President's Report

In my opinion 2016 was another very successful season for our club with many of our junior and senior teams making it to the finals. Unfortunately of all the McCredie teams to make it to the semis and finals, the U10 Whites were the only premiership winning team. We also had successful teams in the NSW Churches Six-a-Side competition in June and the Kings Sevens competition in July.

The season culminated in late September with a number of our junior and senior players being selected to represent NSW City in the CFFA National Soccer Titles competition at Narrabeen.

It was again pleasing to see how well our teams were supported throughout the year. Thank you to all our coaches and managers who gave so much of their time throughout the season, your dedication and efforts are very much appreciated. Thankyou also, to all the parents, relatives and friends who regularly attended the games to watch and encourage our teams and a very big thankyou to those who regularly helped to set up and dismantle the fields each week.

Finally congratulations to all the players regardless of how your team finished this year, I hope you all enjoyed the 2016 season as much as I did and I hope to see you all again next year.

Peter Warwick
Club President

Secretary's Report

In Guildford McCredie Uniting Soccer Club's eighteenth season we were able to field eleven junior teams: one each in the Under 18, 16, 15, 14, 12, 11 and 10 age groups, two in the under 13 and 11 age groups ; three small sided teams: two under 8s and an under 9; four mini teams, an under 7s and three under 6s; three senior men's teams in the Premier League competition and Challenge Cup and an All Age Ladies team – a total of 22 teams. This is an additional team on our 2015 numbers and the second most number of teams that we have ever fielded.

Again we entered our older junior teams and Ladies into the competitions of the Granville & Districts Soccer Football Association whilst our mini, younger junior and senior mens' teams continued their affiliation with the New South Wales Churches Football Association. Due to the inability of NSWCFCA to have U13 or 14 competitions in 2016, we entered the most number of teams we have entered into GDSFA. Decisions on team placement were again taken in consultation with team management and the club executive and will be reviewed on an annual basis in light of the changing circumstances of both our club and the Associations concerned. We would like to thank both these Associations for their support and the competition they have provided. The decision by NSWCFCA to grade the U10 and 11 competitions was well received and allowed our U11 Black team, most of whom were U9/10 to play U10s providing a better competition for all.

Disappointingly in 2016 we were only able to field 3 senior men's teams, and whilst the Premier League squad had a great season, the Challenge Cup side was less successful. The strength of our Premier League depends on the 3rd (and 4th) teams we can field so it is important we rebuild this squad in 2017. Moving the side out of Challenge Cup and into the easier Sydney Cup will be better for all the players but requires another side, which hopefully some of our graduating junior players will be able to provide. More disappointing though was the collapse of our U16 Girls team. Prior to the season starting we had 10 players, but by the time the comp started this had dissolved to 4 players. In the end the new Saturday morning girls' competition didn't happen as other clubs found similar difficulties, and with us withdrawing, the whole plan was disbanded. This was a bitter blow for our club and the Association trying to do something new. Happily the 4 girls that remained all played in U14, 15 and 16 mixed teams for McCredie and had good seasons.

We had some very successful teams in 2016 with The U10 Whites winning the competition. The U10 White, 11 Red and Premier League sides finishing as minor premiers. Unfortunately only the U10s proceeded to their grand final. The U10 Black, U13 Black and All Age Ladies were all runners up and the 13 Blacks played in their grand final. For the first time in the club's history the PL squad won the State Cup, winning through 3 rounds and a final. The six a side returned to the old days with McCredie having a very successful day winning the A Grade, U18, U14, U13, U10 and U6 competitions. The U14s also managed to win the prestigious Kings Sevens Title in July.

With the movement of Falcons to the North Zone, the Zone representative matches for the younger players were much closer in 2016 than 2015. South Zone featuring McCredie players Dut Atak, Talitha Chung, Joseph Douehi, Omar Elbizri, Lachlan Lin, Samuel Shamoun, Adhar Yaac, Malachi Daniels, Joshua Depares, Ali Fahme, Joey Farah, Sajjad Karimi, Sebastian Kerr, Emanuel Koroma, Daniel Kvesic, Mustafa Elbizri, Ali Fatlawi, Samuel Kidane, Fraz Maqsoodi, Mohammed Matar, Khalif Reigal, Abuk Yaac, Matthew Youssef, Abdul Agha, Makuac Kuol, Christopher Germanos, Adam Depares, Fayez Kabout and Jye Salsinha won 3 of the 5 competitions.

In 2016 the National Titles for 14s, 16s, 18s, 16s Girls, 23s, AAL and AAM were hosted by NSWCFCA and McCredie was represented in the NSW City sides by Ryan Booker, Andrew Ibraheem, Mahmoud Jalloh, Abdul Jalloh, Joe Azzi & Nedim Fazlic (U14), Jakob Kaihea & Ahmed Ekdawy (16s), Warren Spencer-Scarr (18s), Sulafa Ageeb & Sharlene Muru-Tucker (16s Girls), Mohamed Rahimi & Darren Warren (U23s), William Wark & Amarvir Batth (AAM), Genell Hunt & Jenna Nowlan (AAL) and Greg Wark (coach U18s) & Dorothy Warwick (manager AAL). Congratulations to all. The 18s, 23s and AAM went on to be crowned National Champions and the following McCredie players were named in their respective All Star teams – Andrew Ibraheem, Sharlene Muru-Tucker and William Wark.

The club's executive was elected in November and I would like to thank all the committee, Peter, Dorothy, Carolynne, Phil, Ian, Hendrika, Jennifer and Wil for the support and work they did during a year, when a few tough challenges required significant skills and negotiation. Remember – no one is paid for their service to your club.

Under 6 Red Team Report

Undefeated through the whole competition rounds and only losing the final of the six a side – well done team!

Under 6 White Team Report

Six a side champions 2016 – great job team

Under 6 Black Team Report

Our team, the Under 6 blacks, had a mixture of players who had played before and some who were playing their first season, just like myself as coach and Zoe as manager. So it's safe to say it was all a learning curve for all. It was a great season with our little ones watching them improve week after week and as the season went on working out where our players were best positioned.

Ayden started the season off with 2 goals but showed skills of a goal keeper were he spent the second half of the season, pulling off some great saves.

Rushil was on his 2nd season scoring a few goals but was more suited as a defender we could rely upon when defending always giving chase or tackling attackers.

Gethyn was also into his second season who also came into the season on the score board. G is our little fella on the team often coming off second best but that didn't stop him and his big heart, he would always bounce back.

It was Yusuf's first season on the paddock but you would think he had played for years with his natural ability to score goals and great dribbling skills to make a burst and slot it in past the keeper.

Mobin is our smiling kid who would always run from end to end with his fast little legs and liked to remind me or the opposition we were winning.

Osman is another one who has great natural ability he didn't play every week but when he was there he was almost always guaranteed to score a goal or few or would share the ball to his team mates to score.

Ahmad is the youngest and wildest of our team always keeping us amused with his cheekiness, we lost Ahmad for most of the season due to him breaking his arm (not soccer related) but I think he was training at home cause on his return he was showing new skill and lightning speed

Bentley and Telissa-lee both on their first seasons had big rivalries more often with each other than the opposition which I think is a brotherly sisterly thing. Bentley is always keen to score which he did consistently throughout the season or try to display new tricks he hasn't quiet mastered yet.

Telissa-Lee (big bird) was always running laps of the field with her long legs she would often get tangled up with the ball but would always be amongst the action.

I would like to give mention to Brian (Ayden's dad) who refereed some games and was a big help. I would also like to thank the parents lending a hand to set up fields and bring oranges for our team. Also a big thank you to my wife the manager for washing the jerseys, filling in team sheets and her big vocal skills!

All in all we had an awesome season, see you all next year.

Under 7 Team Report

This season for Under 7 has been a season of great challenges and growth for the boys. The boys grew up during the season as they learn the meaning of teamwork, practising during training and having fun. The team is made up 10 amazing players; Sunday, Malik, George, Nour, Noah, Alex, Fred, Ali, Abbas and Charbel.

Sunday:

Sunday has grown throughout the season starting off a solitude man but then through training and coaches' advice he has become an amazing leader. He has realised that passing the ball and communicating with the team more often will lead the team to success.

Malik: Malik is an active player as he has demonstrated throughout the season. He has shown wonderful ball technique and positional play.

George: George has spread his wings through the season becoming an amazing defender. George was able to develop the new skills being taught demonstrating this on the field; dribbling, passing and marking the other team.

Nour: Nour is a great team player, he can cooperate and hard-working attitude that helped him grow and develop in every aspect of his soccer. Well done Nour!

Fred: Fred has transitioned throughout the season, as he can communicate well with the team and has developed his skill; ball skills, defending and ability to call out for the ball. The game where Fred scored his first goal was amazing, well done Fred.

Ali: Ali is an enthusiastic, energetic, and strong player, and had a great season. He improved all-around but especially with dribbling, attacking and shooting, teamwork and passing

Abbas: Abbas had a good season of growing and developing over-all as a player he is able to understand and play different positions, dribbling and keeping possession of the ball, and reading the play.

Charbel: Charbel had a wonderful season, passing and dribbling. Charbel has developed to play different positions and has also become a wonderful team leader.

Alex: Alex has grown and improved overall as a player. He often intercepted and defended well, and then dribbled and kicked our team back into the attack.

Thanks to our coaches – Sarah and Elise - for their time and patience and we hope to see everyone back next year as we head to a bigger field!

Lucy Calderon, Manager

Under 8 Red Team Report

Grand final runners up – great job!

Under 8 White Team Report

We started the year not knowing exactly what to expect with some kids returning from U7 and more than half the team playing soccer for the first time. After the first few games of the season and getting a sense of the competition, I think we as parents started to understand that it was going to be a tough year.

Our first game of the season was against Lidcombe who ended up being the benchmark team finishing top of the table for the season. In that game we lost 1-4 but the score was not a true representation of the game. It could have easily been 1-10. That was the difference in our teams. The next game we played the Kings and even with less players on the field, they pumped us 3-7. It started looking ominous when we followed up in our third game with another loss going down 3-4. But that was a close game and team knew they had to start playing together, working together as a team. Learning how to pass and space themselves out and most importantly having the right attitude for the game, the never say die and never give up attitude. Next game they demonstrated this attitude and teamwork on the field and turned up to play. They beat Wentys that week 4-0 and followed that up with an 8-0 win against the Hills. Belief started to grow and our kids started to play every game like they could win it and took it to the competition every week.

That turned out to be the story of our season, with our little young champs:

Abbas: Youngest in our team and improved so much as a player through the season. Enjoyed playing in defence and has the right attitude for it, not being afraid to run direct to players and taking the ball off them. Also played up front and made solid contributions through the year.

Ali: Has the heart in the game and made good progress this year and will continue to improve with practice. Can often get in the way with the other kids because he's keen to get involved and help out. Will grow with maturity and be better for it.

Ameera: When she was able to turn up she was a strong contributor in every position she was asked, even as goalie. Such a sweet girl but she never backed away from any challenge and always ran her little lungs out.

Badih: our little pocket rocket, started the season a little lost on the park, but turned that around and started showing everyone his terrier like attack and defence. Scored a few good goals and was able to develop really strongly.

Bol: Very softly spoken but once comfortable, comes out and is a joy to have on the team. He was very handy and useful to have in goals and would listen to any instruction given to him. I really enjoyed coaching Bol this year.

Daniel: New to the game and social elements of sporting but definitely tried his best. Unfortunately we didn't see Daniel from half way through the season. Wish him all the best.

Guildford McCredie Uniting Soccer Club – 2016 Annual Report

Dut: Our little star player. Never stops running and has a natural gift in attack. Needed to learn to work together as a team and that a single player can't win the game on their own. But definitely improved in that area and learnt to work with and trust the players around him. Scored some great goals this year and was truly a standout in the crowd.

Kayley: was KKs first year in soccer and wasn't shy to get involved and battle it out with the boys. She enjoyed playing in the back defensive line more and did a very good job at it.

Lochlan: Mr dancing feet. Loved doing his moves in training and would often run with the ball in the earlier games with what looked like dancing feet. Lochy improved his game throughout the season and developed good dribbling, passing and kicking skills. Also got himself into good positions and was able to score a few goals this year.

Mark: Marky was solid and one of my most reliable players throughout the season. Could play in any position, even goalie. Has a big boot can attack and score goals, but the season started turning around for us when Marky went into the defensive line. Stopping most attacks and getting the ball back up the field was one of Marks strengths.

Ryan: When Ryan was into it, he'd have a strong game, when he wasn't he would meander around on the park. But he was able to contribute well for the team earning a couple of goals this year and was a good team player.

Samuel: Sammy as I call him, is a tough kid and plays with passion. If someone pushes him around they better expect to be pushed back. That's Sammy! Has great potential and if he continues developing the same way he has this year, watch out competition.

Timmy: also a first timer and learnt the game and contributed well. Whenever I'd say something to the team Timmy would be one of the first to add something extra to the commentary. Very cute. I'm glad to see Timmy enjoying his soccer this year.

Once our kids grew in that belief that they could win, their game play just changed. Their energy levels lifted and they played very well. In close games when they did end up losing, the result could have easily gone the way other way. It was this effort and winning attitude through the back end of the season that lifted the team into finals contention. An achievement which didn't look likely at the start of the season but they played their little hearts out and deserved to be there and they played a sesantional semi! I wish every child the best for future and if they're turning up again next year I'm sure they'll pickup where they left off and will make any Coach proud to have them. Thanks kids for a fun and enjoyable 2016 soccer competition. Remember: TEAMWORK!

Under 9 Team Report

It was a challenge and a pleasure to work with the under 9s this year. The players have strong personalities and lots of potential.

Ali K is ever willing to run and run. He likes to be at the front, but does really in the middle. His quiet smile brightened up the trainings.

Ali E is an all rounder who has speed and skill. His big goal kicks ensured that the team played more in the opposition's half.

Benjamin's stamina and foot work improved this year. He kept and controlled the ball longer at each game.

Dylan's confidence, courage, and skill increased exponentially this season. He mixed in with the rest of them and wasn't afraid to tackle. His willingness to do and try things made training easier and more fun.

Fayez was a handful. When he listened and followed instructions, he became a valuable team player.

Hamza was very handy. He filled in the gaps and played whatever position was asked of him with commitment and determination.

Isaiah showed himself to be fast and nimble. He could run and pass with accuracy. Very handy midfielder was he just kept on running.

Lucy showed grit and determination all season. She was like a little terrier with the ball. Her smiles and sunny attitude always lifted our spirits up.

Malachi was the team work horse. He confidently fielded the ball to make a run for the goal. He was good at challenging the opposition and stealing the ball with a high success rate.

Moustafa showed lots of potential, but after a few weeks we never saw him again.

Rhiannyn showed finness and courage this season. She tackled with skill and could run fast with the ball.

Simon was our best goalie. He was fearless when it came to blocking and diving for those balls.

Thomas was a valuable defender. He challenged and pushed the balls away from our goal.

Yusuf's fitness and skill improved this season. He chased the balls and ran longer every game.

I would like to thank our passionate coach, Mika. She gave up her time and shared her skills with everyone. The drills were informative, honed the players skills, and were fun to do.

Lastly, Mika and I would like to thank the players' families for their cooperation, commitment, and friendship.

Under 10 White Team Report

The 2016 season for the Guildford under 10s Whites has been a very successful one. In my first year as coach with a large squad of 16 players, the boys won everything they could win this year.

Starting with the annual 6-a-side knockout tournament over the June long weekend. Our under 10s whites went through the round robin period undefeated before winning the grand final against Guildford Black. Next came the zone reps, where six of our boys Daniel Kvesic, Joshua Depares, Fouad Ayoub, Sajjad Karimi, Sebastian Kerr and Emmanuel Karoma represented the South Zone. Played over 2 legs the boys did their zone proud winning both games very convincingly 8-1 in the first game and 5-0 in the second, to win the zone 13-1 on aggregate.

These boys came back full of confidence after representing the South Zone and that helped us finish the regular season as minor premiers on 34 competition points. This put us in a great position going into the semi finals.

Our opponents in the semis were wenworthville. After a first half of missed opportunities, the boys went into the break leading only 1-0. But things went much better in the second half, the boys putting away their chances and our opposition, to win the semi final 6-0. This meant Guildford Whites were the first team through to the grand final and set up a clash against Hills Spirit, who deafeated Guildford Black 3-2 in extra time. Having beaten Hills Spirit 2 out of 3 games during the season, the boys were full of confidence going into the grand final.

After a two week delay due to wet weather, we finally got to play our grand final albeit at Freame park on Saturday 10th September. After a tight first half, the boys went into halftime leading 1-0 thanks to Fouad Ayoub's goal. Two quick goals in the second half by Daniel Kvesic made it 3-0 and thats the grand final ended, capping off a tremendous season.

I would like to take this opportunity to thank the parents for bringing the kids to training and on game days, your dedication helped our success. Thanks to the team manager Selma Germanos for doing an excellent job as manager. And last but not least, the entire under 10s team for a great season. You boys played extremely well and also had fun together. It was a pleasure to have coached you this year and I have no doubt that if this team sticks together for the next couple of seasons, there will be many more wins in the future.

Regards,

Your coach Danny Sorojevic

Under 11 Black Team Report

We started the season with only 11 players registered with a mix of under 11's and under 10's, some having never played before and myself never coached before. I was worried the first trial match was an indication of how the season was going to turn out but we quickly sorted out our positions and started the season with a win. Our first two matches showed what spirit and grit the team had, a 4-3 win with only 9 players against the always a pleasure to beat, Hills Spirit, and a 3-2 win with only 8 players against Wenty. During the season we had the welcome arrivals of more players, Jad, Ali Fahme, Zainab and Faraz.

Some highlights were the 8-0 win against Lidcombe with only 9 players where 6 different players scored, the 2-0 win against Hills Spirit at home to leap frog them into 2nd spot but our best performance came against our best opposition, a 4-0 win against our friendly rivals McCredie White, where everyone played to their best potential and fulfilled their roles perfectly. During the season our under 10's players had a great 6-a-side tournament finishing runner's up to McCredie White. By the end of the season we won the most games of any team in the division and deserved to finish 1st but through a technicality we came 2nd and had to play against Hills Spirit in the semi final. I truly believe that if it were not for us starting the semi final with only 9 players and the referee's interesting interpretation of the handball rule, giving away two penalties against us with one coming in golden goal extra time, we would have gone on to win the grand final. I am truly proud of the progress everyone made from that first trial match to the semi final exit.

Jean-Pierre played the role asked of him well early on as centre back, even scoring a nice goal against Lidcombe, but his heart was set on playing left wing and once he was there he showed what he can do with two big assists in the semi final.

Faraz being the youngest player at under 9 was playing against guys much bigger than him but I saw him getting stuck into challenges for the ball and always found a teammate with passes.

Omer played a big presence in defence and made some big tackles, big highlight was his goal line clearance against Hills Spirit in the first game.

Ali Fahme added a great attacking threat when he arrived, pulling off some dazzling runs and finishes highlighted by his hatrick game, and always played with in a friendly and happy spirit.

Ali Habibi played great as our right winger, attacking and dribbling down the line with some great tackles thrown in (coach's favourite part of the game) and was always polite and well behaved.

Guildford McCredie Uniting Soccer Club – 2016 Annual Report

Anthony was strong and smart on our left wing, going hard in to win tackles and some big crosses after lung-busting runs down the left side, and reliable as a leader in the team.

Sean is a great well rounded team player, attacking up the field and running straight back into defending. He showed great toughness after winning a penalty through a big hit and hard landing, he got straight back up and continued playing. He scored a great goal against Wenty having run from halfway onto a through ball by Ali H.

Jad has a great left foot for scoring and for great passing, able to dribble through or pass around the opposition and all the time with a smiling and joking. His late equaliser in the semi final was a great moment for everyone to remember.

Zainab was always listening and learning, she improved so much from her arrival to the end of season, learning to play the position of fullback and marking up attackers well.

Abdallah was clinical with his finishing when the opportunity arrived, always polite, respectful and brought that good attitude to matches and to training sessions.

Duan played with great strength and quickness, driving forward in attack then sprinting back to defend and recovering the ball well, always a threat to score. Showed good leadership when called upon to be captain.

Hussain took on a big role as goalkeeper and came up with some BIG saves during the season, sometimes without gloves. I say his big highlight was the penalty in the semi final, even though the spin on the ball took it in, he made a giant leap to save the initial shot.

Christelle best tackler in the team, always brave in throwing herself into tackles and getting that ball to safety, every time she was knocked down she was straight back up and after that ball, true grit.

Ali Fatlawi started the season with a hattrick against Hill Spirit and his game at centre back against Hills Spirit was a game changing performance, with great control and dribbling skills once he incorporates more passing into his game he will be a great player.

Achai always stepped up from the backline to make some big tackles and clearances when the opposition were coming at us that broke up the attacks, best moment was the tackle she made as last defender to stop the striker from going unopposed on our goal against Lidcombe, a fearless and perfect tackle.

Thanks to all the kids for making it easy to coach them. Thanks to the parents for the support set fields up, run the lines and washing the jerseys. I hope the kids had fun playing as I had fun coaching them.

Under 11 Red Team Report

Getting towards the end of the season, we had a huge confidence in what we were capable of. We could see it happening, last year Grand Final Winners are going to rock the field again. We were The Minor premiers, top of the ladder with no chance to be defeated. It might seem a bit exaggerated but that's how it was indeed.

I don't know if I can blame Mother Nature for the rainy days that held training off for few good weeks and cancelling games... but it did distract our tempo and enthusiasm. The Semi-final game didn't go the way we expected and our interpretation of this was "We had to want it more" it means the WIN. If we did we would have got it. As for the season in general it was an enormous amount of fun time laughter and unforgettable memories.

All the players have striven throughout the season to develop new skills and improve their existing skills under the tutelage of our coach, Bilal and assistant coach Adam. The players worked on their fitness too, which helped them to finish on top of their opponents often. Their fitness also gave the players confidence in their ability to use their newly learnt skills, acquired at training, during the game.

Victor Doueih: Played fullback defence. Solid in his position, great kicks and smart play. At every game Victor gives his best. He communicates well with his team mates to keep harmony in the way they play.

Baris Ozkartal: played left back. It was obvious the improvement Baris made with his fitness and his soccer skills. He would chase the ball till the end and make the opponent movement almost impossible.

Samuel Kidane: Played right back. As always, Samuel the silent player and the backup plan in the hardest situations. Samuel strong kicks always bring balance to the game. Samuel is constantly Attentive and focused.

Abuk Yaac: Played Centre, defensive Midfield. Great foot speed enabled her to chase down many opposition breaks & snuff them out. This same foot speed was also useful bringing the ball up field to a forward position in attack.

Yasmin Hasani: Yasmin was a new player with us this year. She played mainly as a centre defence. Her ball skills improved as the season progressed & was a vital cog in our defensive back-line.

Yacub Yacub: played mainly as centre. Yacoub also started new with us this year and I am sure he enjoyed

Guildford McCredie Uniting Soccer Club – 2016 Annual Report

every game. With time he will value and increase his speed and better control on the ball

John Jahaniyan: for a first time ever playing soccer Johnny did very well. He even scored few times. Unfortunately John missed many games and he didn't finish the season with us. Best of luck for him.

Armin Dupovac: He went from being unsure about his potential to getting into the action of the game and going into any position that was asked of him. His development in the game was evident and his commitment to training as well.

Makuac Kuol played forward. Makuac was our top scorer and managed to score a goal at every game he played. What a terrific effort. He receives the "Best Player Award". He always gave 100% when he played and was happy at any position but was top as striker and managed to win us some tight games with some great goals. Congratulations!

Mohammed Matar: played in midfield or forward. An effective goal scorer himself, his crosses from either side lines towards goal were a constant threat to our opponents, the resulting pressure created many goal scoring opportunities for him and others.

Fraz Maqsoodi: was an enthusiastic, energetic, and strong player, and had a great season. He improved all-round but especially with attacking and shooting, teamwork and passing. Some great highlights for Fraz, besides scoring goals, was a few hat-tricks, and a great cross leading to a goal! Fraz earned the "Coach Award" Congratulations!!!

Matthew Youssef: Played in goals. Matthew has massive kicks and can send the ball to the front effortlessly. He knows his position and the team so well. He's a strong player who contributed so much this season.

Khalif Reigal: played in goals or midfield. Khalif is new player who seems to love the game. He got along very well with his teammates and either played midfield or striker. He held his position very well and ran tirelessly all over the field with obvious improvement every week.

Mustafa Elbizri: played in midfield, but was able to help out in defence and also attack. Mustafa's foot speed allowed him to be everywhere on a pitch. Mustafa added some great effort for the team. He is a strong player who played his position very well.

Austin Spears: played goalie, fullback or midfield. His keeping this year was instinctive & fearless, much to our opponents regret. When not in goal the same qualities & effort in competing for the ball, gained possession for the team.

In general we had a striking season. And For those boys who I've known for a few years now; what a pleasure to see you maturing in your game, skills and into the young men you are becoming. Thank you to the parents & friends for your commitment to the team, especially through the cold winter months. See you all next season.

Under 12 Team Report

The under 12 side for 2016 was made up of 15 players, comprising of 10 new players to the club and 5 players from the previous years under 11 side comprising of the following players.

Abdul Agha, Adam Depares, Christopher Germanos, Fayez Kabout, Gregory Farah, Izabella Sultana, Jye Salsinha, Khan Roberts, Mehdi Daghaheleh, Mohammad Daghaheleh, Rashid Zreika, Rody Aboeid, Yunus Saymar, Yusuf Saymar, Paul Hawach

The team also engaged a new coach and new manager. With most things with the team being new, expectations were unknown. The season was a learning curve for all involved, the coach Shafick (Sam) Agha in his first time as a coach tried his best in providing a training night with various skill learning drills and trying to get the young players understanding how each of them has a role and a position to play as well as instilling into the team that a game of soccer is also to be enjoyable. The Manager endeavoured to keep the coach mentally sane but at times the manager found this hard to achieve as the manager struggled himself to keep sane with all the close games that were lost and with how the team would be hot to trot one week and cold as ice on another.

Although the results were rarely favourable to the team, it was a pleasure to watch many of the new players who had never played soccer before, learn and develop their soccer skills at training and during game time. Players like Yunus and Yusuf Saymar as well as Rashid Zreika are testament to this. It was also satisfying to watch some of the seasoned players like Abdul Agha and Adam Depares evolve as well and help the new players around them. All this being said, the team needs to succeed in being able to play as a team more often than it currently does. Being good individually does not unfortunately bring you results in this team and the wrong type of attitude that is sometimes shown by individuals is unwanted in this team or the club.

To the parents and grandparents of the players that continually showed up to training and to the games, a sincere thanks to you for all your support during the soccer season. For without your support, this season would not have been as enjoyable as it was.

Thank you to the committee and the club for allowing the coach and I to be part of this playing group. Also a big thanks to the secretary, Greg Wark for supporting the coach and I during a somewhat difficult period in the year.

Under 13 Black Team Report

Honestly I was nervous when I heard we were put into division 2 this year as last year's predominant striker had gone to another club this year, their coach had also left, we welcomed 4 boys who had never played competitive soccer before and we were transitioning to GDSFA however from the very first game of the season, that anxiety had well and truly disappeared. Out of 17 round games we won 13, drew 3 and lost 1, having the equal highest goals for (65) and the best defence in the competition only conceding 9 goals! As well as playing great football, the boys got along very well making it a great team environment and a joyous year from a coaching perspective. The players are as follows (by position):

Aakrist Nepal – A great kid always with a smile on his face. He started the season playing in the defence where he was fearless and made crucial tackles. Halfway through the season, he told me he kept at the park with his friends and we never looked back. He is great at stopping 1v1 and I've seen him save 4 penalties!

Krish Srestha – Krish was our keeper as the start of the season and was solid as ever catching and palming anything near him. Once we found out Aakrist could keep, it gave Krish an opportunity to play centre half and right half where his skills were silky and his passes accurate.

Ryan Booker – Captained the team this year and played the sweeper role. His ability to keep calm on the ball and set up an attack from the back was a great sight. His leadership in the back and solid tackles was also invaluable and saved us from opposition attacks on numerous occasions.

Peter Germanos – A returning player from the other U12s team and slipped in at left and right back. Huge throw ins, marking, listening and passing to his team were his strengths. Unfortunately he decided to go to Lebanon two weeks before the semis and he was dearly missed

Prashanna KC – The youngest member in our team and also one of our new players. He found a home at left and right back and tackled many players down the wings. A joy to have in the team and I don't remember Prashanna whining once throughout the season which is always a coach's dream

Thyson Huynh – Thyson played in the centre midfield and centre back where his consistent tackling and ability to mark the opposition's best player out of the game was fantastic. His commitment and determination on the field was also admired by the rest of the team

Guildford McCredie Uniting Soccer Club – 2016 Annual Report

Geetansh Kaushal – Another player from the other U12s team and played the centre half position. His first time passing to his team created a nice, quick tempo for the strikers to attack and his corner taking ability was phenomenal.

Deng Aguok – The fastest player in the team and it definitely showed on the park. His ability to get to the ball first and disrupt the opposition's midfield was always great to see. His dribbling was great and no one will forget his left foot volley against Auburn – an absolute gem!

John-Luke El-Rahi – One of the core members of this team and found himself at right half. His speed down the flank and whipping the ball into the strikers were his strengths. The commitment to this team was clearly evident as he gave up a holiday to the snow so he could play the grand final – much appreciated from the boys.

Assad Mahfouz – Another one of our new recruits who played at left half. Assad was very good at beating his man and progressing further up the park looking for more attacking options. When he was switched on, he was great to watch and caused a lot of trouble to the opposition.

Elias Matta – Deceptively quick down the left with a huge left foot kick. Elias started at left half chipping in with a few goals before heading back to left back as we were short in defence. He played both positions well and loved playing with this team.

Mounir Hadid – Another core member of the team who consistently found the back of the net the whole way through the season with a total of 25 goals including a couple of 4 goal games which is unbelievable. He has a great football brain and reads the play very well which helped him to be in the right positions to score all those goals.

Abdulrahman Farhan – A new player to the team and competitive football who we signed up a week before the season started at Granville Park while he was walking around. What a signing! He scored 20 goals and assisted at least 10 more, he was a great player. His dribbling skills and shooting ability were too much for the opposition and they were left stunned as he waltzed his way past them and then scored or set up his team mates.

Ibrahim Koroma – Ibra signed up 4 games into the season as he was walking around at Granville Park and I was hesitant to sign as we had 14 players at the time. In his first ever game of football, he scored 2 goals by simply outclassing his opponents and never looked back. Scored 28 goals this year and at one stage had scored in 7 consecutive games. His speed was too much for opposition defenders and his finishing improved throughout the season. Not bad for his first year of football.

It was a great year and I hope the boys enjoyed it as much as I did. Thank you to Lina for managing the team and thank you to the parents for taking their kids to training and games. Hope to see you all ready to go next year when we take on division 1 together and hopefully have another go at a grand final!

Under 13 White team Report

The Under 13 White's season has come to an end. We have had a year of ups and downs, but we also had some fun along the way. The players tried their best and have improved their level of skill & fitness through out the season.

Great effort by each player, starting with:

Imran and William – The quiet achievers and lynch pins of our defence. Their ability to defuse an opponent's raid and get us get us out of trouble was consistent. They were also good in attack if the opportunity presented itself.

Sharfil, Utsav and Narges - It were great to see how much they improved and developed throughout the year, they always put 100% in each game.

Glen, Garang Yai, Angelo and Aslam - Their defence and midfield play improved each week and were always up for any challenge.

Garang Angui & Julian – Their crossing and attacking skills helped their teammates to score, as well as being goal scorers themselves. Capable corner & spot kick takers too.

Ruben – Our goal sneak. He was dogged in attack and defence; chasing every ball down. As our alternate goalie he was solid & reliable stopping many shots on goal.

Joel - Our main goalie, always kept his eye on the ball and instinctive in knowing when to come out or go back. Also did well in general play whether up forward or in defence.

Well done everyone!

Also, thank you to the players who helped as out whenever we needed them.

Lastly, thank you to the parents for the support and help through out the season.

Hope to see you all next year

Under 14 Team Report

The 14s are a team that have a core membership that have been together since U6s. These players have won many games and many competitions, but over recent years have struggled with player numbers. At the start of 2016 it looked like this would be the case again, with 8 players registered and no coach. We entered the team into division 3 and hoped for the best. At the final training a couple more players registered and we were able to take the field in the first few rounds with 10 or 11 players by borrowing from younger teams. In round 1 we won 14-0 and in round 2 we won 28-1! We were moved up to division 2 and won our first game 18-0. After three games we had a goal difference of +60.

Division 2 tested us though, and despite never getting to replay the first two games we finished in third place and would go on to win our semi 10-0 in probably the best game we played all year.

During the season we won the six a side and also The Kings Sevens, which was a magnificent achievement, and when the National Titles team was selected 5 of our players were included.

The goal keeping duties were rotated all year which certainly hurt us at times. The backs were led by Andrew Ibraheem at sweeper, one of the best players in the comp. Jeffrey Farah had an outstanding season at centre back and Andrew Elzain improved out of sight at right back. Sharlene Muru Tucker was solid at left back or left midfield. Abdul Jalloh was the find of the year at centre mid, the best player on the park in many games and not registering until round 4! Nedim was always solid by his side and adds great depth to our ability to defend from midfield. Out wide Qais was outstanding and Jayden, Arash & Nuno all played out wide with distinction, scoring regularly and “feeding” the forwards. Mahmoud, Joe and Atilla were the strike power. Mahmoud blew teams away with his tenaciousness, speed and finish and Joe was simply outstanding, the quickest guy in the team (and probably the comp). It was also very handy on a few occasions to be able to call on Jye to help out, smallest in stature, biggest in heart.

The elimination final ended up our last game. We played Pendle Hill who we hadn’t beaten but we had had close games with. We went ahead 1-0 in the first half, but they hit back early in the second. We scored almost straight away to go up 2-1. With just minutes remaining before full time they scored an equaliser taking us into extra time. It was still 2-2 at the end of extra time and we came off second best after penalties. The unluckiest way to lose – and they knew how lucky they were.

Thanks to all the parents for your support and Rosemary for her managerial skills. See you all next year.

Under 15 Team Report

Another soccer season has ended. What a year the team had. Just missing out on the semi final and with only 13 players all year. It was going to be hard. But the boys and girls did what they could week in and week out, making the coach very happy.

Our under 14s team from 2015 of Ahmed, Alex, Nicholas, Fred, Ryan, Bilal, William and Jakob. Were joined by Chloe, Tahlia, Dylan, Sajjad and Chris. As a coach it was very good to see the old players coming back and helping the new players to show them how we train and how we play. I know the boys that came back were hoping for the same results they got last year, but this year was always going to be a much harder year. We found this out in our first game of the year!

Jakob took on the role of captain and Ahmad also stepped up into leadership this year assisting training sessions to run more smoothly. Ryan, Ahmad and Jakob were the goal scorers this year with help from William and Chloe in the midfield. Fred and Chris led the back line with great voice and great tackles. Bilal and Alex helped them out very nicely. Nicholas was the player that I could put anywhere knowing he would do the job well. Tahlia was in goals and she pulled off some great saves and when she got her time on the field, she killed it.

A personal thank you to the parents, siblings, friends and cousins of the team who turned up every week. There was never a match where the team wasn't supported by a troupe of people. Rides to and from games were negotiated and delivered and text messages were responded to.

Every player did well and did what they were asked week in week out. Some of our opponents thought we would be easy with our girls but Chloe and Tahlia were no pushover and matched the boys in every facet of the game. That's what soccer is all about, letting everyone play together.

Great season everyone, see you all next year.

Under 16 Team Report

We started the year with 14 players and ended it with 14 but rarely did we have 14 for the majority of our games! This proved to be our weakness this year. When you have a full team you'll be competitive, but when you don't you won't! But despite that we had a great year with many new players improving greatly.

The improvement was particularly noticeable in those who showed up to every training and every game. Tolga, Declan, Adam and Aiden need to be mentioned not only for their consistency but for the fact that they are quite new to football, yet grew in ability due to their commitment and hard work. Jay's coaching also deserves a mention – he picked up a team of players of varying abilities and had them playing competitively within a couple of competition games. Division 2 was a very tough competition and yet we had several draws and close games and it was nice to end the season with a very competitive showing against the minor premiers.

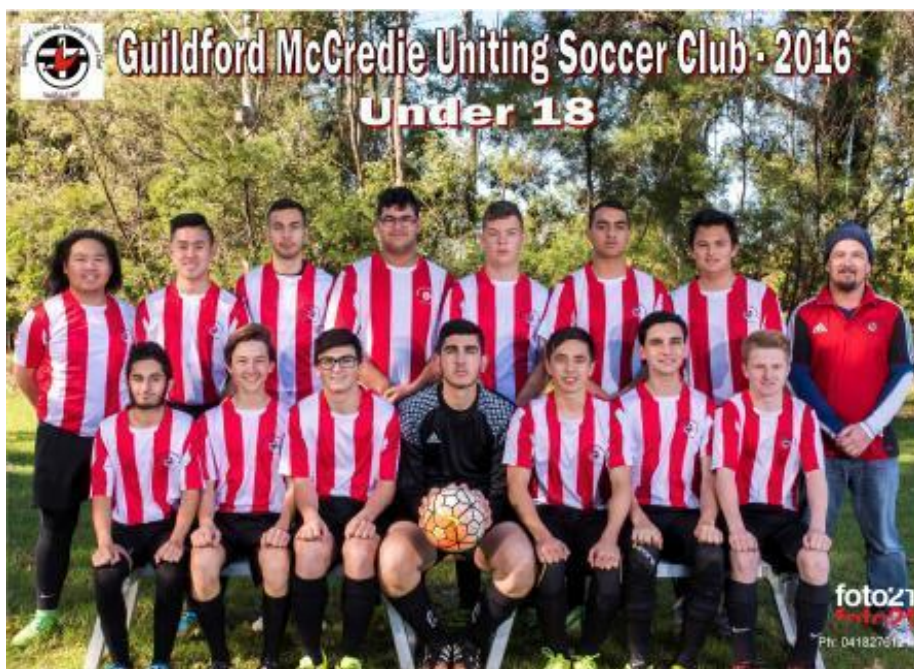

This year our defence was very busy: Matty R, Matty M, Joel, Tai, Declan, Adam and Aiden work hard, had great camaraderie and made life very tough for opposition strikers. Our mid-fielders were outstanding: Salem, Sulafa, Thomas, Tolga and Beshoye ran like Olympians.

And our strikers: Mustafa and Serge, had a great combination going. If this team can stick together next year and be more consistent then we'll keep improving and continue to enjoy our football.

Thanks for a great year.

To have 15 of 16 players return from the U17s to play U18s, and to pick up 2 more quality players, must mean that something good is happening within our team. That something good, is the attitude of the team. Through-out the year these players developed into a smart, patient team that was confident in each other and confident in the team's ability to win through in the end.

This year we were in the U18 division 1 competition and were ready to do our best. Based on 2015 standings, having come equal 5-6-7th in the U17 division 3 competition, we were ranked 8th of the 8 teams in the 2016 competition. Our aim for the year was not to embarrass ourselves, to be competitive, and to aim for 4th position at the end of the regular competition.

It didn't start very well as we conceded 14 goals in our first game. After 3 games, we had conceded 24 goals and only scored 1. It looked like it was going to be a very long season indeed.

As a great testament to the U18s, and in what became their trademark in the competition, their toughness showed through; they re-grouped, re-focussed and approached each game with a belief in themselves as a team. After only winning 2 games in the first 9 rounds, we were able to turn this around and win 6 of our last 8 games. We conceded only 15 goals in our last 8 games, while scoring 23. Through this process, we became the bogey team for leading teams to play, the dark horse in the competition. The top 5 teams did not want to play us, we would never give in, and we knew we could win against anyone in the competition.

A few times we faltered, and got carried away with things outside our control, however for the most part, this team show the maturity and mental strength to beat any team in the completion. This attitude saw us grab 4th position on the table and a semi-final berth. It was a shame that we had a referee that was not up to the same standard for our semi-final, and I can honestly say, cost us the opportunity to progress to the final.

To everyone in the team, I thank-you for your efforts this year. As a team, we have had our challenges, but we have come though as stronger individuals, and as a stronger team. It was not the easiest of years, however I am proud of the way each person has matured during the year, both as an individual an as a player.

To Will Booker. I thank-you for your efforts as team captain. I would have been lost without your assistance and advice through-out the year. Thank-you.

To the Player-of-the-Year, I thank you for your efforts, without you, we would not have been half the team we were. I always asked for more from you, but what you gave, was more than I had a right to ask for. Thank-you.

To the player who received the Coach's Award, congratulations! I treat this award as equal to the Player-of-the-Year. You rose from a fringe player, to an integral part of the team, both in defence and attack, earning both the teams respect and my appreciation. Thank-you.

To the team. I am proud of you all, I was delighted in the way that you played, and I was honoured to be the coach of such a dedicated, professional bunch of guys. There was no way that the U18s team at the beginning of the year would have made it to, and played so well, in a semi-final. But you did, and you were inspirational to watch, giving your all, trusting in one-another, and playing a great team game.

I'll finish the same way I finished last year. I've said it before, and I will say it again. This is a great bunch of guys. I love the way you approached your soccer, I love the way you played the game, and I loved the way you supported each other as a team. You have taken me on a great journey over the last few years and I have learnt many things from each one of you. It has been a pleasure to have been your coach.

Senior Men – Challenge Cup

The Challenge Cup squad this season played in the NSW CFA All Age competition. This is the first time for many years that a single team all age competition has been run. Our squad found themselves in what was to be a very strong competition with a couple of ex premier league teams (albeit older than when they played premier league) and some skilful over 35 teams. In the end the side won against the eventual premiers in one of the round games which showed that we could do it, but too often we were understrength or underenthused.

But for the last weekend's rain (when we had the bye) we would have finished 6th but overall we required more commitment if we were to make the most of the talent we had.

Next season it is intended that we will build another side so that we can move back into the Sydney Cup competition (with firsts and reserves) which will allow us to be much more competitive.

Senior Men – Premier League

The Premier League squad deserves major acknowledgement for a truly impressive season. Prior to the start of the season we were concerned about how many of last year's players would return as we struggled with the jump from Raahauge Cup 1 (division 1) to Premier League (the highest competition in our Association). Fortunately, the boys were all keen and were up for the challenge to make it back into PL.

Due to issues with some other squads within the Association we were offered the opportunity to remain in PL instead of being relegated as we had finished last in 1st grade in the 2015 season. We believed that as the majority of the boys had returned and as we now had a better understanding of PL we would be up for the challenge.

As the old saying goes the difference between success and failure is patience and persistence. This can easily be used to explain our success this season – we were patient and persistent.

Patience: - We went into the season knowing how tough it was going to be and understood that main challenge was to put in a consistent performance each match for the full ninety minutes. Things were not always going to go our way but we must have faith in ourselves and the team that if we played true to our system that we would get the result. Last season the amount of matches we lost in the last 20 minutes was the hardest lesson to learn.

Persistence: - We kept the majority of our first grade team from last year as they have the quality for PL 1st grade. Even the players that were unable to return this year were mainly due to work commitments and we hope to strengthen the squad with their return next season. What we learnt from last season was that we need to be true to our team and its structure for the full 90 minute minutes, to persist even while we are frustrated and to pull together as a team to get the result we had worked for. Last season, we were undisciplined in the last 20 minutes of games and tried to win games through individual efforts which resulted in the team losing shape and shortly thereafter the game.

We won the State Cup Knockout for the first time, the A Grade six a side and we even managed to qualify our reserve grade for the competition semi-finals. Unfortunately, the semi-finals didn't go as planned for either grade but that does not diminish the enormity of what we accomplished this season.

1st grade went from last in 2015 to Minor Premiers which is a massive turnaround. Minor Premiers are a season's most consistent side. We struggled with numbers in the second half of the season but as we had established such a big lead early this did not harm our efforts.

A lot of credit has gone to 1st grade and their achievement. But this could not have been achieved without everyone in the squad playing their part. A large part of 1st grade's success is also down to reserve grade. Reserve grade were always competitive and deserved their qualification for the semi-finals. Reserve graders assisted in multiple ways to ensure our 1st grade were a success. Multiple players from reserves stayed around to play some part in the first grade matches and without these extra bodies we wouldn't have achieved the success we did.

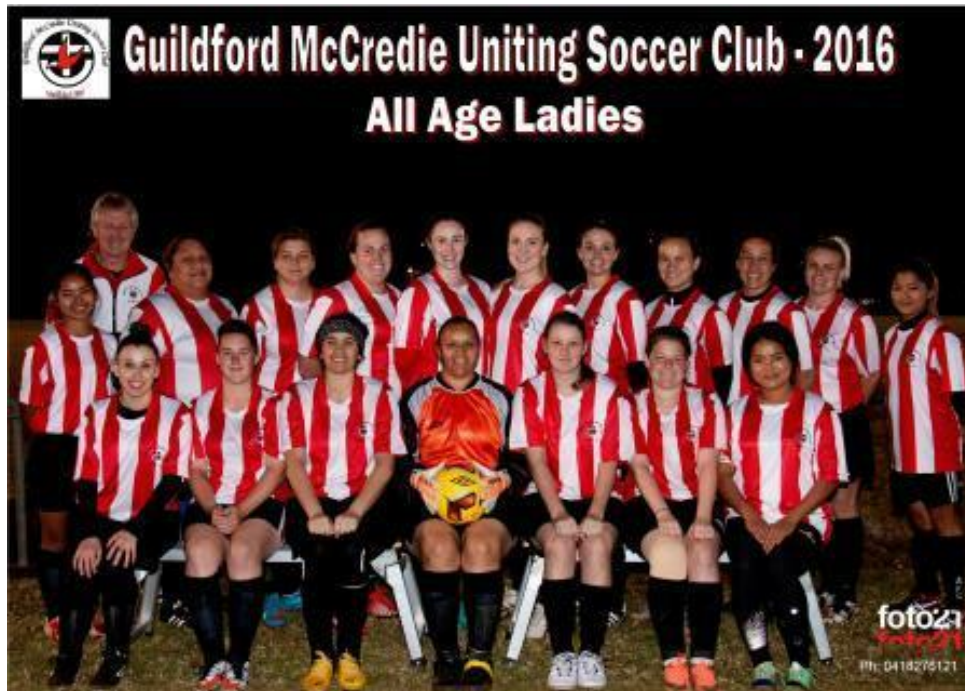

We are, and play as, a squad. No matter what match anyone plays in we are there to support and encourage our team mates. Arriving early or staying back to be a sub, running line, putting up or taking down nets, etc. All of these are the various small ways that we show our commitment to the squad and our teammates. This commitment is what helps us build to be better players.

Enjoy the off-season as we now need to build on our consistency throughout the full season so we get the grand finals we deserve next year.

All Age Ladies Team Report

This season was a really enjoyable one for the players and coach alike. The team got on very well with no personality issues at all, we won almost all our games, but almost all of these were close.

At the start of the season I was nervous as we have come so far over the last 5 years, but we were promoted another division this year and lost some key players prior to the season as they moved away or got the worst injury of all in ladies soccer – pregnancy! Our midfield looked very vacant indeed. We did still have 7 of our 2012 originals though.

Enter our new recruits – Kate, Funda and Monique who all told the coach they were defenders. The coach told them they were midfielders – and he was right as they were outstanding all year. They joined Rana and Sarah A in the midfield, and we all welcomed back Chantelle to centre mid, where she made the difference in many games. Jenna was also new to the team and after starting strongly in the backs, was called to fill the hole created up front by injuries. Keely and Thuzar also joined mid season – our first juniors to proceed into All Age Ladies' soccer – and they got better and better – until they shone brightly in our final match.

Unfortunately, we had a couple of Ladies injured during the year – but not all on the park. The fact both Mika and Laura H were strikers really hurt our goal difference but Genell battled through the season up front and, with Jenna and the occasional midfield goal, we still managed to get more goals than our opposition in all but 3 comp games.

The fact we won so many games, but scored so few goals, was due to our extraordinary defence. Here we relied on the same girls we have relied on for years. Henny in goals (amazing), Sarah 'Cement' Irving sweeping and Elise, Kiwi, Mo, Laura B and Elise in front of them. These girls built The Great Wall of Guildford and going into the last comp game had given up just 6 goals in 17 games!

Unfortunately the elimination final saw Chantelle suspended, Sarah Irving away and Laura H, Jenna and Mika all injured and unable to participate. We still took Kellyville to penalties but on this occasion we were the unlucky ones, despite Henny saving the first two!

Thanks to Henny for managing the team so efficiently and all the team for being such fun each week. A really enjoyable season – bring on 2017!
