

On The Ball

Guildford McCredie Uniting Soccer Club

No. 10/99

IMPORTANT NOTICES

This weekend is the six-a-side competition. As I mentioned last week Guildford McCredie has entered teams in U6s, U8s, U9s, U11s and two senior teams. Games are ten minutes each way, full field and of course only six players. One reserve per team is allowed but there is no interchange. There is no offside and if goals are equal corner kicks will count, if goals and corners are equal, goal kicks will count.

The day is guaranteed to be a fun day and there will be plenty of McCredie teams to cheer for. The junior competition kicks off at 8.30am at Jamison Park, Penrith on the Saturday and the seniors at 9.00am at Everley Park on the Monday.

Parents of junior players think about coming down to Everley on the Monday to support our senior teams (come early – just in case!)

This day will be a great chance for us to build our club spirit whilst also getting to watch some of the most talented players in the association from other clubs.

It is very important that nobody is late this Saturday as one late player may cause the team to have to forfeit. With this in mind all teams will meet at Granville Park and travel together. In this way nobody will get lost and everybody will have a lift.

RESULTS for 5/6/99

U/6 vs Greystanes Churches maroon

U/8 This week the Under 8s had a bye. Great win fellas!

Other good news was that Cem's operation went well and he was even able to watch the senior team play on Saturday afternoon. Great to see Mat there too!

U/10 vs Blacktown Uniting 4 - 0

Last game of the first round and we had our first win! Great teamwork and a cheer squad (with streamers) paid off. We also learnt all about playing 'offside' today. It is so hard to single out the best players, as they all played well. Our 'player of the match' was Wayne as he constantly kept his position and supported the front row.

Our encouragement award went to Edmond as he was our most improved player. Timour showed great sportsmanship as he missed out on playing the game due to a draw. Keep up the good teamwork boys and we should do better in the second round

Goal scorers – Jasvinn Singh, Elias Sallak, Nathan Cross, David Sallak.

Raahauge Cup (Reserves) vs St Pauls Castle Hill 3 - 0

This was a great result for the guys. After just 15 minutes we were 2 – 0 up and clearly the better team. Our opposition were well placed in the competition but our guys made them look second rate. Really strong games from Tom Kennedy who is now fully fit and scoring clinical goals, Stuart Elliott who was strong in defence and Gaven Biber who is cool under pressure and improving each week.

Goals – Tom Kennedy 2, Glen Mackenzie 1

Raahauge Cup (Firsts) vs St Pauls Castle Hill 3 - 2

This match could have turned really ugly if McCredie had reacted to some of the appalling play of our opposition. Instead cool heads, a determination to win and some intelligent, mature talking from guys like Peter at the back saw us score the winner close to full time and claim the win we deserved.

Ricky Brook, John Atkins, Phil Chan and Peter Chapman – Stone all had strong games and the support today from some of the more regular reserve grade guys was terrific.

Goals – Greg Wark 1, Phil Chan 1, Nick Creer 1
