Results Saturday 31/8/24 Grand Finals

U9 Girls

vs

OLQP Falcons White

1 – 2

We dominated this competition for the home and away rounds, but when we hit the semis, we seemed to lose our way. It was a shame but the season was about 3 weeks too long for the girls it seems. Today Talei tried everything she could and Dalilah defied her age and size with a genuine captain's performance.

U10 Red

vs

Greystanes FC Black

1 - 2

Despite a very unfortunate and unlucky start to the game with the wind against us and Greystanes scoring 2 goals within 5 minutes, our kids showed how big their hearts were in the second half and gave it everything. Within 2 minutes of 2nd half, Josh scored our first goal from a great assist from Aidan. We had more opportunities than Greystanes that almost turned the tables, but with a strong goalie in the opposition, it just wasn't meant to be. A tough result to take today, but as in life, we don't always have control of the outcomes, but can only focus on the efforts that were put in. For that, we are so proud of the whole team and each and every child that has contributed today. Well done to the boys.

We weren't sure how today was going to go but we were hopeful. This season against InterParra we had a landslide win, a washout, a draw & we juuust won at semis's. The first half was nerve wrecking with the game mainly outside our goal box. Olivia in Goals had the most action in a game she's seen all year and performed beautifully, not allowing any goals through. The score was 0-0 at halftime. As the clock raced down we were fearful of having to go into overtime & golden goals, our super star Jess had a great run but got fouled just outside the box, Izzy took the free kick and delivered our first goal! Shortly after Inter had a handball inside the box giving Izzy another chance & converted the penalty. Nelofar in mid field was on fire showcasing her ball skills, Julie today shut down the opposition consistently through the game. Elizabeth kept up so well with her skills & stamina shining bright. Marita & Batoul in midfield helped slow down Inter. Ciena played one of her best defensive games, always in the right spot. Aarya stepped up taking on the strikers and bringing them to the sidelines, winning us the ball. Taking up centre defence Claire took control the back line and took possession over and over. Our pocket rocket Hajira showed no fear as usual, going up against the Inter defenders over and over never give up attitude. **GREAT GAME, GREAT SEASON, GREAT TEAMWORK!! Well deserved season outcome for this team!**

U13

vs OLQP Falcons

0 - 1

We made it through to another grand final. The boys worked hard all season to get here. Once again we were up against the Falcons who we know are not an easy team to beat. The boys were relaxed and confident with no pressure on them but the expectation of winning was present as the reigning premiers from last year. The game started off with plenty of possession for us. There was plenty of attacking plays but our strikers could not finish off the goals. A lot of back and forth when an unlucky rebound off a clearance gave them the lead at one nil in the first half. Our team fought hard in the second half with majority of possession but Falcons held our charge off and managed too win the game in another nailbiter. Very proud of the boys, unlucky we didn't get the win but we will come back stronger next year! Thank you to Michael for joining us for yet another grand final match. A massive thank you to all our dedicated players and their amazing family of supporters. It has been a memorable season and we hope to see your all return in 2025!
