President's Report

The 2022 soccer season was the wettest season I can remember, our trial games were washed out, our home ground was closed due to wet weather for most of the season and unsurprisingly most of our semi final and grand final games were played in the rain.

We began the season playing our home games at Merrylands High School with the expectation that we would eventually get back to Everley but as the wet weather continued and the Council struggled to prepare the grounds we continued to play our home games at the High School. Our club was very fortunate to be allowed to use these playing fields and I believe we owe the High School's headmaster and deputy head a great vote of thanks for making their grounds available to us throughout the season, without their help we would not have been able to host most of our home games.

In June over the long weekend the Churches Football Association again held an extremely enjoyable six-a-side competition with many of our Guildford McCredie teams being successful in a number of the various age competitions.

Unfortunately the continuing wet weather prevented our teams from training for a large part of the season and I would especially like to thank our coaches and managers for all their amazing efforts to get their teams onto the park each weekend.

Despite all this season's disruptions the majority of our teams still made it to semi finals and grand finals with our Premier League, All Age Ladies, U14 Girls and U12 Onyx teams becoming 2022 Champions. Thank you to all the parents, relatives and friends for your continued support of our teams throughout the season and to our Committee members for your ongoing commitment to our club. Considering the difficulties of this and the last two seasons I am confident that next year will be a whole lot better and I hope that you all have an enjoyable and safe summer holiday season and expect to see you all again in 2023.

Peter Warwick
Club President

Secretary's Report

In Guildford McCredie Uniting Soccer Club's twenty-fourth season we were able to field ten junior teams: four Under 12s; two in the Under 11 age groups and one each in Under 13, 14, 14 Girls, 15 and 16 age groups; ten small sided teams: two under 8s, 9s and 10s and an U9 Girls & an 11 Girls and two AAL on Wednesday nights (one of which was our U16 Girls); four mini teams, two under 6s and two under 7s; four senior men's teams in the Raahauge Cup & Raahauge Cup Reserves and Premier League & Premier Reserve competitions: a total of 28 teams. This does include one U12s team being a combination of players from all our U12 teams, playing an additional game each weekend. The fact that we have been able to retain our strong team numbers after two very disrupted Covid affected seasons is a testament to the work of our volunteers.

In 2020 the season started late due to Covid, in 2021 it finished early due to Covid, this season it was rain that forced a very late start and then mid season disruption. In the last 3 years we have organised 6 days of trial matches and have only been able to play once (in 2021), which is just an illustration of how difficult these disruptions are for the club management. The fact that we were not able to train until after the season started and then only 7 times in total meant that we were robbed of being able to build our player numbers (as always occurs when we start appearing at Granville Park) and were not easily able to build team cohesion with the players we had. Tough times.

McCredie managed plenty of on field success this year though between the downpours.

With the return of six a side a number of teams had the opportunity to get mid season rewards. Our PL men won the Reuben Henry Shield for the first time since 2018; and the Ladies held the Geoff Baker Shield again (every year since 2018 – with the 16s Girls being runners up); the U16s won the Roy James Shield; the 12 Girls won the Paul Sydenham Shield (a trophy we have held since its inception in 2018); the U9 Girls won their competition for the second year running; the U8s won the Keith Clissold Shield and the U9s and 6s were runners up. As a club we won the Bill & Meryn Palmer Shield (Champion Club) for the 5th year running and 9th time overall. A great day.

In the State Cup our Premier League men finished runners up behind Kings Old Boys.

In weekend competition we won three premierships – U12 Onyx won the CFA U12s, our U14 Girls won the Phoenix League Division 2 (and being the best placed GDSFA club qualified for Champions of Champions in the process), the All Age Ladies won the CFA mid week competition and our Premier League crowned a stellar year with our club's first Premier League trophy. Our U8 Red, U9 White, U9 Girls, U11 White, U13 and U16 teams were all runners up.

The club's executive was elected in November, and I would like to thank all the committee, Peter W, Tahlia, Carolynne, Ian, Hendrika, Sarah, Elise, Mabel, Alex and Wil for the support and work they did during the year. Remember – no one is paid for their service to your club. With Peter stepping down from the canteen manager position at the end of 2021, we were looking for extra helpers. The rain meant that with only two weeks at Everley (and Peter still helping when he could) club volunteers stepped up to run the canteen when we could. Unfortunately, this was seldom due to the closure of Everley for all but 2 weeks. We will need to find either a replacement Canteen manager for 2023 or increase the number and availability of casual helpers to allow our canteen to operate. I would like to make special mention and give thanks again to Peter for the assistance he gave regularly and Ian who ensures all the fields at both Everley and Merrylands High School are always well marked, sometimes at very short notice. Thank you all.

The rain in 2022 was (and still is!) something else. We trained at Granville Park on a total of 7 occasions (but even then not both Monday and Wednesday) due to ground closures and played home games at Everley just twice. It became apparent that Everley would be closed for some time so we hired Merrylands High School grounds. We are so fortunate to have been able to access such lovely facilities at short notice and they allowed us to play home games. Without these fields I am not sure whether we would have played as many games as we did.

In 2023 with the expansion of CFA it is planned to continue our U13 development program with a Div 1 team in GDSFA and add an U12 development program also. Participation in this program provides an added level of commitment (ie two games each Saturday) and only players and families able to make that commitment will be invited to participate.

For the first time in 3 years we will be holding our annual presentation this year. It will be a joyous occasion to bring the club together to celebrate our conquering of a difficult season.

Don't forget that the registration days are the first two Saturdays in February at Granville Park between 9am and 11am. All registrations must be accompanied by full fees. It has become a chronic problem that players are registering and paying part fees or providing a voucher, but not completing payment at registration. This means that those players need to be chased for fees, sometimes unsuccessfully. This will not occur again. In 2023 ALL fees will be paid up front or the registration will not be accepted. Remember if everybody brings a friend, we will double our team numbers, but we also need twice as many volunteers. Nobody is paid, so please think how you can support your children in their participation in sport.

See you all in 2023.

Greg Wark,
Secretary

Guildford McCredie Uniting Soccer Club
Income and Expenditure Statement for 2022 Season

Under 6 Red Team Report

For half of the players in the U6 Red team this year, the start of the 2022 season was their first time playing soccer. No one would have guessed that as the season progressed.

The team all blended in together quite well, and within a few games, we became a strong contestant to finish off games with strong wins.

Continuing from last year, Jessica Leke awed the crowd with her skilful ball play, landing a total of 30 goals for the season. Jessica has improved immensely. Can't wait to see her again in 2023.

Isa Biber also showed a great season, and improved in sharing the passing of the ball, landing him a total of 19 goals for the season. Isa will continue to improve and will be one to watch next year.

Wasim Dib showed his skill and speed with the ball, dribbling past other players and scoring a total of 19 goals for the season.

Felix Tuki took all our corner kicks with Zoe Yacoub for the season. By mid season, his kicks from the corner of the field to the goal area was greatly improving, helping to secure our high goal tally. Felix managed to secure 7 goals this year.

Zoe Yacoub has shown a vast improvement from last year, defending and attacking. She kept at the ball with dedication to get the ball in goal. Zoe secured 3 goals this year.

Kutayba Zod assumed the role of mid-field and played that role very well, knowing how to read the play. He managed to get the ball to the goals area and assisted greatly in all game play.

Mahmoud Tayar was a fantastic all-rounder in defence and attack who was always enthusiastic to get on the field and do his best. Considering he was new to the sport, he improved week on week.

Luqman Dib was shy and timid at the beginning of the season but started to grow in confidence as the season progressed and really began to enjoy playing with his teammates.

Paiman Alizada and Amir Ali Moneghegh were unfortunately away overseas for the majority of the season and only managed to play a few games. In those games, both Paiman and Amir showed enthusiasm and dedication.

Total Goals for 2022: 78 goals! - An outstanding effort!! From the Coach and Team Manager, a big THANK YOU to the parents and caregivers who supported the team each week by cheering them on from the sidelines. To the players, looking forward to seeing you again in 2023!

Under 6 White Team Report

The 2022 season marked the first opportunity for our players to engage in competitive soccer. The unfortunate weather meant that the team did not get to meet each other before our first game. The unprecedented rain also meant that we only had a handful of training sessions all season. Despite this, the players all learnt a lot about the game and their soccer skills improved throughout the season. We spent a few games finding our feet and learning to work as a team. We then gained new players mid-season. Having a full team and reserves saw us start to score goals and win games. We also bonded as a team at the six-a-side event in June. We ended the season on a winning game and I'm sure that's how we will remember our season.

Caroline-Marie - Caroline-Marie came out of her shell as the season progressed. Her ball skills and defensive play improved.

CJ - CJ was always making his teammates laugh and wasn't afraid to have a go, when the ball came his way.

Christian - Christian's focus improved when he found his feet (and hands) as one of our regular goal keepers.

Farhan - Farhan seemed to really enjoy soccer and was a very consistent player.

Mujtaba - Mujtaba only joined us for 2 games, due to illness, but was friendly and enjoyed playing as a team.

Noah - Noah showed confidence with the ball and used his fancy footwork to become our top goal scorer.

Reda - Reda was a welcome addition to our team, mid-season and was an all-rounder on the field.

Sajad - Sajad was our little pocket rocket. His speed and ability to attack the ball saw him score goals this season.

Tisha - Tisha, although sometimes stating she was tired, always found enough energy to do her part for the team and was great at taking direction.

William - William was always willing to have a go and was a valued member of our team.

Thank you to our coach, Rajan, for putting his hand up for the job and for all of his hard work this season. It's not easy to keep young players focused, as Rajan learnt. Thank you to the parents and supporters on the sidelines who turned up every week to passionately cheer on our team, some even providing a sugar boost with lollies and fruit. We hope to see you all again for the 2023 season!

Gemma (Team Manager)

Under 7 Red Team Report

Having a rocky start to the season with the grounds being closed due the weather, the kids missed out on a lot of training but that didn't stop this team from putting in 100% at each game. The children had a great time playing as a team and all got along great. All the players showed great determination and amazing skills. We are so proud of each them.

A special mention to Salim who impressed us every week with his great goal scoring skills.

A big thank you to all the children who were all enthusiastic and joyful, to the amazing parents for bringing their children and supporting the team and to our wonderful coach who was always on the field teaching our little ones to play ball.

Under 7 White Team Report

It was a tough year with all the rain but the boys came together in the end and we saw the beginnings of a strong and cohesive team with players staying in position and listening to instructions.

We started off the year with a loss, however we the rest of the season went well and we ended with 7 wins, 3 losses and 1 draw. In each of the wins, the boys scored at least 5 goals per match.

Our top scorer was Irfan who scored over 30 goals which included goals while helping out U7 Red. Irfan also scored an additional 12 goals in the knockout tournament bringing his total to over 40 goals. Coaches of opposition teams commented on Irfan's ability to score from distance and from angles so we have quite the striker in the making.

Neal proved to be the team workhorse. He played up front most matches with a few matches in goals early in the season. Strong tackling ability, a continuous improvements with dribbling and strong communication skills to direct teammates, we may have the beginning of a team captain in Neal. Neal ended the season with 7 goals and had a strong partnership with Jess Leke from U6 which saw multiple goals scored between the two of them in the closing weeks of the season.

Milan played a great season and has emerged as a wonderful defensive midfielder. Small in stature, but agile and fast with the ability to chase down opposition forwards on breakaways. Milan put a stop to many opposition goals. Also listens to instruction well which is always a big plus.

George has been a dynamic player who plays with great enthusiasm and courage. He is unafraid to get stuck into tackles and has also demonstrated a strong attacking game and always helped to pin opposition teams in their own half. George managed one goal during the season. Special thanks to George who helped out the U8s a few times too.

Thomas is also one of our dynamic players who plays the game with great speed and enthusiasm. He is hard to stop on a breakaway due to his speed and finished the season with 3 goals. We put Thomas in goals for the last 4 matches and he has proven to be highly competent and effective goalkeeper. He is unafraid of shots and knows when to charge out to clear the ball and prevent opposition forwards from getting too close.

Jacob has been a very versatile player and gets stuck into the game with great enthusiasm. He has no problem sprinting from one end of the field to the other and chases the ball wherever it is. This ability has served the team well with Jacob ending the season with 3 goals. A solid midfielder in the making.

Zayden is our defensive weapon. He size and stature ensures that opposition players don't hassle him and he proved to be a highly effective defender with a strong kick to clear the ball from our half. His presence was greatly appreciated by whoever was in goals as he kept opposition attacks away.

Karim was only with us a for a few matches unfortunately, however he did score a goal in a match.

Roman learned to play with the team and had some great moments especially during the knockout tournament.

Each player grew over the season and played well despite the lack of training due to the rain. The most noticeable areas of improvement were in passing, not tackling each other and staying in position.

Thank you to our coaches Koray and Diana who put in an amazing effort training the boys. The boys really missed your training sessions.

Thank you also to Karim who stepped up to help coach after Koray and Diana were unfortunately unable to finish the season with us.

Thank you to the parents who helped with the little things like jersey washing and for coming out to support the boys.

I look forward to seeing you all next year.

Under 8 Red Team Report

Despite last year's challenging COVID plagued season, it was pleasing to see our team made up of many kids returning to the club from last year.

As for the season. Simply put, when we had the full team come together, we were unstoppable! We lost 3 games all season and 1 forfeit, each of the games we lost, it was by 1 goal against the 3 top teams that made finals. And each of those games it was in large part due to fielding a team of between 6-8 players against committed opposition. The kids were great, when they turned up we played amazing football which dominated the opposition. Some games winning by big margins of 5-10 goals. Sadly this was a challenge all year as Parents found it challenging to bring all the kids consistently through the season which was a real shame for the kids and the club.

Despite the setbacks, the mighty U8 Reds managed to win the 6-a-side competition and get through to the finals which was only confirmed at the last game of the season, with us drawing 2-2 with Greystanes Black (U8 Champions) and OLQP Blues beating Greystanes White (who were equal 4th on the ladder heading into the final round) to put us into outright 4th.

Our semi-finals game against OLQP Whites was an EPIC encounter! Both teams played an AMAZING game, going post to post, with both teams having opportunities to score but both teams defended strongly and it was a very tight arm wrestle. At half time it was 0-0, then after another titanic struggle, full time still couldn't separate the teams. Extra time came and the kids were tired, but they were asked to lift, and lift they did. As soon as the whistle blew to start extra time, the managed to get the ball back in the middle of the park, with the ball falling to Aidan, he represented the fight from the whole team all year as he managed to weave through the opposition defenders and slot the ball past the keeper to send us into the Pre-lims against Greystanes Black.

While we were confident heading into the Preliminary Final, history will record a loss of 1-0 against us. I guess the losing team will always rue what could have been, but playing on a Tuesday night in pouring drenching rain was not the setting that we had expected to play a Finals game. But us parents couldn't be more proud of the way the team developed and came together throughout the season along with the friendships and comradereie the kids developed with each other. Onwards to next year.

Acknowledging each of the kids in the U8 Reds for the year:

Aidan - he is up front, he is midfield, he is defender and goal keeper, he is little Mr Everywhere and was our golden boot with the most goals all year.

Aaron - our fighter and most improved in attack and defence.

Abdul - contributed strongly across midfield and played with heart.

Animesh - our great goal keeper who put his body on the line for amazing saves and was such a lovely joy to have in the team.

Hussain - always gave his 100% effort in any position he was asked to play.

Josh - our formidable defender and attacker, with a great kick. If he has eyes on you, then you're in big trouble.

Laith - our brick wall who did not let a ball go past the back line and developed great ball dribbling skills to get past the opposition.

Maroun - our bulldozer who would take the ball and charge towards goals and it doesn't matter who is in the way, even his own team mates. :)

Romeo - has rocket launcher for a left boot, mostly seen in training with balls ending up in the faces of his team mates. :)

I hope all the kids and parents enjoyed the season.

Thank you to coach Mathew for his passion, and dedication to bringing out the best in every kid and giving everyone a fair go.

We will miss those who are not able to return next year but look forward to seeing as many of you again in 2023.

Nancy Lu (Manager)

Under 8 White Team Report

This season began with a wet start for the under 8's and with a few new players and lack of training time it took us a while to get into a rhythm and work well together. Congratulations to all the boys and parents! It's been a rough year but we stuck it out (and a lot of our players even played up regularly in the under 9's). Here's hoping for a smoother start to the year next season.

A BIG THANK YOU to our coach Claudio Cicchini who stepped in half way through the season and helped all the boys improve their skills and learn to play well as a team. The change in this team has been extraordinary!

Samuel Livingstone: Samuel is a highly talented at a technical level. He can kick pass and dribble, making him one of the most dynamic players on the team. I see him potentially, as an attacking midfielder. Area of improvement: Samuel needs to work on his discipline.

Thomas Tannous: Thomas is another dynamic player. Technically proficient with ball control and dribbling. Thomas, Shane, Samuel and, later on, Elijah would make a formidable unit in the midfield. Area for improvement: Thomas needs to work on his passes and long balls.

George Moussa: George is a strong and fierce defender. He isn't afraid to get into the thick of it which is an exceptional quality to have. He is a pleasure to train. Area for improvement: George would benefit from working on his speed.

Roshav Shretha: Has impressive technical skills and a big boot. He found his home as a central defender and improved the most out of all of the players which is why he is awarded player of the year. Areas of improvement: Roshav would progress well next year if he works on his speed.

Shane Shretha: Shane is another technically talented player. He is a strong tackler. Midfield or defending midfielder is his optimal position as he's good with the ball. Area for improvement: Shane needs to work on his long balls.

Charbel GeaGea: Charbel never quits. He always gives it his all even when the odds are stacked against us. Charbel wants to learn how to play the game which is a coaches dream. Area for improvement: Charbel needs to work on his speed.

Charbel Nassim: Charbel is technically gifted and athletic. He is eager to learn and tries to apply what he's learned at training in matches. Superstar potential. Congratulations Charbel on receiving the coaches award. Areas for improvement: Charbel would benefit from working on his fitness.

Charles Mansour: Charlie got off to a bit of a slow start because he would easily get distracted during training. Once he started to listen, however, it became apparent he was a valuable asset to the team. He's got loads of potential. With a bit more consistency, he can become a high quality player. Area for improvement: Charlie needs to work on his mobility.

Elijah Semaan: Elijah is a highly skilled and dependable player. He can play any position. I see a creative flair in him and see his future in the midfield. Area for improvement: Elijah needs to work on his technical skills.

Hanna Sleiman: Hanna is the pocket rocket. He was born to be a striker. He dribbles very well, has decent ball control and has a solid kick, too.
Area for improvement: Hanna needs to work on passing and positioning.

Eden Cicchini: Eden has shown a lot of growth and development this year. He went from a timid player to someone who defended with confidence. His ball skills have improved he has shown great aptitude this year. Area for improvement: Eden needs to work more on his confidence and positioning.

Well done everyone!

Under 9 Red Team Report

Guildford McCredie Uniting Soccer Club 2022
Under 9 Red

It was a very slow and disruptive start to the season. Unfortunately due to the late start and washed out matches, we were not able to pick up more registrations, which would see us with only 7 players in a 9-a-side comp. Despite our disadvantages we still made it to the semi-finals, thanks to the hard work of players consistently showing up and the help of the U8s. To our disappointment our opposition were just too strong and we faced a sad defeat in the semis. I'm very proud of how well the team did, hopefully next year we'll see a better turn out. It was a great season by our returning players: Zac, who had a stellar season in defence, a place he originally resisted playing in but grew to love greatly; Ukrist, who had a great season as our striker, running and scoring past many players; and Noah, with a good leadership of the team, consistently performed well as centre back. Our new players improved greatly over the season: Nolan, when he kept his feet, played amazingly in the centre mid; Isaiah was a dominant player across the field from the beginning; Elijah, who brought to the team some great ball skills and control; and Kehe, who despite at first having some mixed feelings about the role, turned out to be a natural born goal keeper (other coaches constantly commended his amazing reflexes and his ability to kick the ball over half the field from goal). I'm very proud of all of you and thank you for an awesome year!

Under 9 White Team Report

Guildford McCredie Uniting Soccer Club 2022 Under 9 White

What a way to finish the soccer season!

After lots of rain and lots of cancellations during the season, the team was able to get into a rhythm and get momentum. The team had a good run only losing only two matches during the season and a very sad loss in the finals

Team performance

- **Azlaan**- He started playing in the midfield during the season however after the six-aside comp he started playing as the goalkeeper for the team. He was very instrumental during the critical matches ensuring he kept a clean sheet making the team go all the way to the finals
- **Caleb**- His first season with the team. He played in the back and midfield during the season. Being his first competitive season, he played well
- **Isaac**-have seen Isaac grow from strength, he has played for the team for the past three years and his resilience and discipline keeps the team in shape and his strong kick and defense skill have grown over time
- **Jabari**- JJ as he is normally called was moved into the midfield by the coach to give him a chance to hold the attack in the middle and at the same time help the strikers at the front.
- **Jayden**- Jayden has improved his ball skills and at the same time has been willing to move around different positions in the team as requested by the coach. He was a critical part of the defense team showing resilience and speed at the same time
- **Kai**- Hi first time on the team and his first time in a competitive comp. Kai was magnificent in the left wing and his ability to use both feet was amazing to watch him play. Can't wait to see what is in store next season
- **Kien**-A big improvement from the previous season. He worked well with Jayden at the back ensuring they worked as a unit hence making the goalkeeper's easier
- **Pablo**- He has been with the team since the under six and being the youngest in the team he is always been the one that keeps the team together taking into the goalkeeping when no one wants to

- **Marco**-Marco is the one that made the team make it to the finals with a fantastic goal save during the semi-final. It is a moment in the season that would be classified as the save of the season, having played in the midfield the whole season and saying they wanted to be a goalkeeper in the semi-finals was a gamble that paid back really well
- **Sahel**- Sahil was awesome over the season showing a big improvement and was missed by the team when he had to take some time off to go overseas
- **Taha**-Taha was moved into the right wing which he owned and he listened to the advice of the coach which paid off in the off long run.

Season Highlight

The team was able to finish second in the table and hence we had to play the number one team in the preliminary finals. The game was one of the most entertaining games for the season having played the team previously that finished in a draw of 2 goals all. The preliminary final goals at the end of the match were nil and there was extra time play which ended in a draw and the teams had to take penalties. Being the first time, the boys had to take penalties the boys were nervous and we did lose on the penalty shoot which meant we had to play another match to get a chance to play in the finals.

The match was played on a rainy Tue and it was pouring but the match had to go on. In the first half, we missed a few opportunities and during half-time, the coach changed the strategy. The match had a minute to go when Isaac changed with Jabari and he took the goal kick that went all the way past the halfway line. The ball was passed again to the front by Jayden and lady luck was on our side as the water paddle stopped the ball, Jabari was close to it and a kick into the goal guaranteed a chance in the finals.

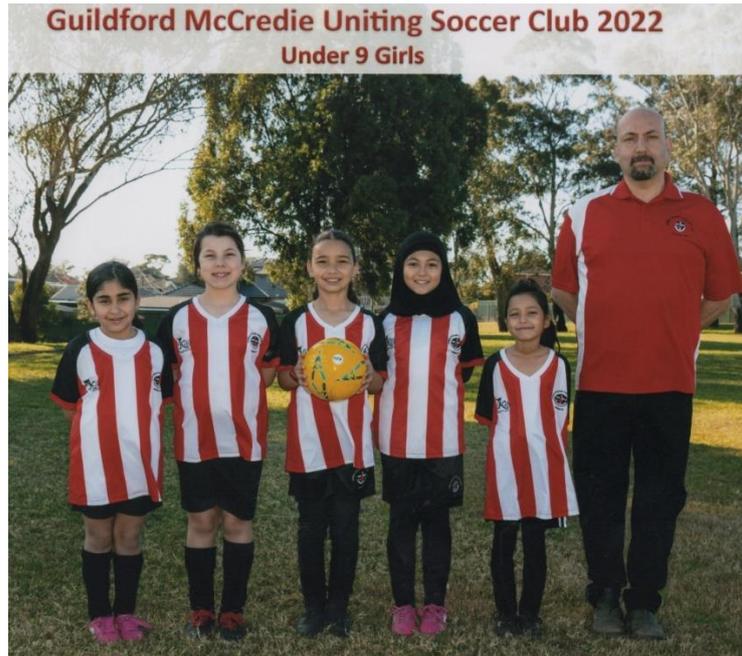

During the finals, the boys were able to hold in during the first half, and though worried and nervous after the preliminary finals results they tried their best however the other team was able to score two goals to win the competition.

I am extremely pleased with the way this team has performed and most importantly the way they carry themselves individually and as a group. They enjoy each other's company and are the true definition of team spirit. Having said that, I feel the parents of these boys are a leading example to them as they share the same team spirit amongst themselves. As a manager, I am truly blessed to lead such a group of kids every week to represent our club. For me, our team this season is what this sport is about- making friendships on and off the field for both the kids and their families. We are a true example of what Guildford club represents. Congratulations to all on a Stella season and for achieving the runners-up position thank you to Coach Tito!! for the time you have put in and has truly made this season enjoyable and very interactive and the parents too for making sure the boys are always on time during the training and match days

Under 9 Girls Team Report

This was a small but super-dynamic group of girls. We started out with seven but ended up with only five players for most of the season, but that didn't make the team any less motivated or determined to play well at every game. It did prove challenging a couple of times, and we did have to forfeit two games when we didn't have enough players, but aside from this, the girls showed up every time ready to play their little hearts out.

Every player we had, had a special talent that contributed to making this such a wonderful team. Nelofar is an absolute star and gave a lot to each game. She almost always scored a goal in games, and she scored many winning goals, especially for that super-exciting preliminary final match against Inter Parramatta, where she scored our winning golden point. Izzy is a great all-around talent and can defend, score and sprint with the best of them. It was often difficult choosing a role for her because we needed her everywhere! And she also scored at almost every game. Aarya is an incredible sprinter and often got to the ball before anybody else. When she built up her confidence, she became key in our defence, and when she builds up even more confidence with her kicking, she's going to be unbeatable. Hajira is our pocket rocket. She was the smallest player on the team but she had the most determined spirit and would sprint and fight for the ball, no matter what. I'll never forget the game where she scored 7 goals! It was out of this world. And Olivia is a fantastic goalie and really grew in confidence during the season. She often saved us from many goals by other teams, especially in the grand final – she really went for it and didn't let the other team score more than once.

When they were with us, Batoul was great and contributed to each game she played.

All in all, we had a very happy season when we did play – when the weather didn't prevent games – and we're looking forward to watching these wonderful players grow in the coming years.

Under 10 Red Team Report

This year was a challenging year for the Under 10 Red Team as we could not have as many Training and games due to wet grounds. We had new players come and go. Some players missed the games due to sickness. We made the best of what we got. Overall we are happy with the Under 10 Red Team's performance. Individually the boys are very strong and progressing as a team.

Ashok Hussain Hassani: The team's new kid on the block! A strong allrounder, he has the speed, skill and stamina throughout the game. Ashok is a very good Defender and Striker. He has the speed to take the ball by himself and shoot the goal. He is passionate and will go a long way in soccer.

Ayan Uzzaman: Ayan is a very good Midfielder. He is a very fast runner when he wants. Smart player and knows his position well. Very dedicated boy and he has improved a lot from last year. Ayan can improve a lot with opportunities.

Aakash Gurung: Aakash is a very good all rounder and Striker. He has scored some amazing goals for the team. He is also a good Defender when needed. Aakash is present in all the training and Matches that make the difference.

Jacob Nahas: Jacob has been a very important player this year. A very good Goalkeeper and a Right Wing. He has the whole package of skills, he could run fast, shoot the ball hard and score a goal. Smart player and be a great player in future.

Karim Chmayt: Karim joined the team a bit later but has the will to learn and grow playing soccer. Games he played he tried harder. A good Midfielder. With more training, he can improve a lot.

Muhammad Al Shanawa: New team member but so glad we have him in the Uner 10 Red Team. He plays really well and understands soccer as a team. He has the skills needed to control, possess the ball and the position he needs to be. He is a very good Goalkeeper and Forward.

Hussayn Issa: Hussayn plays a really good allrounder. He is a smart and fast player. A good communicator in the team. With his twin brother Issa, he does great. With better listening and practice he will do great in future.

Issa Issa: Issa is our main Goalkeeper and has saved a lot of shots from our opponent team. He is also a very good player other than Goalkeeping. But he does get bored when the team could not score any goals like the other team player.

Xolani Hart: Best Defender in the house! Xolani has improved a lot from last year in terms of ball control, kicks and fitness. He is very fast, strong and shoot the balls far away from our goal post. He has defended the unlimited ball that might have been a goal against the team.

Xavier Kurdi:Xavier is very smart and a very good communicator. He is a very dedicated player. Always present for the training and match games. Xavier has improved a lot in terms of ball contacts and speed.

Mohammad Ali: New player, good player.

Under 10 White Team Report

We were all looking forward to the kick off the new season after putting the past two years behind us but the rain had other ideas. Although games were washed out, each time we were on the field the team showed great strength and determination and loved playing every game. We are so proud of all the players.

The players for the **2022 U10 WHITE** team were Adam, Ali, Arad, Emily, Gabriella, Jeremias, Joachim-Cruz, John, Khaled, Michael, Owliya and Xavier.

It was great seeing back familiar faces and with our new teammates, the team created a strong unit on the field. They all had a great sense of the game and a focus on supporting their teammates.

Sadly, we did not make the finals this year but still had some great games. Our win/loss record for the season of 11 games was 3 wins, 5 losses and 3 draws.

Our goal scorers were Jeremias 12, Adam 3, Michael 1 and Joachim-Cruz 1.

Adam and **Khaled** joined our team this year. Both boys played strong on the wings or in defense. Adam showed great ball skills, making some great breaks in games and scoring goals. Khaled took the field willing to play and give his best.

Our wingers / defenders, **Arad**, **Xavier** and **Ali** have continued to grow in their skills, learning more about the game and positional play. They have a great attitude when taking the field and always give it their all.

Our strikers, **Jeremias** and **Joachim-Cruz** worked hard each game. They have learnt more about looking for opportunities not only in scoring but also assisting in goals. They worked great together up front.

Our midfielders / defenders, **John**, **Michael**, **Owliya** and **Gabriella** created a strong unit, learning to trust in each other and supporting as needed. They made it difficult for many teams trying to break our line.

Our goalkeeper, **Emily**, showed great poise and determination all season, working hard each game and helping us to secure the wins in close games.

Every player showed great focus at training and were able to take this onto the field. The fusion of the team continued to grow this season, and it was great to end the season on a happy note.

I would like to say a huge thank you to all the parents for their on-going support and sideline fun. I stand by the claim that the U10 White parents are the best cheer squad in the competition!

Finally, the largest thank you goes to our coach Peter Sultana. Each year, Peter has worked hard to build a strong and supportive team while sharing the life lessons of the game, building the kid's skills and teaching them the joy of the game. Thank you Peter, the continued dedication you show towards the team is greatly respected and appreciated.

Under 11 Red Team Report

Guildford McCredie Uniting Soccer Club 2022
Under 11 Red

If there was one word to describe this season it would be grateful! Grateful that we had our team return again and grateful that we actually completed the soccer season. The Under 11 Reds have achieved so much in a shortened season considering our limited training sessions and the challenges of working around the ongoing wet weather. We had a few new players this year, and as always, everyone welcomed them to the team with open arms and smiles. We were always impressed by the attendance rate at our training sessions and the enthusiasm the players brought with them each and every time. Their passion for soccer has not waned and they were always keen to learn. We finished the season 3rd on the table and we congratulate all the players for their amazing achievement by making it through to the semi-finals. Although we didn't hold the final trophy in the end, it is the memories created and the joy of playing the game that is most valued.

As with tradition, coach's words on each of our wonderful players this year:

It has been a very short season, but a very long 4 months. After last year's cancelled season, we were all eager to get back on the field. This year we had the wet weather to deal with, but even that couldn't dampen the spirit of our players.

It is about having fun after all, and with everything this season has thrown at us, we had plenty of laughs. Proud to coach this team. Thank you to all our players and parents for sticking it through a very difficult season.

Antonio: Always on time, eager to learn and participate. Puts in 110% effort every training session and at games, with that kind of attitude will continue to improve and become an even better player.

Christian: Returning for another year, an old veteran. Always smiling, win or lose. Consistent effort the whole year, wouldn't expect any less from an experienced player.

Kevin: Naturally talented young player who has so much more potential, if only the season was longer to prove it. Focused and dedicated to achieving the team's goal.

Logan: Talented all rounder, plays hard for the team and the coach. Being the coach's son isn't easy but he always puts up an impressive performance.

Lukacs: One of our top performers this year, talented and skilled and always wanting to take charge and lead the way. Passionate about soccer and his team.

Sebasjin: He's a keeper. Literally. Our star goalie has been in red hot form and in high demand, not just for our team but also plays on 2 other U12s teams.

Ameer: A can do attitude and always up for a challenge, striking abilities have improved immensely this year. More match time would have shown more of this.

Johnny: Our smallest player by size but not by heart. Always giving his best and chasing down usually much bigger opponents, no fear there.

Charles: Always eager to play. Trains hard, plays hard. There's no questioning his enthusiasm, always there for the team.

Jawad: A player who is always reliable and a key part of our defence. Has come out of his shell and shown what he can do with the ball when given the chance.

Waiora: A new face to the team, shown he has plenty of potential to be a great soccer player. With more training and experience he will shine.

Jayden: One of our key midfielders, really stepped up this year and has shown his attacking abilities. Fast and fit, plenty of endurance to keep running.

Omid: Another new face, didn't get as many opportunities to play this season. Has the skills, now just needs the knowledge and guidance.

Mabel: The invisible player of the team. Does everything and anything for the team and is often unseen, but always appreciated.

Thank you to all our players, players from other GMU teams who have assisted us throughout the season, their families, supporters, the club, its members and all our fellow volunteers, for making our jobs, as coach and manager, as enjoyable and memorable as it has been. We honestly appreciate you all and are part of the reason we willingly put our hands up to volunteer year after year. For the few faces who are leaving our club, as they are relocating, it has been an absolute pleasure to have you all a part of our soccer family and you will be sorely missed. We look forward to seeing everyone else return next season for another awesome year of soccer!

Under 11 White Team Report

Coming back after all the lock downs, coach Claude & I were excited to start our year with most of our players returning from the previous year plus one addition. This year proved to be a big roller coaster & the weather didn't help either. The team looked like they were just started in the sport as they were all rusty & some even forgot what they were taught previous years. But that didn't deter our team spirit or our determination. Our players (and parents) were determined & ensured they attended every training session we were able to hold when weather allowed. As the weeks progressed so did the team's skills and abilities. They worked extremely hard and were able to get through and ensure themselves a spot in the grand final. Unfortunately they didn't walk away with the win but we were proud of their superb effort this season.

This year our fabulous team included:

- **Julian Azar:** Julian this year showed a lot of dedication and raised his game to another level. He was able to show a remarkable improvement in his dribbling and shooting. He also added shielding and accurate passings to his list of skills. Julian was our top scorer this year. Things to work on for next season is scanning his surroundings.
- **Jonah Cicchini:** Jonah proved to all that he is a good, physical player. He gave it his best in every match. He really lifted his game in the tail-end of the season with some of the best passing we've ever seen and incredible defence skills. Things to work on for next season is scanning his surroundings and his long passes.
- **William Livingstone:** Will was able to provide some stellar goalkeeping this year, especially as the season wore on. He was eager to develop new skills and add it to his games. He continues to impress with every season. Things to work on for next season is his kicking and mobility.
- **Lucas Fisher:** Lucas provided a solid defence at right-back. He linked up superbly with his midfielder and winger. He is excellent at following instructions and works hard at training. Things to work on for next season is increase his confidence.
- **Jacob Leke:** Jacob Proved to be our superstar defender. A technically gifted player who worked extremely hard this season to instil some discipline into his game. The results were impressive: more through balls and switches of play that led to game-winning goals. Things to work on for next season is scanning his surroundings.

- **George Massoud:** George is our superstar in the making. His skills went up another level this season. He works very hard at training and gives it his all at every game. Like Jacob, George’s focus this year was on his discipline and learning to make smart plays. It was pleasing to see the progress he made this year. Things to work on for next season is scanning his surroundings.
- **Danyel Tanak:** Out of all the players on the team, no one works harder than Danyel. He is always eager to play, always eager to learn. Like Lucas, he provides a solid defence and reads the game well. Things to work on for next season is his speed and mobility.
- **Daniel Depares:** Daniel was phenomenal this season in the midfield. He is strong in defence, effective in attack and his passes on point. One of the most technically gifted players on the team. He impressed us with how much he matured as the season progressed. Things to work on for next season is scanning his surroundings.
- **Akshan Maskey:** Akshan was the creative centre of the team. He created more chances than any other player. There was a remarkable improvement in his defence, tackling and he proved to be less afraid to get physical. Another solid season. Things to work on for next season is scanning his surroundings and aggressiveness.
- **Aman Raju:** Aman has the potential to become a super player with a bit of hard work. He is gifted on a technical level. He got a couple of goals under his belt this year which was great to see. Things to work on for next season is his speed and killer instinct.
- **Youseff Ibrahim:** Youssef was off to a good start in his maiden year for the team. He found a home as a winger. He worked hard and always wanted to improve, which was evident as the season progressed. He started to impress coach with his dribbling towards the end of the season. Things to work on for next season is his kicking and positioning.
- **Mohammed Almalky:** Mohammed came in midway through the season so had limited game time, but he slotted in well with the team. There’s a lot of work to be done with Mohammed as he’s never played the game before until this season, but he’s off to good start. Things to work on are his speed and ball control.
- **Ahmed Almaleki:** There was a marked improvement in every facet of Ahmed’s game this year. His positioning got better with every game, understanding where he needed to be, with and without the ball, which is an essential skill to have. We expect good things from him next year. Things to work on for next season is his mobility and kicking.
- **Aadhinarayan Mulakkamparambath:** Aadhi came in very late into the season as he was overseas with family. He only played a handful of games. He is a smart player with very good passing ability. Hopefully, he’ll be able to take a bigger part in the team next year. Things to work on for next season is his speed and ball control.

Our biggest thank you to our U11 White families that are always supportive and are ready to help in getting the team members around when required. Without them our job wouldn’t be so easy. I hope you all have a great and safe break and we are looking forward to seeing everyone back in the following year to continue our legacy.

Under 11 Girls Team Report

We got a full season in after covid-19 shortened last season. this year non- stop rain threatened the season. It was hard to get started and get into form but we stuck to it. I had the pleasure of coaching a great bunch of girls this season. Seven 10 year olds girls made up the u11 girls team, from returning players to new players. together we made it work. together we made it to the finals. thats something to be very proud of. We also had several girls participate in the zone rep team.

In the backs we had emily in goals. the hardest position to play on the field. missed her when she wasnt there, loved her when she was. In defence was Gabriella and Ruby.

We tried some new tactics that didn't always pay off but something to work on for next year.

Holding the midfield was Layelle, Claire and Ella. Keeping us all on our toes and running ragged every game. Our lone striker, Kuei not always there due to other commitments but always a threat to the goal keepers and her ball skills are impressive.

Keep on kicking and see you all next season.

Under 12 Div 1 Team Report

2022 was a year that should be remembered for the outstanding football the boys played all year, but will probably unfortunately be remembered for the tough lessons in discipline we were forced to learn at the end of the season. There is no doubt in my mind that we were the best team in the competition, but some immature behaviour from all quarters cost us the best opportunity to succeed.

On a more positive note, the boys still managed to play an exceptional style of football, considering they have never trained altogether in a group. It shows how committed they are to each other and to playing good football that they are able to overcome those obstacles and still be very successful.

Defensively, the addition of Lual has added some much needed speed in a backline that has never been shy of tackling talent. Gethyn, Rushil, Brandon and Kelvin continue to improve their passing and now are able to deliver effective attacking passes up the field. The boys in the midfield are becoming more accomplished by the game, with the determination to hold on to the ball and win it back when lost, a real highlight of the way we play. Yusif and Nik are an incredibly potent attacking force when running at the opposition with speed and Aaron's ability to play with a cool head and poach goals by being always in the right position caused many defensive headaches.

But, while the style of play can win you many games, your attitude can lose you just as many. Hopefully the disappointment of losing a hard-fought semifinal we should never have had to play will demonstrate to everyone that maturity is indispensable in sport and in life. There is no talent barrier to this team achieving division one premierships in the future, and I hope that the lesson in discipline is now earned early enough to prevent it becoming a habit. It has been hugely enjoyable watching the development of the boys, particularly their marked improvement over my absence, and I hope they persevere with their exciting football for years to come.

Under 12 Red Team Report

2022 saw the whole team come back and play together. It was awesome to see the boys' enthusiasm to play. Unfortunately, the wet weather meant we couldn't train or play as much as we wanted to.

- Bilal's trapping and dribbling skills improved this season. He made some good runs up the left side and is covering more.
- Brandon has improved out of sight this year. His tackling in the middle and accurate longer passes makes him an asset to the team.
- Charbel B was consistent as a midfielder. He found space and provided support all the way to the front.
- Charbel D was always hungry for the ball. He chased, tackled and attacked tirelessly.
- Daniyal is a solid defender. He was more focused and tenacious this year.
- Elio has the speed to attack with the ball, but gives up too easily. He's a pretty good goalie too.
- Gethyn's main role as sweeper meant he was doing a lot chasing. He showed determination and perseverance at all games.
- Ghadir's passing and dribbling improved this year. His goal kicks are strong and long.
- Hashmatullah showed initiative and commitment this year. He did his own fitness training. His play was faster and he lasted the whole game.
- Luke defended well this year. His headers and kicks were solid.
- Nabil contributed enormously this year. He intercepted early and kicked the ball beyond the half way mark.
- Stefan did an awesome job as goalie this year. He wasn't afraid to dive or get in front of a kicking attacker. We need more players with his 'can-do' and willingness to work hard.
- Zanyar quickly learnt how to play midfielder. He works hard chasing and challenging. His skill and confidence improved during the year.

It was very rewarding to see the boys bond as a team. They've worked hard developing their soccer skills and on-field awareness. They challenged and won more games this year. Thank you parents for your continued support and friendship. Lastly, massive thank you to coach Glenn for training and mentoring the team. Your passion and enthusiasm for the game inspires the boys to try harder. We hope to see everyone back next year

Under 12 White Team Report

Congratulations on the u12s team on a fun and challenging season. They demonstrated team work and commitment every week as they played majority of their games with no subs. Thank you to the parents for not only bringing their kids but making the effort to ref, coach, manage and car pool when it was needed.

Yusif- yusif was an outstanding leader and player once again this year. His presence was always felt on the field and he was a goal scoring machine once again.

Danielle- danielle was a rock in the midfield not letting anyone get past her without a fight. She always knew how to control the game and put the opposition attackers off balance.

Micheal K- micheal had an amazing season this year improving heaps from last year. He was a lot more disciplined which allowed him to be a better player on the pitch, creating a deadly combination up top with yousif.

Khoder- khoder was a wall in goals who made it difficult for the other team to score. His shot stopping ability is unmatched and he always knew how to put a smile on our faces.

Ayan- ayan has got to be the most improved player this year. He became a necessity to this teams back line, making it near impossible for the opposition to get past himself and mustafa.

Mustafa- same with ayan, mustafa was a rock in the back, always putting in the work to stop the opposition.

Michael D- micheal was our right back and he always tried his best on and off the field. He gave us 100% everytime he stepped on the field and we couldn't have asked for anyone else to take that role.

Youssef- yousef was one of the most energetic kids i've ever met, which made him perfect for the midfield position. After a couple of weeks of teaching him how to stay in his position, he became a necessity, with his ability to constantly defend and attack.

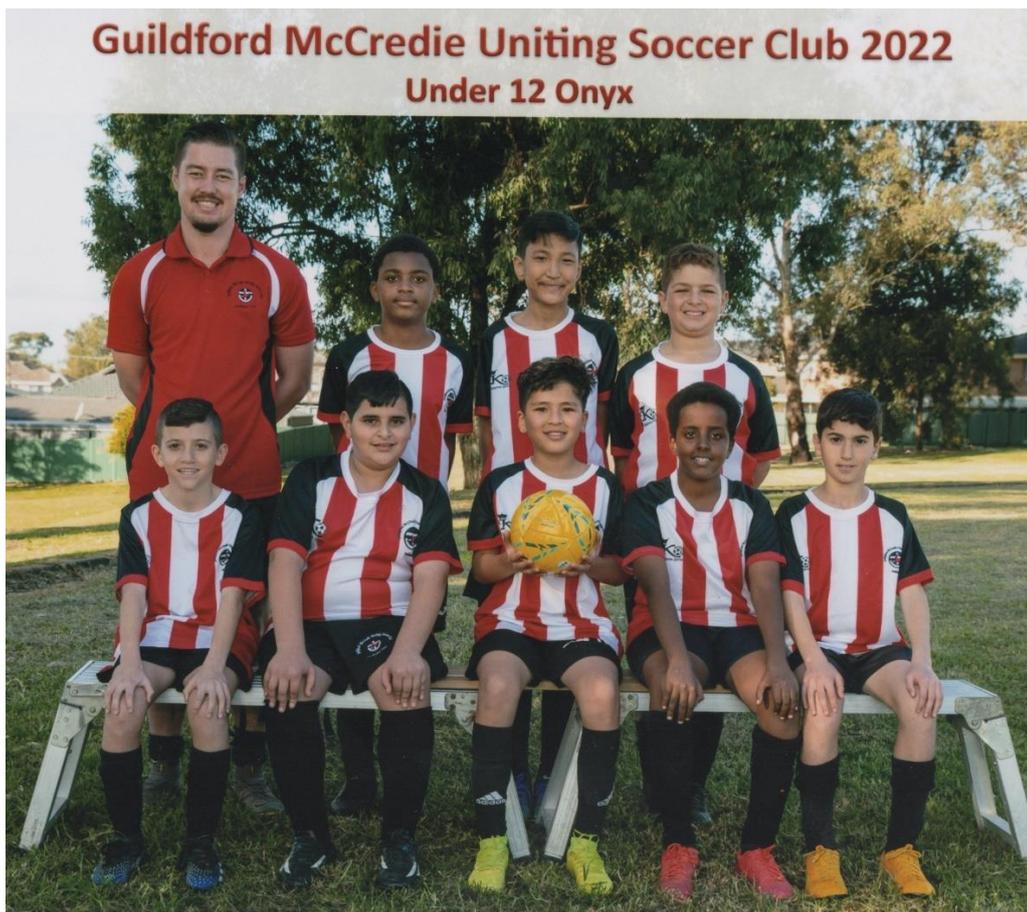

Jacob- jacob was one of our most technical players. He had the skills to best players and put in a perfect ball for our strikers, which is why he fit into the left mid position so perfectly.

Hossien, you can put him in any position and would give 100%. Where ever the ball was , he was there to defend and to pass to our striker and when the opportunity came, to score as well.

Karim- was a great defender and held his position every game. He always listened to what he needed to do.

Under 12 Onyx Team Report

Another hugely successful season in the books, capped off with a dominant grand final win! This season saw easily the biggest development in the skills that the boys showed on the field in the three years that Wil and I have been involved with the team. Most pleasing is the "pass first" attitude that has made the football played by the boys incredibly enjoyable to watch and extremely difficult to defend for the opposition.

I think the boys are now starting to become more comfortable with their positions and taking ownership of their individual roles for the good of the team. Farooz was once again outstanding in goals, and Mojjib was a more than handy replacement when Farooz was put on the field. Our backline is also the envy of the competition, with Kelvin, Rushil, John Paul, Mojjib and Lual forming an imposing barrier that was very stingy all year.

In midfield, we once again benefited from Jason's cool head in the middle combined with Mykal's great energy and tackling power. These two were often pivotal in allowing us to maintain possession for long periods and

frustrate our opposition. Out wide it was players like the two Hassans, Farooz, Daniel and Mustafa that attacked with speed and wreaked havoc delivering passes for the forwards.

Speaking of which, Nik and Aaron once again had very successful years and seemed to relish in the increased quality of passes the team is now delivering to the forwards. Not just playing kick-and-chase has also made other teams change how they defend against us and we can now score goals from various different plays.

Finally, a massive thank you to everyone who filled in for the team throughout the year, especially Julian and Seb who we always appreciate for helping us out in situations where numbers are tight.

Overall, this team should once again be incredibly proud of the way they played all year and there is no reason why they shouldn't continue to have success in the years to come.

Under 13 Division 4 Team Report

It was a bumpy start to the season with a lot of washed out games and cancelled trainings. We finally got the season started in Round 4 with our first match being a win against Greystanes; little did we know this team would go on to be Minor premiers and undefeated until we played them again in our Major Semi final. A first game win was a big confidence boost but further washed out games, weekly catch up games, as well as missing players due to holidays and sickness, and losing our coach mid season would see us lose and draw quiet a few matches that we should of had in the bag. All season we had a running trend: every game in which we scored first we won, every game in which we conceded first we went down or we drew. Our 3 finals matches would see us have substitutions for the first time all season, which was a major advantage. With a full team, our first semi final saw us beat Pendle Hill 9-0 a team that we lost against only the week before. Our Major Semi we went on to defeat Greystanes, who had dominated all season, in an amazing game. Unfortunately a wet and rainy grand final would see us go down to Lidcombe 2-1. I'm so very proud of the team and what they achieved this season despite our many challenges, each week there would be a change in positions and play style, as well as many games playing without subs and even playing short. There were always some small arguments and bickering but each week we still turned up and tried our hardest. We many not have taken out the trophy but to me the team are all winners. Hopefully next season will be a bit more dry and a little less chaotic and we will be able to dominate like I know we can.

Under 14 Division 4 Team Report

Guildford McCredie Uniting Soccer Club 2022
Under 14

Awesome job to the boys who contributed to this season. Unfortunately we couldn't play to the best of our ability due to lack of players and training. Overall the U14 boys showed a valiant effort every week playing with 9-10 players pulling away with a few wins. Top blokes

Under 14 Girls Division 2 Team Report

Wow! What a year. The crazy wet weather didn't help us much this year with training and game days. A lot of re-match games to be played during the week and sometimes even back to back games, but our Under 14 girls did it! This year we merged our Reds and Greys team from last year together along with 4 new players Kristabelle, Soman, Alaa and Millen. With a new team, a new coach and a completely different league but our girls were determined to win the season! And we did. Winning their age group was the highlight of the year, as well as winning 6 a side and being invited to play Champions of Champions. All their hard work working as a team paid off this year.

We hope that all girls will continue their training during the off season, and return next year to take home the trophy again!

Alaa- The one and only with her massive kicks! Never stops trying, even with her dad telling her to slow down!

Alexandra- Our superstar goal keeper, always willing to drive into the dirt to stop any goals that come her way.

Cathy- Always giving her 100% during game days.

Danielle- One of our crazy midfielder. Always chasing the ball and never stops! Always in the right place at the right time.

Ellina- What can we say? Always with a smile on her face, don't know if she happy or mad! But Ellina is always ready to chase and give it her all.

Faith- One of our fantastic defenders. Always there to help stop the ball before entering our goals. Saved us a few times!

Kristabelle- One of our new players this year. Kristabelle picked up soccer really quickly and we were really impressed. Her speed was her advantage. We hope you continue to practise during the off season.

Kuae- Our other defender, who stopped many balls coming our way. Saving us a number of times.

Lopasi- The one who is willing to try new positions and doesn't stop trying.

Olivia- The one with all the foot work. Always giving her 110% at training as well as game day!

Rita- The other crazy midfielder. Always running. There are times were we ask " where did she go" always willing to help out in defence as well.

Riya- A little shy at first, but she came out of her shell and surprised us all. Giving her 110% on game days and never stopped trying.

Soman- Our top scorer of the year! Her speed is what helped her score so many goals, leaving the opposition behind.

Under 15 Division 4 Team Report

Guildford McCredie Uniting Soccer Club 2022
Under 15

With new players entering this team over the last couple of seasons and the unprecedented events that have been out of our control, it was a challenge in creating a collaborative team dynamic. However, when finally given enough time and effort to consistently train and play together as a team, it was clear that the skills and talents were present in each and every player. Towards the final few weeks, there was a massive improvement in everyone's performance which didn't go unnoticed. Making it to the semi-final round is an accomplishment to be commended on and there is no doubt that there is potential for the team to perform even better next season.

A massive thank you to coach Mushtaba, our interim coaches Alex and Jayden, all the players and their families and friends for their time, commitment and support throughout this season. We really appreciate you all. Hopefully the same faces will return to the fields for 2023!

Under 16 Division 2 Team Report

Guildford McCredie Uniting Soccer Club 2022 Under 16

In my ten years of managing a soccer team, this by far has been one of the wettest years yet. With the weather washing out around half of our games, this year was really something to remember. The team played really hard this season, especially considering the amount of players we had show up each game. Playing each game with 8 or 9 players was challenging and tough on the team, but they managed to pull through to reach the finals only to fall short on penalties. We are really proud of how the team played throughout the entire season.

The beginning of the season was rough, with the team barely having enough to start the game. We began the season with a few loses, but after the team played with each other enough and learnt each others playing style, we won our first game and it was uphill from there. We may have lost games, but there was a lot of improvement in how they played there games. The boys played extremely well in the semi finals to grab the win, and if only the full team was here in the finals we would have won it all. Nevertheless we are extremely proud of all the boys and we hope to continue to see them grow together and learn more with each other. Good luck next year boys.

All Age Ladies Youth (U16 Girls) Team Report

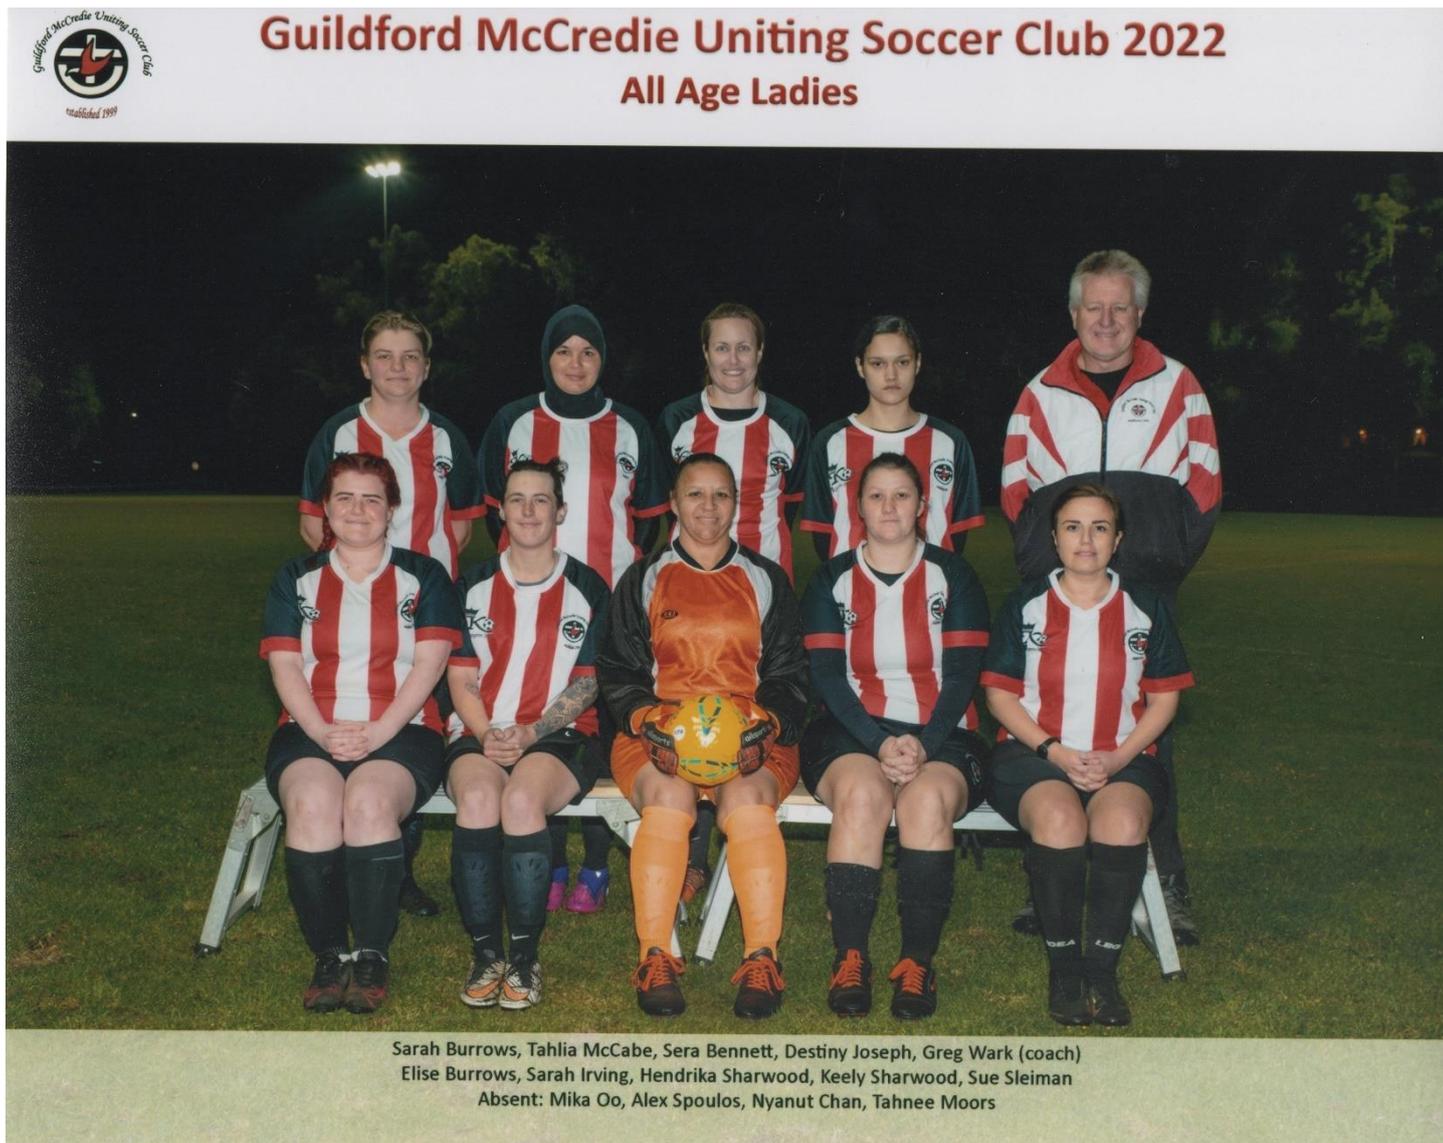

Guildford McCredie Uniting Soccer Club 2022
Womens Youth

Season 2022 almost didn't kick off for the 16 girls. The team had lost a few players from the previous season and the team needed to recruit for the new season. The team was initially registered in the Blacktown/Granville association, but due to the wet start to the season and training sessions being cancelled due to enforced park closures by the local council, this made recruiting new players difficult as not being able to train the club wasn't visible to the public and this nullified the walk-in players that normally comprise part of the clubs recruiting of new players. In the end this caused the team to not have enough players to be competitive in the combined Blacktown/Granville Association and the club had to ask the association to withdraw the team from the competition after one game in the league.

As the team could not field an eleven-sided team, the team had an opportunity to enter a mid-week all age competition requiring only nine players. With some players not being eligible because of their age, the team at times had to borrow players from the senior all age ladies' team throughout the competition. This competition was also affected by wash outs and the team missed out on playing in the final as the team was unable to play a catch-up game to take us to second place in the competition, leaving the team with a feeling of under achievement. In the end the team was also content in being able to get as much game time as they did.

All Age Ladies Team Report

As the season was due to get underway the team made the difficult decision to not enter the regular Sunday competition as not enough players seemed to keen, and instead focus solely on the Wednesday night comp – for which we had a few too many! This is not a permanent decision but suited us for 2022.

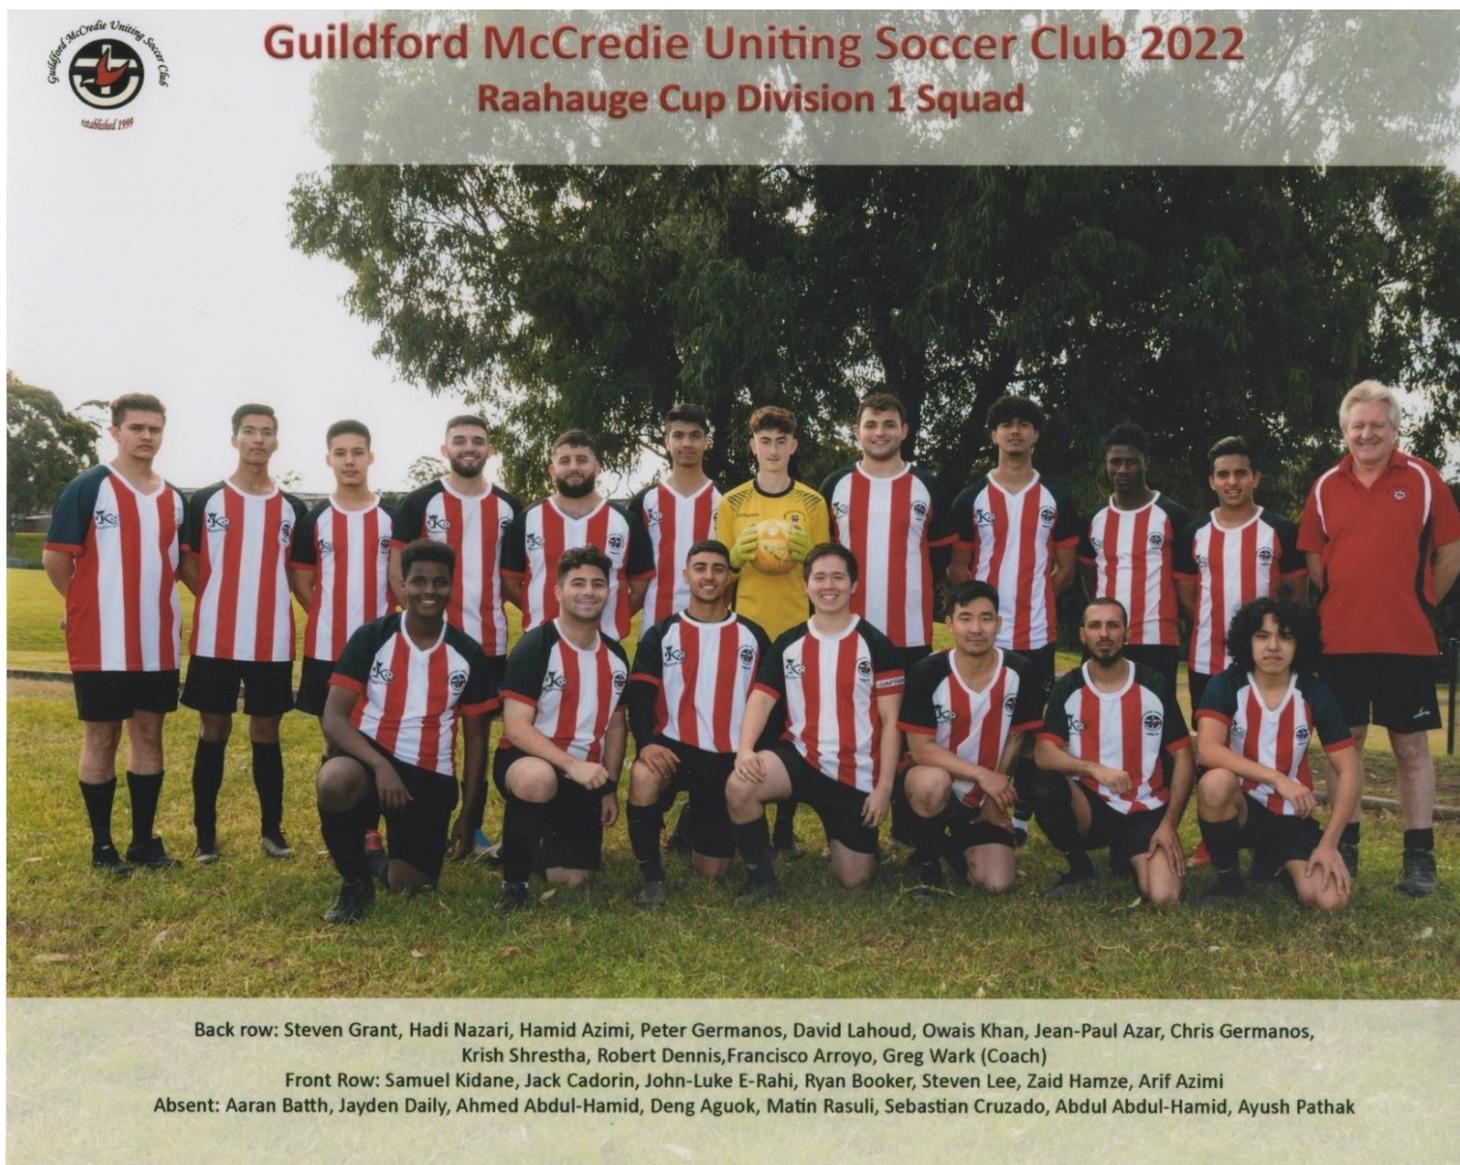

For the second season running we have remained undefeated for this comp but did concede a goal this year – to our the McCredie Youth team. We welcomed two new players Sera and Alex who fitted in really well despite the fact that Alex was unlucky with illness and missed a few games. With Keely and Henny in the back ably supported by the ever reliable Sarah I and Elise, and Mika and Destiny (who played especially well this season) up front , we were a bit too much for our opponents to handle. In the middle Tahlia, Sue and Sera controlled the tempo whilst Tarn, and Sarah B (who had some particularly strong performances) had great space out wide.

We also defended our six a side trophy in June with all the 7 players who were available for the day, meaning everybody got to share the achievement.

What a terrific bunch of ladies we have.

Raahauge Cup Squad Report

The plan heading into the season was to bring our two U18 teams from 2021 into senior football as a squad. Unfortunately, many players did not make the transition with some pulling out on the eve of the comp and a couple even after that. To recover from these setbacks and qualify for semi finals in both first and reserve grade, playing with about 19-20 players for two games each week, in the second tier division (Raahauge Cup Division 1) is actually a much greater achievement than many of the guys credit. They have been used to winning.

The competition itself was a really good one, evenly fought throughout, except perhaps for a single team in each grade. All teams provided stiff competition and any time a team wasn't at their best they were punished. In first grade we were punished twice when not having our strongest lineup. But likewise when the eventual 5th placed GPM came to Everley with a substandard lineup, we carved them up. In the semis Bexley in both grades dropped their guard in the preliminary finals and the competition's front runners found themselves competing in neither grand final.

In the end, we managed a draw in one match against the eventual premiers Lidcombe and lost narrowly by a late goal to the runners up Wenty Gold. We were closer than we perhaps realised.

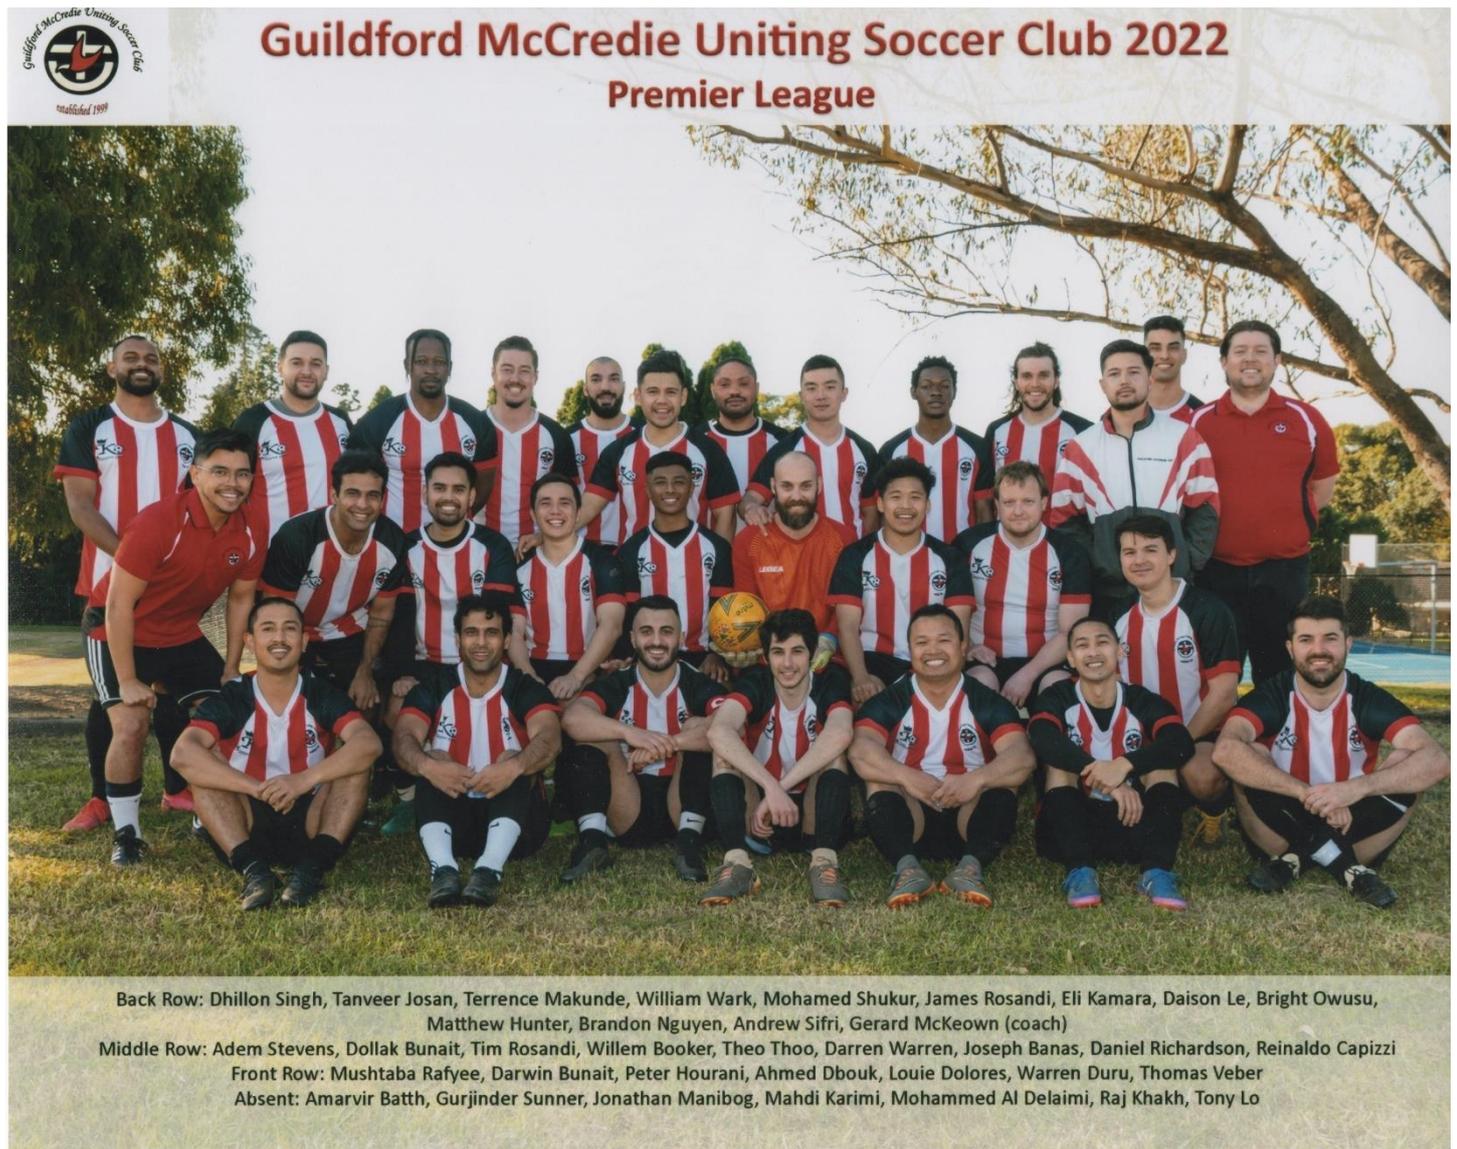

In first grade JP kept goals. This was a position we were worried about but having JP back up from the U16s was a huge blessing and he played really well. In the back John-Luke was the pleasant surprise, owning left back, whilst Peter, Chris and Ryan provided the regular solid defence. Ryan was a colossus, often playing good portions of reserve grade as well. In the central midfield we were controlled by Matin, Steven and Hamid, whilst out wide Aaran, Deng and Arif gave great support. Deng and Arif were probably (along with John-Luke) the good news stories of the season! Up front Krish and

Robert were, I believe, the competition’s best strikers, with Pancho and Owais offering great back up. If we could harness Krish and Robert’s skills together we could be even more potent, but this remains a work in progress.

Reserve grade was well supported by firsts with many players sacrificing their own games to help out. The core group of Samuel, Zaid, Jayden in the back; Seb, Jack, Ahmad, Owais, David & Hadi in the midfield and Pancho and Aaran up front did a great job to qualify for semi finals. Chris and Krish shared the goal keeping duties and Robert, Ryan, John-Luke all played plenty of reserve grade minutes. All this happened whilst Peter or Chris ran the sideline as assistant referees.

Playing as a squad requires a full squad commitment and the most successful players this year understood that and relished the opportunities. You don’t move from juniors to seniors and automatically win comps. But stick with it and we certainly will.

Premier League Report

After a season cut short the year before, when we were playing so well and on the rise back to where we were a few years ago. It was great that most of the team returned, along with a few new faces, to continue what we started.

This season it wasn’t COVID stopping us playing, it was the rain. We hardly had a pre-season so we were finding our rhythm and our form during the first competitive matches.

First grade started the season with the worst way possible by losing 4-3 to the competition's worst opposition but this match did have our new attacker, Bright, announce himself on the scene with two amazing finishes that would be goal of the season contenders even as the season just started.

First grade had a hard time in those early matches, having to deal with a lot of injuries to the core players, but they showed their true potential in their first game against the team that would go on to be the first grade minor premiers.

Finding ourselves up 1-0 and then going down to ten men after a red card, instead of being panned back in their half and hoping for a draw, the team dug deep and went on to win 3-0. This set a tone for the season.

Reserve grade started the season running, and with the squad having been playing together for a few years now, it was getting back to winning ways and holding a high standard of play into each game.

With the hard work put in during previous seasons and off season training paying off for Banas, Booker, Dbouk and new captain Pete having their best seasons yet with the club. Tom and Louie created a great centre-back pairing in the void left by the loss of a Reserve grade legend. With so many of the wingers and fullbacks playing great football, the hardest thing this season was giving everyone the game time they deserved.

Renny and Richo held down the centre midfield for almost every minute of every game, with no question being made as to who was starting in midfield each match.

New additions Terrence and Dhillon, along with previous Reserve grade champions Hunter and Darren, showing up in both Reserves and Firsts contributing to the success of both teams.

Reserve grade went on to be undefeated in the regular season and delivered performances that would have them in the finals contention in the first grade competition.

First grade really found their way this year once they locked in the talents and experienced spine of Will at striker, Adem and Sifri in the mids, then Tanveer in a new position next to Amavir in the backs. With Bright scoring amazing goals for fun and the new addition of assist machine Tony, the team played some great football on the way to coming runners-up in both the cup competition and the regular season.

The true sign of what this club has created with this squad was our ability to compete in both grades and to make the finals in both grades.

Reserve grade continued their winning ways through the semi final, with an undefeated season on the line.

After years of semi final failures, First grade had a 2-0 lead after going down to ten men against the minor premiers but couldn't keep them out as the game went to golden goal extra time at 2-2.

Tension was high but the team showed the same grit from earlier in the season, holding the opposition out and then Adem, winning the ball up the park, played in Shukur to score that golden goal and send First grade to their first grand final.

The grand final day had both heartbreak and joyous relief for our squad.

Reserve grade weren't able to achieve their perfect season after a pre-match downpour led to bad pitch conditions that were inconducive to our style of play and the team wasn't able to adapt quick enough, losing 1-0 to a penalty.

After that heartbreak we went straight into the first grade final.

First grade played a perfect game across the match, with Bright scoring a hatrick to give First grade their first Premier League championship.

It felt like a weight was lifted for all the players who have been with the team from the start, so happy they were able to finally get the title and so happy we were able to give everyone involved at the club a Premier League title that Guildford McCredie so richly deserves.

First grade grand final vs Inter Parramatta above and reserves vs St Columbas Castle Hill below.
