RESULTS – 25th July 2017

U14/1 vs Auburn FC 2 – 0

We knew that if we win this game that 3rd place was ours for the taking and the boys showed up. One of the best performances of the year considering we only had 10 for half the game. 2 goals in the last 10 minutes sealed the deal. Highlight was Jalloh beating 6 and slotting it past the keeper - he was also man of the match for his defensive work and distribution.

U6 Red vs OLQP Falcons Yellow 0 - 6

We had an amazing 100% attendance today so it was great to have the entire team at a match in a long time. A big thank you to Peter Sultana (Emily's dad and U10's coach) for filling in for Rana today. The manager would have been lost without his direction on the field! Emaan and Aiden made an energetic return to the game today after a few weeks off. Mete and Amir put in some strong defensive kicks. Jeremias played a better second half after some words of encouragement. Charlie had his listening cap on and showed the opposition his tackling skills. Christian and Logan played well as our defenders. Emily was our amazing goalie today and saved numerous balls from entering the goal! The kids need to build up their confidence in tackling the opposition to obtain the ball. They seem to have no problem with this during training sessions but shy away when it comes to the matches! Overall it was a good team effort. Not many weeks to go so let's enjoy the last few matches!!
Player of the match: Emily Sultana

U6 White vs Wentworthville Uniting 1 - 3

Unfortunately today didn't go our way and we had our first loss of the season. The boys put in a great effort but we just struggled to get the ball into the goal. Julian, Daniel and Ahmad put in some great runs to goal and Lukacs, Akshan and Noah did well in defending. Our man of the match today was William for his strong goal keeping work stopping at least 4 attempts by Wenty to score. Hopefully we will be back to winning form next week!

U7 White vs McCredie Grey 3 - 2

Top job by both teams today. Unfortunately for McCredie Grey the Whites pulled through with a 3-2 victory. George Tangi took player of the match this time as he demonstrated good sportsmanship and great defence. Daniel was also a star today as he's impressed the crowd with tackling, striking and most importantly respecting the opponents. Well done team!

We had 3/1 loss today and again we were a different team in 2nd half. We need to play for the whole game if we want to start winning again. Bentley was our player of the match and our goal scorer

U7 Grey vs McCredie White 2 - 3

A wonderful match today with both teams trying really hard. Unfortunately we were unable to get the win today. All of the players are commended for their efforts today, as they tried their best, and some of them played through illness. We still need to work on communicating, spreading out and passing better. The 'Man of the Match' today was Aaron as he set up both of our goals from an excellent taken goal kick and corner (unfortunately his amazing goal from a free kick was disallowed). He also defended well and kept trying to get the ball forward. Special mention also goes to Moussa who stepped up as goal keeper in the second half and made some wonderful saves on his debut. Mohammad tried his best up front and scored two goals. Stefan had a good first half as goal keeper and made some good runs in the second half. Nikolas played well in the middle, chasing the ball and defending our goal. Sarim and Aimar also chased and defended well. Thank you everyone!!!

Goal scorer: Mohammad Al Musawi 2.

U8 vs Wentworthville Uniting Blue 1 - 1

Today was a great game and it was unfortunate to concede a goal to an unlucky penalty in the last thirty seconds. Nour was totally on the ball as Goalie and kept out way more goals than he let in. Sundes took so many shots and was unlucky not to score more. Raphael, Siar and Husein ran hard all day and tackled well; using the shouldering technique we had practiced in training. Noah kept putting himself in good positions and was unlucky not to nab a goal himself. Noel and Farhan did well playing their positions- tackling and clearing the ball. Our Player of the Match was Sunday, who ran hard all game, got more ball than anyone and played both attacking and defending positions well! Thank you to everyone for being there and we'll see you all at training where we will practice some penalty shoot outs!

Goal Scorer: Sundes Thapa 1

U9 Red vs Wentworthville Uniting Gold 4 - 0

Great result in today's game. We started to feel the pressure and that is good as it kept us alert of the consequences of each mistake. Joey's goal came at the beginning and Lachlan took charge in the second half. Wek and Talitha were unbreakable in defence and Zak managed to keep our goal clean. we have seen good passes today and hopefully we will play with more confidence and stability in the coming two games. Well done red a win well deserved.

Goal scorers – Lachlin Lin 3, Joseph Doueih 1

U9 White vs Wentworthville Uniting Blue 1 - 3

The boys played a good game today keeping the ball down in the oppositions half for most of the game but unluckily let 3 get goals slip by. Samuel scored the only goal.

Goal scorer: Samuel Shamoun 1

U10 vs OLQP Falcons Red 0 - 0

A scoreless draw against OLQP Falcons Red was the outcome of today's game. The team created more chances but were not able to capitalise. Goal keeping was excellent from Sam and Joseph who shared goal keeper duties. Stella played very well on the wing again as did Taylor on the opposite wing. Lucy and Joseph played well up front. Hussain, Simon, Thomas, Yusuf Koray and Dylan played their part in defence as well. A player of the match performance from Alex Rush today who played as the central defender in the first half and then played as our forward in the second half. With less than 60 seconds to go in the game, Alex had the ball and dribbled pass some of the opponents heading towards the goal area when he was brought down in a tackle. From the sidelines it looked like it was going to be a penalty but the referee stood just outside the penalty area and placed the ball at that position. The opponents placed their wall up to defend the free kick. Alex lined up the shot and the ball went over the wall and beat the goal keeper but the ball just floated over the crossbar. The referee then ended the game. Alex was bitterly disappointed that the team did not come away with the win. It was great to see a player show emotion today because it shows to me that some players are understanding that hard work is required in gaining a win and sometimes when you have given all you've got and you don't come away with a win it is very disappointing.

U11 vs Lidcombe Churches Gold 0 - 2

The boys were very lethargic today we missed plenty of chances it was 2-0 halftime and finished 2-0

U13 vs **Dundas United** **2 - 1**

Today was a game that really could've gone either way. Dundas' season was all but over last week when they lost to Wenty. Out for a few wins they hit us hard early. Scoring 5 minutes into the game they had us fighting hard for the rest of the game an ugly first half ended 1-1 thanks to some beautiful team work and a finish from Katrina. At half time I simply said " you want to play finals football, you win this game" And it clicked. The passing from the backs to the strikers was great. The midfielders held position and after 10 shots missed or saved, Abdul finally bagged a goal giving us a valuable 3 points. Man of the match for me today was Rody, his efforts in motivating the team when they were down and not stopping the entire game was solid. Playing short sucks, but the team battled through it and got a much deserved win.

Goal scorers: Katrina Tamano 1, Abdul Agha 1

U14/1 vs **Pendle Hill Tigers** **0 - 3**

A wonder goal, a far post header and a deflection really summed up our day. We played well if not better than them in some parts however we were quite unlucky. Still have to play them again in the semis and we will be ready for them then.

U14/3 vs **Greystanes FC** **2 - 3**

With only 10 players we were competitive. Greystanes went up 1-0, after a deflection off our player beat our goalie, and then they scored again from a header off a corner kick we couldn't defend. We didn't give in and showed our grit and determination, taking the game up to Greystanes. We pegged back a goal when Garang put a nice through ball for Elias and when Glen crossed to Elias to score again; we went into half time 2-2. The match was evenly poised when unfortunately, Ruben was injured and had to leave the field. We hung in doggedly, with Utsav running hard filling the void until Ruben re-entered the fray. Angelo, Imran, Sharfil & William in defence and with goalie Joel made it difficult for Greystanes to score. Unfortunately with about 5 minutes to go we failed to clear the ball away from in front of our goal and Greystanes scored. We continued to attack but just couldn't score another goal. Elias was our player of the match working hard up front and creating havoc in Greystanes defensive line.

Goal Scorer: Elias Matta 2

U16 vs **Pendle Hill Tigers Black** **7 - 1**

There's no denying it, in the first half we were dreadful, trailing by a goal for most of it before jaggging two goals shortly before half time. A much more consistent effort in the second half brought us 5 more goals but we all know that we need to be much better than this.

Sydney Cup Firsts vs **Wentworthville Uniting Blue** **won on forfeit**

We definitely had more quality on paper but were again unable to find the back of the net which has really haunted us throughout the season.

A game that was 1 v 2 and both teams had their chances. Steve and Virinder up front was a new combination and worked quite well. Rest up boys as semis are in two weeks

All Age Ladies Div 3 vs The Ponds

1 – 2

We created 4 clear opportunities to score so it's disappointing to lose to the competition leaders. Not our best game today I'm afraid. Kayla tackled well and battled hard, Kate doesn't know how to give up and Sarah continues to show that listening to the coach for all these years has not just given her a headache, but also a solid understanding of what needs to be done and when. Sarah was my player of the match today.
