**Under 6** vs Wentworthville Uniting 3 - 0

We played one of our best games ever against this team last time and we were hoping to repeat that performance. We started strongly creating a few scoring opportunities but Wenty's defence had improved since the last round. By half time neither team had been able to dominate and the score remained nil all. A short chat with the boys at half time and a five minute rest made all the difference in the second half. We started passing the ball more, chased harder and attacked in numbers, this gave David Semialjac many more scoring opportunities and it paid off. All the boys lifted their work rate and this led directly to a number of good goals. In particular William Taouk, Josh Achermann and Josh Joya put in good performances. Keep it up boys, with only two games remaining it would be great to finish the season on a winning note.

Goal Scorer- David Semialjac 3

Encouragement Award- William Taouk

**Under 7** vs Lidcombe Churches 7 - 0

Wow what a great win! The boys just keep getting better. Today Rodney Keep gets the award for being the most improved player. Congratulations Rodney.

Goal scorers- Amarvir Singh 6, Adem Stevens 1

**Under 9** vs Penrith Churches 2 - 1

A lucky escape against a team that always gives us a close game. If it wasn't for Cem's individual brilliance with about a minute to go we would have drawn today. We did make the young girl in the opposition who scored their goal happy though! Sam also had a good day in the backs and Mat made the saves when he had to. Next week is a very important game as we play Yaralla and the winner will qualify for the President's Cup.

Goal scorers- Ahmed Abdul-Hamid 1, Cem Tekirdag 1

**Under 9 Knockout Final** vs OLQP Falcons 2 - 3

The guys knew they had to play better than they did this morning if we were to have a chance and they certainly did. In the first half our boys came out firing and with Steven's great play from the back and Cem's skills up front we looked good and led 1-0 at halftime. A minute into the second half we scored again with a beautiful finish from Ahmed. At this point we switched off for ten minutes, forgetting to move up to get offsides and not attacking the ball and the opposition scored twice. They were coming home strongly and one of their players particularly looked very dangerous. Into extra time we made one excellent opportunity before the ball got to our end and in a blink it was in. What a magnificent effort though, making the final, playing so strongly and going down in an honourable way as good sports. We certainly taught the opposition some lessons in this department, which they'll certainly need to remember come President's Cup time!!!

A special thankyou to all our supporters today, great club spirit!!

Goal scorers- Cem Tekirdag and Ahmed Abdul Hamid

**Under 10** vs St Bernadettes 2 - 3

A disappointing result that really should have been 3-2 in our favour. We had some lost opportunities in the second half that could easily have been goals. Overall the team played very well, putting in a strong effort, to cover for the fact that we were one player short. Some questionable refereeing decisions proved costly to us. Player awards this week went to Yehia, Cihan and Romy for a lot of hard work. Well done boys.

Goal scorer- Yehia Ammoun 2

**Under 12** vs OLQP Falcons 1 - 0

After a good training session on Wednesday it was great to see the boys putting their soccer skills into practice today. All the boys played really well, it was a fantastic game. We played a team game again, see we can do it! Bilal played a great game even though he had a sore toe. Michael had one of his best games, John played a good defensive game and was our 'player of the match'. Mohamed continued to break through and score a goal, he received our encouragement award. Keep this up and we can beat Wenty this week.

Goal scorer- Mohamed Ammoun
