IMPORTANT NOTICES

On Saturday 12/6/99 (Seniors Monday 14/6/99) is the NSWCFAs annual six – a – side competition. Guildford McCredie has entered teams in U6s, U8s, U9s, U11s and two senior teams. Every team will play at least two games and after that, for as long as you keep winning. Games are ten minutes each way, full field and of course only six players. One reserve per team is allowed but there is no interchange. The day is guaranteed to be a fun day and there will be plenty of McCredie teams to cheer for. The junior competition kicks off at 8.30am at Jamison Park, Penrith on the Saturday and the seniors at 9.00am at Everley Park on the Monday.

Senior players with referee certificates please consider coming out on the Saturday to help the organisers out with refereeing (lunch is provided). Parents of junior players think about coming down to Everley on the Monday to support our senior teams (come early – just in case!)

This day will be a great chance for us to build our club spirit whilst also getting to watch some of the most talented players in the association from other clubs.

RESULTS for 29/5/99

U/6 vs Penrith Churches 11 - 0

All players played especially well today. With two thankyou's to Ab and Raymond on their special playing today. Fun had by all.

Goals - Amarvir Singh 5, Adem Stevens 3, Ibrahim Darwish 2, Ab El Sleiman 1

U/8 vs St Lukes Concord 1 - 2

We started this game really well. All the boys tried hard to get the ball and when we got it kicked it to one of our players. We have been practising our passing for the last couple of weeks and the boys are showing that they are learning.

The first goal was ours with a good corner from Mat (who always kicks the ball straight to one of our players), and being kicked in by Cem. Good games from Denny (who plays his position really well), Joseph (with lots of good clearing kicks) and Patrick (good passing and determination). On a sad note for the team, today was Cem's last game as he has an operation on Monday. Cem has been one of our best players all year (in fact one of the best in the comp!!) and we wish him well for his operation.

Goal scorer – Cem Tekirdag

U/10 vs St Lukes Concord 2 - 2

Our best game so far! A great improvement by all players. David made some fantastic saves and Elias controlled the ball really well. Our "player of the match" was Bassam as he played his position well. Thanks to all our parents for their enthusiastic support each week and our cheer squad sounded great! We hope Bilal and Bassam have a safe and happy holiday, and learn some goodsoccer skills while they're away.

Goal scorers – Jasvin Singh, Elias Sallak

Raahauge Cup (Reserves) vs Blacktown Uniting 3 - 1

Before today Blacktown had lost only one game. They hadn't played McCredie yet though. From their reactions it appeared they didn't like losing much either. To be fair there were a few team changes today to ensure we had a good chance of this result. McCredie reserves are now third in the competition (out of twelve) and looking very good.

Goals – Nick Creer 1, Peter Chapman - Stone 1, own goal 1

Raahauge Cup (Firsts) vs Blacktown Uniting 13 - 1

Not what could be described as a close match, with a goal in the opening 15 seconds setting the tone for the afternoon. In the first half we created plenty of chances and most pleasing of all was that we finished virtually all of them. In the second half we continued to finish quite well but created far less chances for ourselves.

The game may have been boring to watch but it was certainly fun to play in today! I think we deserve an easy one every now and then. The firsts stand at fourth place at present with two tough matches to close out the first round.

Goals – Greg Wark 8, Peter Chapman – Stone 4, David Menger 1
