A crisp windy morning but we were ready for a good game. Ali started well. Zein's marking and quick movement towards the ball meant he was first to the ball. Moses was moving the ball well and got some shots at goal but was off target. Raphael was amongst the action in the second half after his stint in goals. Demir had a few good runs today bagging a couple goals for himself. Pleasing to see that the boys are not all bunching up together chasing the ball but were spread out today. Throwins are looking good. They are really playing very well as a team.

It was a beautiful, bright day for soccer! 🏆 🗨️ Our little champs Ruben, Ryan, Melvin, Akunna, Lazarus, Jordan and Zahid played with great energy and excitement, showing off their skills and teamwork. We had a fantastic game, scoring goals and cheering each other on. It was a day full of fun and smiles. Thankyou Lionel (Parent coach) for helping today.

U8 vs **OLQP Falcons Silver** 7 - 1

On Saturday we played OLQP Silver at Daniel St Park. Conditions were tough with really strong winds. The match got off to a strong start when, just a few minutes in, defender Akram launched a long ball upfield that found Zaydin. Zaydin controlled the ball brilliantly and slotted it past the OLQP goalkeeper to open the scoring. The early goal set the tone for the half, with Yusef and Sohail each adding to the tally. Yusef scored a well-placed shot, and Sohail's effort further extended our lead. Before the half-time whistle, Sohail delivered a perfectly timed pass to Zaydin, who took the opportunity and scored his second goal of the game. Thanks to our strong defensive effort, OLQP only managed to score once. The second half saw us battling the wind, but it failed to dull our dominance or confidence. Sohail, Yusef, and Felix each found the back of the net, adding three more goals to the scoreline. Our defence held firm throughout the half, particularly with the absence of regular defenders Jess and Zoe, showing the team's resilience and ability to step up. Our disciplined positioning and effective passing played a crucial role in the win. Thanks to Will for coaching this week, while Coach Anthony was away!

U9 Girls vs OLQP Falcons 7 - 1

From not having consistent games or training due to changes in weather, the U9 Girls finally had the chance to come together and play two games this Saturday. A bit worried at first as we started with six players whilst our opponents were double our size, but a little into the first half Dalilah came running down and immediately hopped onto the field. Dalilah was incredible throughout the whole match, continuously running for ball and her defence was spot on. Talei and Jacinta played alongside each other, helping one another guide the ball towards the goal. Not to mention a moment in the first half, Jess had kicked the ball from the half-way line straight to Talei, performing some amazing dribbling skills to allow the ball to get to Jacinta, who struck the ball straight over the goalies head and into the goal. Wrapping up the first game of the day, the girls had won the match with an overall 6-0. Heading to the second game, the wind had picked up and wasn't a good sign for the girls. First half started and Flo was placed in goals, performing a few nice handheld saves. Her overall determination in wanting to learn and play better each match is truly inspiring. Amellia and Tisha had come out of their comfort zones, attacking their opponents and helping their teammates out. Both having some time to run the ball alone and learn to control the ball on the field. Hijira had fortunately come to join the girls, showcasing her dribbling skills and the ability to easily defend herself. Another win for the girls, an overall score of 7-1.
 Goal scorers – Talei Rasaku 3, Jacinta Taleb 2, Hajira Rezaie 1, Jessica Leke 1

U10 Red vs Lidcombe Churches 5 - 0

First half was slow as we tried new positions resulting in a 1-0 lead at half time. The boys had some great chances at goal, but similar to last week, we were just off target and the strong wind was no excuse. Second half was much better as we resumed our strongest position to finish the game 5-0.

Goal scorers: Erik Bausse 2, George Catangui 2, Laith El-Cheikh 1

U10 White vs Kings Old Boys 2 - 4

It was another week of soccer with strong cold windy conditions and the boys started the first half strong. They kept possession of the ball and play in our half which saw us scoring and a Kings player scoring an own goal. Many passes, shots and defence plays were made however the second half unfortunately wasn't enough for us to win the game. The boys were feeling down from the calls made that allowed the Kings to score. It's OK boys because we can get them next time 😊

U11 vs Greystanes FC Blue 2 - 1

After missing two weekends of games due to the rains the boys were looking forward to play and they were playing a team that has not lost a single match in the season. The team played well from the first minute and the opposing team did score the first goal with a fantastic goal from Taha and a magnificent penalty by Isaac did make it have the win for the day spoiling the opposing team undefeated title.

Today was a struggle with the wind wanting to participate in the game. To start the game off, Elizabeth was playing amazing, being in the right place at the right time. Elizabeth was staying persistent and never giving up. Which gave her the chance to score our first goal. Continuing on in the first half, Izzy dribbled and used her skills to get past the WHOLE Greystanes team. Taking beautiful shots at goal and never backing out. After many plays she saw a wide open shot, took it and made the goal top pins. Starting off the second half once again with Izzy and her positive attitude. Dribbling past the amazing greystanes midfielder number 45 and scoring another GOALLL for our team. Olivia had amazing saves today knowing when to pick up in the box and when to come out. She let no one get past her. Our team today was on fire not hogging the ball but passing when needed. They had amazing attitude and showed great sportsmanship and teamwork. This team of girls work so well together and make us proud each week. Another thanks this week to Jacinta and Jess from U9s for helping out. You did amazing girls. Our first loss in 2 seasons, but what a great run we've had!! Today all the players played their positions and played them well. The wind made it tricky and the Falcons played a good game. They had a free kick 9mins in to the game and we just couldn't recover despite holding major possession. Some disappointment after the game, but all the players know to hold their heads high and only a few games left of the season our pole position is still secure, we will come back next week and try again!!

The wind played havoc sometimes helping or hindering the play. Games against GFC are always tough and the team came determined. After a quick goal to GFC, the team settled into a good rhythm with strong passes to each other and taking shots when possible. Soon two quick goals came and we ended the half leading. The second half continued strong with Jacob L smashing in two amazing goals. Our goalkeeper Johnny played strong with great saves battling both the wind and GFC attack. Great game today by everyone

The second match of the day proved to be tougher for the team with some missed opportunities. They continued trying when they were behind on the scoreboard and were able to level the score by full time.

We are proud of the team for backing up for a second game and giving their all.

U13 vs Greystanes FC White 4 - 1

Wild and windy to start. We started with the wind, but didn't make the most of it. The team had most of the possession but plenty of pressure on the opposition. Only managed 1 goal in the first half. 2nd half we knew it was going to be tough running against the wind. We started off in the best way possible, scoring directly from our kick off play setup. The team defended hard and eventually gave away a penalty with a hand ball in the goal box but the team didn't let that get to them and hit back straight away with the next kickoff. The rest of the game was an arm wrestle with lots of back and forth possession. We eventually got a 4th goal with long ball passes. The team put in a great effort especially with the wind and came out on top.

Player of the match: Ameer Khan

U14 Girls vs Inter Parramatta White 4 - 1

With only 8 players and the wind against us most the game we knew today would be a tough task. We went 1-0 down early in the first half and it looked as though we would be on the backwards foot for the rest of the game. That's not what the girls had in mind though. They completely lifted and turned the game on its head dominating the rest of the match. We went from defending the whole first half to our keeper only touching the ball once in the second. 4-1 great win girls.

U14 Div 1 vs Auburn District 1 – 2

Playing the league leaders with a clear game plan to mark their striker out of the game and by disrupting their midfield as much as possible. The boys stuck to this game plan so well for the majority of the game. We took the lead early and defended really well. Unfortunately with seven minutes to go, their striker got away and scored to make it 1-1 and then got away again with 30 seconds to go. Game of inches.

Boys were playing against the wind and the whites. Big Ali and Charbel were getting tackled in front of the goal. Need to look up and pass more. Second half we had the wind at our backs. Big Ali's kicks went all the way to the front. The whites were getting tired as they were short on players. Team did great getting to the ball first, longer passes, and having a go at goal. We lost 7-2 today, but don't let the score fool you, We only had 7 players turn up, we had to borrow a 8th player and they were up against a team of 10 players. Despite all that , they are all defended really well and it was great to see the kids play and support each other and work as a team. With Danielles long kicks to Michael he was able to get us 2 goals.

U14 Onyx vs Kings Old Boys 1 - 1

It was a windy and cold day today and the boys started off with a bad mindset. That became painful as we found our opponents breaking through our defence line early taking the lead in the game. With both coaches absent and lack of communication on the field, we fell very behind and were struggling to attack. Late in the game we resumed to attacking play which awarded us a goal back equalising the game. Not the result the boys were expecting today.

U14 Onyx vs Wentworthville Uniting 2 - 2

Coming to a third game today the boys were exhausted. With lack of organisation we had a scrappy start again conceding 2 goals early. However we asserted our dominance and kept the ball in their final third the whole second half. But missing open goals led to only enough to end it as a draw. A special thank you to Julian Azar and Sebasjin Tuki from U13 for stepping up and helping out in the third game.

It was great to finally have a majority of players return after many weeks of absences. The team had a pre-game discussion on game plan and strategy which seemed to work well. Plenty of passing and players supporting each other. We were up 2 - 0 but unfortunately second half saw our opposition catch up from a penalty shot in the box. Everyone played really well as a team which was really good to witness. Thank you to Sarah B for assisting today and a massive thank you to Gethyn for stepping up at the last minute to referee. We appreciate it!

Being up 1-0 at half time was awesome. Unfortunately the second half into the wind was always going to challenge us and errors hurt even more. But we did play pretty well.

PL Red Firsts vs McCredie White 3 - 3

This is what playing in Premier League should be about. A nearly full strength side, a strong opposition, pre game tactics, a team prepared to follow them, players pressing for places in first grade and then performing and a game played in good spirit, controlled by a referee respected by all. That we were up 3-1 was awesome, that we couldn't hold it a shame, but not a disgrace. These guys have won this comp three times, and we competed with them today. In fact, it is they who feel lucky. Hamid and Sandro were great and Cesar was again spectacular.

RAIN – WHAT TO DO

It's raining, it's Saturday!! Is the game on??

The decision to close and open grounds is in the hands of the local council

It is made on the basis of the condition of the ground. It is not made based on the weather.

That means that sometimes it is sunny but the ground is closed (because it is still wet from previous rain) or it is raining but the ground is open.

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not contacted your manager, the game is on, even if it is raining!

*Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*

It's raining and it's training tonight!! Is training on??

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.

Granville Park is in Cumberland Council – <https://www.cumberland.nsw.gov.au/sports-ground-closures>
