Premier Reserves vs Kings Old Boys PL 0 - 2

Going into this game as the underdogs not only as a Reserve Grade side taking on the PL First Grade Premiers from 2020, but with over 4 injuries and 13 ineligible out of 32. It was always going to be a tough evening. We agreed before the match that we were going to keep a tight ship and defend til the half, but after a defence cutting through ball and a shocking handball call we walked into the 2nd half 2 goals down. It's a true testament to our will power, camaraderie and mindset that saw us not give up at half time and abandon a game that looked dire, but stuck it out and fought til the end keeping them scoreless in the 2nd. We lost ourselves in the first half allowing the occasion to put our heads down and question our ability to compete, but like in all games of football, it's about getting back out there and fighting alongside one another. Very pleased with our 2nd half performance which we will take into the 2nd half of this season.

Round 7

Saturday 22nd May 2021

U6 Red vs **Lidcombe Churches Blue** 6 - 1

This week we took another trip to Phillips Park to play against Lidcombe Churches Blue team. We were told this team was undefeated so the excitement to play against a fellow undefeated team was palpable amongst the players. We had a full squad turn up to play and the teamwork they displayed today made us all proud. Chris scored 3 goals, Jessica landed 2 goals and William netted 1 goal. We allowed the opponent to score 1 goal to soften the blow of their loss. Congratulations to Jessica for Player of the Match for her outstanding performance.

Goal scorers: Chris Kanaan 3, Jessica Leke 2, William Isaac 1

U6 Black vs **OLQP Falcons White** 0 - 1

It was a very tough game today as we were unlucky to not get great goal scoring chances. The team did not play to the best capacity but on another day we could have won. Today was also Neal's Debut game and he played very well showcasing excellent technique on the ball. Special thanks to all the parents for coming and supporting and supporting and thank you to Felix's parents for providing the oranges at halftime. Our manager Losa and Coach Zohal did a great job today but in the end we were unlucky not to score.

U7 Red vs **McCredie White** 1 - 2

First loss for the season and it will be remembered as the game that we gave away. The last time the kids played against the Whites was in trials where we fought hard and won, but saw how strong our opponents were. All the kids in the team were given good opportunities to play today but unfortunately our defence needed to work harder and weren't able to create many chances for our strikers leaving our goal keeper very busy. Player of the match goes to Hussain for finding a fantastic opportunity to score our only goal.

Goal scorer: Hussain Al Delaimi 1

U7 White vs **McCredie Red** 2 - 1

What an exciting game we had today! We were up against the Guildford Reds and they gave us a bit of a challenge today. We were down one goal early but the boys picked up their game and Arman ensured that we tied by the end of the first half. Both Thomas and Samuel played exceptionally well at goalies and saved so many goals. Good job on a tough game today. Player of the match: Samuel Livingstone

Goal scorer: Arman Davodi 2

What a great game today against Kings Old Boys. The team was showing great skill not just with running with the ball and attacking the goal, several times they passed the ball to each other, which was just terrific to see. The other team had a strong goalie and defended several great shots from Ella, Laith, Zayd and Muhammed. Fantastic goals scored by Laith and Zayd, and great work by Ella, Muhammed, Samuel, Shiven, Annu and Olivia. Goals scored: Zayd Kassem 2, Laith El-Cheikh 1

After a bye last week the team came in today facing McCredie, the last time we played against them was last year finals we knew it was not going to be a walk in the park. The game started at a slow pace but once the momentum picked up Isaac scored the first goal and that raise the kids moral and just before the first half was over Taha scored a perfect goal to make it two nil by halftime. The second half the reds came back full on but with our defence working extra hard they were able to defend perfectly to make the final score 2-0. Goal scorers – Isaac Ibrahim 1, Taha Mansouri 1

U9 Red vs Greystanes United 1 - 0

Great effort put in from the team, good coordination over all, Superb saves from our Goalie Mahmoud, excellent defence by Johnny and Xolani, one great goal by Aakash. Overall the whole team had a great hand with bringing today's game to success for us and have proved that with continuous effort like today U9 red can definitely come out successful this season.

Goal scorer – Aakash Gurung 1

U9 White vs Wentworthville Uniting 0 - 2

Today we came up against a team that was more determined and we had our first lost of the season. We worked good as a team supporting each other but were caught out of position at their key attacking moments giving them opportunities. Their two goals came from their strong attack and thankfully we were able to block their other attempts. We were also able to threaten their defence but were unable to convert. The team kept trying for the whole match but we need to keep the focus on their positional play to ensure they are using their energy the right way.

U8 - 10 Girls vs Wenty Saints 0 - 4

I'm excited, parents are getting excited. We almost scored three goals today. It's taken a while but things are slowly coming together. Midfielders are doing lots of running. Gabriella is defending well. Olivia stayed forward. Emily did well to save some goals. Need to remember not to stop when we loose the ball. Head up and don't give up. Special mention to Nelofar for coming back to help Gabriella defend. Ava had her best game today and gets player of the match for her effort.

U10 Red vs Bye

U10 White vs OLQP Falcons White 3 – 1

Some of the boys were a bit nervous today playing the team that knocked us out of semi-finals last year. But the team played the best performance so far this year that we have seen. They listened to instructions carefully and played as instructed. They dominated the game and enjoyed every second of it. MOM: Jonah Cicchini

The Reds were freezing, but looked good for their photos. It was great to see the whole team. The boys were looking jittery, but were keen to start running. The Whites took command from the start and the boys were scrambling. After 10mins they settled down and covered better. Ali and Charbel were getting to the ball first. Luke and Gethyn watching and blocking. The midfielders ran the whole game and came back to support. In the second half, the Reds threatened to score, but the White back line was too strong. The kids are getting better and fitter this week. They're starting to understand position, but still not sure about their responsibilities. They each have to do a job and need to do it better. Good effort and they kept their heads up. Played of match : Charbel Bou-Said for doing his job on the side, looking up, and doing good passes. Coach's encouragement award: Charlie Maalouf for blocking in the middle and pushing to the sides.

U11 White vs **McCredie Red** 7 - 0

Great game today guys! It's great seeing the kids playing well together and giving different positions a try. While we normally have Khoder in goals, today Youssef S gave it a go at half time and played well, while Khoder played striker and just missed out on 2 goals. Great effort by both sides and can't wait for next weeks game!!
Goal scorers – Yusif Saleem

U11 Onyx vs **Wentworthville Uniting Gold** 5 - 0

A very satisfying bounce back from the boys after a disappointing draw last week with a comfortable 5-0 win, with Nik managing to grab all five goals. The boys played with much more intensity and concentration than last week. The fullbacks and midfield were exceptional in making sure that the play remained in the forward half and cleared a defensive corner that looked certain to score. Player of the match was Mykal who was always in the right position in central midfield and had some awesome tackles and headers to impress everyone on the sidelines. A great bounce back that we can hopefully carry on throughout the year.

U12 Girls Red vs **Wenty Saints** 8 - 0

Our opponents today was the only team to beat us so far this season, but we were determined to beat them and hard work played off. Faith and Rita played awesome defence today , while Alexandra stop many goals attempt by Wentys. Olivia, Lopasi and Dani pass the ball when needed. Kuae was determined to score today and did, 4 times! Well done to our girls on another win! As promised, chocolate milk all around today for their amazing win! Player of the Match: Lopasi

Today we played our best game yet! Photos meant everyone was on time, warm up went well and we started off the game on fire! Hard work across the park saw us up 3-0 at half-time. The opposition scored first in the second half and for a moment we were worried but the boys kept their heads up and scored 3 more to finish it off at 6-1. Fantastic effort from everyone but especially Michael who worked hard in both attack and defence and earned himself player of the match! Special mentions to Mohamed, Ayaan, William and Sunday who worked hard all game! Well done guys!

U12 White vs Toongabbie Demons 7 - 7

Well that was a roller-coaster of a game. From 6-3 up to 7-6 down to get a 7-7 draw was a unique scenario for everyone watching. It might seem obvious but the performances of the attackers in their half was very clinical with the passing in the opposition penalty area good enough to get six scorers for seven goals. However, the marking and jockeying in the defensive half is still not up to standard with too many players diving in and losing position when the other team start running at us. Player of the match was Stefan who showed the rest of the team how to time his tackles perfectly and track back when the side was in trouble. This team has enormous potential but have to be concentrating at the back in what has been practised at training and before games if they want to succeed against the better teams.

U13 vs Wenty Waratahs 0 - 1

U14 vs Dundas United 3 - 2

A massive win from the boys against a tough team just below us on the ladder. With Michael back from injury we had a formidable squad. 2 lucky goals by Dundas at the first half put us behind 2-1 at the break. The team dug deep and played the best half of football this year. Fluid passing and the complete defensive shut down of the Dundas strikers kept them at bay. A solid defensive showing by Yama earned him man of the match as he kept up with one of the fastest players in the competition. MOTM: Yama

Playing the 2nd placed team which previously beat us, I was excited that we had a new player Nas join the team (thanks Greg), finally we'll have at least 1 reserve for the game, something we haven't had all season! But of course, we lost our Keeper today, because Anthony suffered an ankle injury during the week. So a big thanks to Syed stepping up to the important role today and finishing with a clean sheet. (I won't count the disallowed goal which Syed just watched roll into goals). Then, of course we suffered another injury during the game with Zienat copping an accidental kicked ball to the face at full pelt, causing blood to come gushing out of her nose. Sidelined for about 20 mins, the team really stepped up and played some excellent soccer. We had plenty of shots at goal, but their Keeper was just solid, she shouted orders out back and played really smart, denying us chances. Sebastian had a great cross in the first half but the tap in went missing, then in the second half, Dylan beat 3 defenders and put the ball on a silver platter for another tap in which just went begging for any foot to tap it. Samuel played his usually solid defence in the back line. For a first game, and meeting his team mates for the first time Nas put in a strong performance and we are really pleased to have him join the team. Four games unbeaten at the moment. We are beginning to believe in ourselves that maybe, just maybe if we keep improving and being positive maybe this could be a special year, against all odds.

U18 Black vs Rydalmere FC Black 3 - 1

Only having 12 today and losing one in the first couple of minutes due to injury, we knew that we were in for a tough day. Throughout the first half, we looked tired and disjointed, always getting to the ball second and giving up possession too easily. Abulfazal was a standout in the first half and was honestly him v Rydalmere for the majority of the half. 2-0 was spoken as a dangerous lead at halftime and was proven when Rydalmere scored inside the first 10 minutes of the second half. We kept fighting and a moment of brilliance by Amir who beat two and then the keeper made it 3-1 with 8 to go. Not our best game but enough especially with the amount of injuries we have and the busy schedule ahead. Man of the match - Amir.

Goal scorers - Krish Shrestha 1, Abulfazal Mirzaei 1, Amir Madar 1

U18 White vs **Merrylands SFC** 0 – 4

The discipline, organisation and cooperation of this team would make any coach envious. 16 players at Everley on time for photos, lined up and done in about 10 minutes was fantastic. Even more impressive that we then all had to drive to another park to play, and we were there in good time for a warm up. Unfortunately things went a bit south from there, but with these guys, never through a lack of effort. At half time we were down 0-1 but could easily have been leading with two clear chances not taken. We didn't change much going into the second half, given that we had already adjusted to cater for their quick striker. I believed that what we were doing was going OK and that if we could snare our opportunities we were still a real chance. Unfortunately they scored again and we did readjust this time adding an attacker. We then did have a period of 10 -15 minutes where we took control, pressed their goal and forced Merrylands to make substitutions. As we pressed more fouls occurred and it could well be argued that one such tackle, not punished, undid a promising attack. In losing the ball unexpectedly Merrylands grabbed their opportunity to counter quickly and from 0-2 down and pressing hard, we went 0-3 down and in real trouble. A further readjustment to further bolster our attack, weakened our defence and we conceded a 4th goal late. The boys fought all the way. The small ground didn't suit us and 4 goals certainly flatters Merrylands, but they deserved their win. It wasn't our best game, quite the opposite and we lacked cohesion and composure. Our passes in midfield didn't stick and out wide we couldn't position ourselves effectively. Small ground but we certainly didn't make use of the space and instead got crowded into contests which Merrylands too often won. All that said, Geetansh played well (none of the goals were on him), Cesar and Conner tried valiantly but Matias was player of the match. His tackling position and sheer effort were top shelf today.

Premier League Reserves vs **Western Sydney Westeroos** 6 - 1

A game of two halves once again. After a great start, we had created a high number of chances in the first 15, but were unable to take full advantage. The remainder of the First half it seemed that we lowered ourselves to the standard of the team we were playing against with an inability to string together a few passes. After half time, we reacted really well and came out and begun playing football. With 4 goals in the 2nd and some strong performances across the park, we walked away happy. Darwin returning from injury was a standout today. Goal scorers - Matt Hunter 2, Dollar Bunait 1, Will Booker 1, Wil Wark 1, James Rosandi 1

Premier League Firsts vs **Western Sydney Westeroos** 4 – 1

2 red cards within the first 5 minutes set the tone for today which looked more of a UFC match than it did a football match for Westeroos. McCredie reacted really well and didn't get too involved considering we stood our ground offering them little football wise. Excellently taken goals and mature performances across the park which saw us to 3 points and another W on the trot keeping us clear top of the table. Midfield pairing of Mush and Brando were excellent and rightfully picked up motm/points.

U14 Girls vs Blacktown Workers 5 - 0

Despite only have 11 players against a full opposition squad who were not scared to show that it's a contact sport we played really well. The improvement in attitude and effort by all the girls was the difference. We challenged the 50/50 balls, attacked the ball and looked for passes. Every girl was fantastic from Huda in goals with a clean sheet plus scoring all the way to our striker Soman who scored 4 but Shannon as centre back marking their striker out of the match got the player award. Special mention to Theresa for managing to play on for 75% of the game after getting taken out in the first 5 minutes. The result returns us deservedly to the top of the table with a catchup game in hand.
