzzzinnnnng today!!!!

Goal scorers – Makuac Kuol 1, Khalif Reigel 1

U12 vs Wentworthville Uniting 0 - 4

Because of the standard and potential that was shown by the team last week it was very disappointing to watch the team play the way they did. In saying that there was great individual efforts which unfortunately didn't reflect to the score board, we have work harder in training as a team to achieve what we know we can.

U13 Black vs Auburn FC 2 - 1

Today we played a team that was perfect on paper, they had won 11 from 11 and beat us 0-1 in the first round, but not today! The kids were almost surprised when they watched Auburn pass the ball around like we do and they scored in the first minute. However we weren't shaken and continued to play our game. Halfway into the half the ball was crossed and Deng volleyed it into the back of the net with his left foot; it was an absolute screamer! In the end, the 4 laps around 2 fields every Wednesday paid off as we outran Auburn and Ibra finished the game in the last minute with a nice set up from Abdul. We still have to play these guys twice more but now we have proved we can beat them and boys keep playing well and the championship is ours! Man of the match - Abdul

Goal scorers - Ibrahim Koroma 1, Deng Aguok 1

U13 White vs Greystanes 0 - 8

Like our previous two games, this was another game against an opponent near the top of the ladder. This was going to be a tough game already but with only 10 players it proved to be beyond us. There were at times some good passages of play, when we showed what we were capable of achieving in attack, likewise in defence there was some good work done shutting down raids on our goal. This good work was undone by more periods of ineffectual play when we let Greystanes control the midfield. If we did manage to get the ball, instead of controlling the ball and retaining possession by passing to one of our players, we tended to kick hoping that a team mate would get to the ball first. This optimism meant generally we gave the ball back to Greystanes to resume their attack again. Greystanes was the better team today, but we can play better than this. These last three matches have been a lesson, which if we are willing to learn from our mistakes, will make us a better, stronger team. If we can play to our strengths then we are competitive, but it needs to be sustained for an entire match if we are to challenge the teams above us on the ladder. Our player of the match was Narges Badvi.

U14 vs Winston Hills Bears 5 - 1

After 10 minutes we were 4-0 up but we were unable to maintain the momentum. Atilla had a nice birthday gift with two goals, Nedim played well and Jeffrey was amazing in goals. Qais had another good game and Andrew Elzain, my player of the match, despite being sick, showed the team how to tackle. Positionally we were poor today and after an injury to our striker we lacked punch in the second half.

U16 vs **Pendle Hill Tigers White** **1 - 4**

We got off to great start today. Scored first after 5 minutes of great play. The lead up work between Serge, Beshoye & Thomas put Serge into a great position and he executed brilliantly. From then on the game was very even, with both teams attacking & defending very well. Unfortunately a couple of defensive lapses let Pendle Hill back into the game. We went down 1-4 in the end, but it was an impressive effort. Man of the match Adam Russell. Well done Matt Richards for several "putting your life on the line" saves.

Goal scorer – Serge Boustany 1

U18 vs **Merrylands SFC White** **3 – 1**

No report

Goal scorers – Bashar Wannous 2, Willem Booker 1

Challenge Cup vs **Hills Spirit** **1 – 3**

The scoreline doesn't accurately reflect how this game went; we played a good, strong game, fighting hard all the way. We finished the first half at 0-0. Then got in front 1-0 for quite a while, before Hills scored their first goal in the last 20 minutes or so. It was only after losing 2 players with red cards, that Hills managed to get in 2 more goals in the last 6-7 minutes. Our goal was a brilliant long pass from Vadly to Basheer at the back post, who got to the ball first, had a defender pressuring him, but then still hit it past the goalie into the net. Fantastic. Vadly, Basheer and Goran had fantastic games up front and on the wings. Steve, Oli and Mic were strong in the midfield, working hard at defence, and moving the ball around well to counter-attack. Kyle and Hayden had massive games in the backs, as well as Zeeshan, Phil and Dany marking some strong attackers in the centre. Well done, fellas; you did us strong and proud.

Goal scorer – Basheer Karagully 1

Premier Reserves vs **Wentworthville Uniting** **0 – 2**

Lacking numbers at the start of the game doesn't help us out. We need to be there at a minimum 30 minutes prior to kick-off so we at least know where everyone is playing; especially with us short numbers and people playing in new positions.

Premier League vs **Wentworthville Uniting** **2 – 1**

If you looked at the table and at this result it would not reflect the strength of this performance. We might be leading in first place and they might have been in 4th place but we were missing half the 1st grade starting 16, the 1st graders who were there doubled up in reserves and the reserve graders players who doubled up after a hard contest faced an even more intense challenge at their home ground. Their Herculean task was made tougher by going behind early on but the true spirit of the team shone through and they not only responded with a quick equaliser, went one better by grabbing the lead but held on to secure a great win despite their tired legs. Edwin in goals, big Waz in centre of defence, John/Luke/ Renny/Daz providing the defensive cover in the wide backs, Richo and Paul providing the defensive screen, Will directing the centre mid, Mic and both Moey's tirelessly providing support and constantly running to switch between attack & defence and Virinder pressing their defence single-handily – you all stood up and showed great character with each one of you deserving man-of-the-match.

Goal scorers – Virinder Chaggar 1, William Wark 1

All Age Ladies vs **Kellyville Kolts** **2 – 0**

It's hard not to be a little frustrated by this game. We won and were playing the fourth placed side so it all looks OK on paper. But we missed two penalties, 3 one on ones and had another ruled offside (very frustratingly) – it could have been 7 or 8, which would have given us real momentum and made an awesome statement. Monique continues her great form and Elise had a very strong game indeed to be my player of the match. Thuzar worked hard in her first game too. Other than this – we were overall just a bit sleepy and going through the motions.

Goal scorer – Jenna Nowlan 2
