All Age Ladies FINAL vs CCIW United 1 - 0

McCredie's first competition win for the year! Great result for our undefeated Ladies, winning a tightly contested final 1-0. 0-0 at half time with few chances being created by either side. McCredie had the better of the field position but it was a tight tussle. 10 minutes into the second half Mika broke free and scored with the outside of the foot, curling it in to the inside of the far post and in! (At least that's how I saw it!) Again 5 of tonight's team have been playing together of over 10 years, and deserve this terrific reward for their efforts and friendship. What a fantastic group of ladies we have. We do think of our two team mates in isolation tonight though. We will aim to do it all again for you , and with you, next year. Goal scorer – Mika Oo 1

U14 Girls

vs

Greystanes FC

4 – 2

With the wind and the rain coming down, we didn't know if the play will still go ahead. Our girls braved the rain as the whistle blew. We dominated the first half with Soman scoring 4 goals. With only 9 players tonight vs 11 players from Greystanes our girls held their grounds, and showed everyone who's boss. Our defence line Faith, Kuae and Catherine worked their magic and worked together keeping the ball away from our goal. Our goalie Alexandra stop many attempts from Greystanes. The second half of the game, you could tell the girls were tired, but they didn't stop. Rita and Danny worked so well in mids. Danny did an amazing job setting up the ball for our strikers tonight, but Greystanes defence line stop us from scoring. Ellina was running left to right and then back again, never once did she complain. Always with a smile on her face. Kristabelle and Soman worked together passing the ball to each other trying to get another goal for us, but unlucky. Overall coach couldn't be more proud of the girls tonight. They gave it their all and kept their winning streak alive. Only 3 games left and semi's here we come! WELL DONE GIRLS. A special thanks to Faith's mum Jen, for stepping up as coach for the first half! Player of the match: The whole team! We couldn't pick a player as every girl tonight did their job at 110% Goal scorer: Soman Saleem 4

U6 Red vs Lidcombe Churches 6 - 2

Wow! It was a great game to watch! This was our first game this season where every registered player was in attendance. First half of the game wasn't going our way. Within the first 1 minute a goal was scored against us. We managed to even the score within the next 5 minutes. Lidcombe closed the first half with a second goal, giving them a lead of 2-1. A quick talk to the team with a new strategy in place, we managed to play our best and secure 5 goals in the second half and play a great defence game to ensure a win for Guildford of 6-2 at final time! I am extremely proud of the game play today by all the players. Isa played a great team game today, with a great pass to Jessica who secured a goal! Felix was awesome as our goalie in second half, saving a number of goals being scored against us. Zoe played a great game today, managing to get the ball from our half to the goal area a number of times. Jessica was awesome in her delivery of goals, alone with Wassim who also scored a number of goals. Kutayaba and Mahmoud played their usual best to keep the ball out of our half. Luqman played great running up the field attacking to get the ball. Paiman played today his second game with the team, being overseas for the season with Amir unfortunately unable to play due to not having the required complete uniform.

U7 White vs Inter Parramatta 6 - 2

Great work boys. 5 goals in the first half of the match put us in a strong position. We had lapses in concentration early in the second half with passes across the goal face leading to 2 goals by the opposition. Otherwise, strong defensive efforts by Zayden. And great support from George and Jacob in the midfield. Another strong effort in goals by Thomas who generally had a quiet match. Also, a big thanks to Jessica from the U6s who played with us, so we had a sub. There was a noticeable improvement in passing amongst the team and we are remembering to keep a player back in defence to shut down any breakaways. Fantastic win boys!

Today we played Inter Parramatta but we didn't have enough players so we borrowed George from U7 White. In the first half we played excellent and had some chances but we couldn't get it all in. Josh scored a fabulous goal outside the box. Then we got a penalty for McCredie and Josh scored it. At the end of the game it was a 3-0 win.

U8 White vs Greystanes FC White 0 - 1

Despite the end result, McCredie put on a solid and extremely competitive performance, the best of the season. The boys kept their formation the entire game and were very strong in defence. Goalkeepers Elijah (in the first half) and Charbel (in the second half) pulled off some fantastic saves, while Rashav provided a number of monster clearances and long balls to the attack which consisted of Hanna, Charbel GeaGea, Samuel and Shane. Thomas and Eden were especially energetic today, chasing and tackling everything that came their way. It's unfortunate the ball slipped away in the wrong direction at that one moment to gift the opposition a goal, but the boys will come back from that all the better.

MOM: Roshav for his stalwart defence.

After playing the strongest team in the comp last weekend and drawing with them the boys were all ready. Jayden was back and he started scored the first goal. With a strong midfield it meant we were able to keep the opponents on their half giving the team plenty of opportunity, and Kai did take them and he scored two marvellous goals. Jabari was able to score the last goal after dribbling the ball from the half line. At the end of it all it was 4-0

A super-exciting game from start to finish. Our team kicked it off with a great goal from Nelofar, and Izzy followed it up with two more goals. But Greystanes fought back in a nail-biting game and scored three of their own goals. Nelofar scored again with great support from the team. Greystanes again evened the score until Nelofar and Olivia set up for our final goal with a huge kick from Nelofar. Well done to everyone on such a great game, with Hajira and Batoul and our borrowed Under 6 player Cami defending and chasing the ball, Olivia and Izzy saving many goals as goalies and Nelofar, Izzy and Hajira attacking the ball time and again.

Beautiful day for the game. Today the boys played well especially after half time. Instead of complaining about not passing ball to each other, they actually communicated and passed the ball. The result was amazing the second half! Win Loss happens but boys are improving.

U10 White vs Greystanes FC Grey 2 – 0

Following on from our win last week, the team had a positive attitude going into today's game. Jeremias and Joachim started strong up front with Owliya in support. Our passes between each other were strong, finding their mark. Jeremias was able to push through and score our first goal. Our defensive line of Michael, John and Gabriella held strong and were able to set off side traps. Through the second half Adam, Ali and Khaled worked hard on the wings with Emily making some great saves. Jeremias was able to secure the win with a great second goal. A huge thanks to our 3 U9 players for joining us today in the win.

Another beautiful day to be playing under the blue sky. With no reserves today on the sideline, the team started brilliantly and viscously passing forward to quickly to Ahmed who was able to score a goal within the first minute. First half we pretty much dominated the game in the opponent's half but were still finding it difficult to finish off. Then just before half time Youssef was able to secure another one taking us to 2-0. Second half came and it was like we were watching another team play. We found ourselves defending more and struggling to get the ball to our strikers. But when we did Julian was able to score 2 more to secure the game 4-0.

I can't warm up the team before the game if they are not there. I can't coach the team before the game if they are not there. It doesn't help me or the team if you arrive 5 minutes before kick off. I can't yell out instructions if you are all yelling over me. All you parents would make good coaches, consider it for next year. The club needs you.

That said, the girls played to the best of their ability. Gabbi wasn't afraid to move forward more and was unlucky not to score after her shot hit the side post, Layalle had some good attacks, Ruby was attacking the ball like I've never seen her do before, Claire never stopped running and is always full of energy and Ella bagged her first goal. Emily had a mostly quiet game in goals and came out of the circle to clear the ball a couple of times. Both teams were pretty well matched today unfortunately for us Lidcombe scored late to come away with the win.

U12 Red vs Greystanes FC Black 0 - 3

Lovely sunshine and warm weather today. The first half was tight as the teams were evenly matched. The defenders were winning balls and doing long kicks forward. Stefan was a trooper, he dove to save a goal and got kicked in the head. He got back up and continued playing. Bilal and Brandon were able to break away and came close to scoring. The blacks got lucky just before half time. Switched things up a little to give boys variety. Midfielders were scrambling and defenders were tired. The boys tried very hard, but Blacks found their groove. I and the Reds couldn't keep up. Disappointed we had 5 players missing, thank our lucky stars u10 players (Aakash, Michael, Hussain, Ayan, and Ali) for filling in. Player of match : Luke and Daniyal for being focused, courageous and tenacious. They were solid in defence and won most of their tackles. Coach's encouragement award: Ghadir and Bilal for trying and more chasing

Throughout the whole game we managed to control the movement of the ball which was pleasing to see but in the first half we failed to take many of our opportunities. A fairly unfortunate penalty gave them their goal near halftime but the boys had a really good start to the second half scoring a couple of goals to really settle down the match. Player of the match was John Paul who showed the rest of the team how effective it can be to play a short pass in defence rather than simply pumping it down field. Another highlight was a beautiful assist set up by Daniel for Aaron to finish a really classy goal to emphasise how good the team can look when we choose to play short ground passes until the space opens up. A very solid game and hopefully building towards bigger and better things in the next couple of weeks.

A slightly scrappy first half made everyone a little frustrated at half time despite holding a 1-0 lead but the improvement in the second half was really good to see. The dominance we maintained in possession meant that Seb in goals only touched the ball once in the second half and we were able to put through another two for a comfortable win. The team was able to move the ball side to side very effectively which stretched the defence and allowed us to exploit the extra speed up front. Player of the match was split between Aaron and Gethyn who both displayed commendable composure at opposite ends of the field to ensure a nice result for the team. Hopefully this shows that the team is peaking at the right end of the season.

A disappointing result despite having a full team to play against the same opposition as last weekend, where we played short, but resulted in a poorer outcome today. Frustration from repeated issues in the team from a lack of communication and support. Our line of defence and goal keeper held up the team but were exhausted from the chasing. There is a need for all players to remember and focus on playing as a team rather than individual performance, and to never give up regardless of the score. We are hoping for better results in the few matches we have remaining in the season. Keep your heads-up team.

Team played a good game today and we're very unfortunate to lose. Started the game off with 8 players in which caused us to concede early. After 3 players arriving late, we won a penalty and Sebastian scored it. It was 1-1 at half time and the team looked good. Early in the second half Toongabbie won a penalty and scored it. Rijo played a beautiful ball into Mustafa who equalised. They were very unfortunate in conceding late into the second half with a mistake from the keeper. Overall they played really well and we are looking for a better result tomorrow.

This was a really important game for the team, with a bye next week and sitting just outside the top 4, we needed a win to guarantee a semi final position. Going down a goal in the first half was not the plan. The team responded really well though and the injection of Zaid up front (he has been pleading for a run there all season!) did the trick, with a goal scored through sheer determination. A draw gives us a shot, depending on other results.

Like reserves, a win would have ensured a semi final position, and a draw means that we could still miss out, although a point next week would be enough. We started with a cracking volley by Arif from a beautiful cross (was it Jack?). Unfortunately we gave up our lead before half time, but then again with another great team goal finished off by Robert we were back on top before half time, and maintained it following the tackle of the year by Ryan. Lidcombe gained some ascendancy in the second half and we may in the end have been fortunate to just concede the one. So a draw it was.

U12 Div 1 vs Regents Park Saints 2 - 2

It's hard to describe how proud this coach is of the effort put in by the ten boys who played against the top team on Sunday morning. Having almost every outside factor against us before the start it was so pleasing to see the team show Regents Park that we are more than capable of giving them a big scare in the finals. Special mention to Yusif and Mykal who played excellent games in unfamiliar positions and to Nik who ran tirelessly up front and constantly caused problems for their defence. Jason's goal kicked straight in off the corner was also a highlight of the match. I hope that this performance gives us enormous confidence knowing that we have to play this team probably another three times in the next few weeks. If we can replicate the spirit and skill we played with on Sunday, I have no doubt we can continue to win important games.

Today's game was a late one for us but the girls dominated the whole game. Only once the ball came close towards our goal. Soman managed to score 9 goals, with Kristabelle adding another goal from a penalty kick. Danielle once again setting up amazing goals for us. Lopasi missing out on 2 goals, but it didn't stop her from having a 3rd go. Ellina worked her magic running and chasing, never stop once. Well done girls. Only 2 more matches to go! A special thanks to Alex (coach of u11 Reds who stepped in for us as our coach was sick). Player of the match: Kristabelle and Ellina both girls ran their hearts out today and never gave up.

A massive improvement from yesterday's match. It was good to see the team able to reset and focus on their game play today. Much better teamwork enabled us to get into scoring position multiple times but we also missed multiple goals. We just need to work on our accuracy. First game this season where we had a full team and a reserve, and it payed off. Started the game really well, playing as a team and creating space out wide. We scored 4 goals in the first half and were unlucky to concede in the last minute if the first half. You could tell the difference when you have 12 players as the team was feeling very energetic in the second half, scoring the other 4 goals. If the team shows up and plays like this every game we should expect a result like this every week. Well done boys.
